Chapter 1: Daily life of the female heroes (1)

One month passed after the desperate struggle against Risty.

The mansion's peace was restored and for some reason, Asuka's irritated glare is pointing at me.

Jiii Asuka stares at the person in front of her.

The person was carrying the stew in his mouth while smiling.

Asuka began to talk with her mouth trembling.

「Why is Captain Risty here?」

Hearing that, the brown girl looked at Asuka.

「N? No, I have lots of things to teach Yuuto. Umu, this is delicious. Seconds」

Yuuto laughs at the situation and Risty held out the bowl to Sasha. Sasha smilingly received the bowl and poured the stew from the pot.

「Also, Yuuto's wound isn't healed up perfectly. That was my fault so I will nurse him」

Risty's smile doesn't hide the goodwill, Yuuto was thinking what to do. Yuuto scratched his cheek, then a vein appeared at Asuka's temple.

「Y-You're not needed! Yuuto is already lively! He has already recovered!」

Asuka stood up and everyone, inlcuding Sasha looked up to Asuka. The impact of Asuka's fist shook the stew in front of them.

Noticing everyone's gaze, Asuka blushed, then coughed suddenly.

「I-In the first place. Aren't you the princess' guard? For the guard captain to be in a place like this…」

「Yeah, that one's fine. It's not like I'm always next to the princess. I'm off duty today. The princess right now is with the vice-captain」

Asuka correct herself bashfully, Risty explained as she suck the spoon. Feeling somewhat surprised, Yuuto spoke to Risty.

「Eeh, Is that so? I was sure that captain usually stick to her though」

Yuuto knows how Risty feels about the princess. Because it's Risty, he thought that he'd always stay near the princess. Though Risty frequently visits Yuuto, Risty isn't seen away from the capital that much.

「…Hahaha. I have an excuse for that」

Risty looked away from Yuuto's question. Asuka also had a question mark on her head while looking at Risty.

「At first, assuming my role as the captain…I'll always stick to her」

Yuuto said 'Oh I see' to the sweating Risty. To Yuuto's amazement and Asuka's glance, Risty moved as if making an excuse.

「N-No but. My duty is written as『Princess' Escort』It's written in the appointment letter of the princess. Also, I swore to her that『I'll guard her all the time』I'm just trying to carry out my duty」

Yuuto's smile crumbled to the rapid talk of Risty. For some reason, Risty's forte is crumbling as she feels like running away. No, well, her forte has crumbled long ago.

「…What did you do specifically?」

Yuuto and Asuka stared at Risty's face. Sasha too had her glance fleeting to Risty.

「I-I didn't do anything strange! I just always follow where the princess goes. 」

「So, the specific?」

Yuuto doesn't loosen his pursuit, Risty's words are clogged. In addition, his pursuit is getting deeper, Risty finally gave up and opened her mouth.

「B-Bath. …Or bed?」

「That's not all isn't it?」

Risty trembled from Yuuto's voice. The three people's gaze are as if they're looking at a criminal , Risty is trembling.

「E-even toilet…」

Yuuto throws out a sigh after hearing her words. Asuka and Sasha had their eyes look at Risty while saying 'wow'

「A-As expected, there's one big guy that's waiting in front of the door!!」1

「Isn't that obvious!!? Or rather, was there a small person inside?」2

'What are you doing?', Yuuto scolded Risty. In the first place, it would be embarrassing for the princess even it's in the front of the door.

「Aren't you just a pervert!?」

「Eeeeeee I'm not a pervert!! I-It's loyalty!!」

Risty is already teary eyed as Yuuto flared up and complains loudly at her. The captain-sama is too clumsy at love, it seems that she's unexpectedly weak in when in love.

「Err. …Then? Were you removed as the princess' guard?」

Asuka timidly raised her hand on the two people making noise. Then, Risty turned her sad face.

Downhearted, she dropped her shoulders.

「That's right. For some reason, one day, the princess's polite expression turned mad. I was removed from the guard's daily duty. …Since then, I'm only entrusted on duties on public ceremony and when she's going out」

Uuuuuu, Tears ooze out from Risty's eyes. The princess' angry roar still wounds Risty's heart.

Seeing that Risty, Asuka looked the other side. There's also tears difting in her.

「What's wrong, Asuka-sama?」

「Don't ask, Yuuto. When you talk about Risty of Dual Sovereignty, I also yearned for her」

Seeing the two people cry, Yuuto and Sasha can't do nothing but laugh.

◆ ◆ ◆

「By the way Asuka, it's about Yuuto」

Asuka stopped her hands that was about to put the after dinner tea to her mouth due to Risty's words. Seeing that, Risty's serious look turned to Asuka.

Yuuto and Sasha went outside the garden to work. This situation, this timing. Asuka already guessed the reason why Risty visited the mansion.

「What is Yuuto?」

Her pulse gets faster, Asuka faced Risty. Asuka puts down her cup, Risty cuts down to the chase.

「Just how much do you know about Yuuto's ability? Your weapon is also made from his ability, right?」

The two people alone in the room. Asuka listens to Risty's talk. Risty's eyes are investigative, Asuka looked away instinctively. Asuka continue to speak even though her throat is dry.

「Then, what would you do? If you're going to do something about Yuuto, even if you're the captain…」

「No, that's not it. Don't worry」

Risty raised both her arms in amazement due to Asuka's vigilant eyes. Even Asuka noticed that Yuuto's ability is rare. But, if it will cause Yuuto to be troubled, Asuka intends to protect Yuuto.

Assuming Asuka's feelings, Risty calm tone returned. Risty also likes Yuuto. Asuka regained her breath as Risty's look isn't hostile.

「Yuuto's ability is amazing. I've never heard about the ability of making a treasure tool」

「Eh? Is that so?」

Asuka opened her eyes in surprise from Risty's talk. She thought that it's rare but she

didn't think that much.

「Isn't it obvious? Treasure tools are a lifetime work of a craftsman that has the talent. It's such a dimensional stuff that's sweeping an entire lifetime. Furthermore, Yuuto's treasure tool, is perhaps the highest in performance among them」

Though Risty is talking lightly, there's no lie in her words. For example the pair of swords RIsty has『Ruler of Heaven』and『Ruler of Day』are certainly treasure tools, it's an article that's been long in the royalty family's storage, it was bestowed by the princess.

Yuuto's ability is to freely create a treasure tool, it already surpass the range of the craftsmen.

Did Asuka notice it too? Sweat flowed in her forehead.

「What is Yuuto? Does Asuka know?」

Every time Risty's lips move, Asuka's mouth can't. For the first time, Asuka became conscious that she doesn't know anything about Yuuto.

「T-that. I…」

She hesitates to speak. Where did he come from? Why does he have such an ability. Asuka bit her lips as Yuuto's background is blank.

Risty made a small snort seeing Asuka's expression. It's not like she's trying to pry about Yuuto's past. Saying sorry, Risty stood up from her seat.

「Thanks for the treat. That's all I wanted to ask today」

「Ah, Captain」

Asuka rose up noisily. Risty looked back and Asuka opened her mouth unconsciously.

「Y-Yuuto is. Uhm. H-he's not a bad guy. That's why」

Asuka was surprised at the words that came out from her mouth. Asuka doesn't know why she said those things to Risty.

Risty began to laugh at Asuka.

「I know. Even I do love Yuuto after all」

Leaving those words, Risty dashed to her room.

Asuka who was left behind scratched her hair as she feels unsatisfied.

「…I didn't mean it like that though」

◆ ◆ ◆

「Fuu. Still, I'm tired」

Yuuto was lying down on the bed of the room. He left Risty from the garden several

hours ago, the mental fatigue is there even though he hadn't done anything.

「Asuka-sama, seems to be in bad mood」

'Fumu', Yuuto recalls Asuka's recent behavior. Today too, Asuka's mood is bad whenever Risty is here for some reason.

She's the boss, and they already tried to kill each other. They can't go back that easily. Thinking that, Yuuto sighed.

「Somehow, they also did a match」

He recalled it. He was happy but that time was also a hellish memory. Both women are important for Yuuto so he wants them to get along.

He hadn't made a progress with Asuka since then but he believes that she's much friendlier than before. Yuuto rolled over his bed as he feels fuzzy.

「…Yuuto, you're here?」

That moment, a knock came from the other side of the door. He saw the moon shining brightly from the window. 'What could it be, being this late at night', Yuuto got up.

「What could it be? Asuka-sama?」

Her master's knock and the familiar voice. She paused before replying, Yuuto began to walk from the bed to the door. 'You can just come in', Yuuto tilted his neck.

「I want to discuss something」

When Yuuto's hand was about to reach the doorknob, Asuka's voice was heard from the other side of the door.

Her tone is different from usual, Yuuto direct his face on the door.

Giii, the door opened slowly.

Chapter 2: Daily life of the female heroes (2)

「What's wrong?」

Yuuto tilted his head as he looks at Asuka.

Asuka looked around restlessly after she entered Yuuto's room.

Speaking of, Yuuto noticed that it was that time when he invited Asuka inside in.1 The day when he received Asuka's first time. Yuuto's heartbeat got a bit faster.

「Y-You see. …H-How's your body? Are you okay?」

Asuka asked while looking away. She fiddled her red hair with her fingers.

「Yes, I'm okay now. I still feel throbbing pain when I use my ability for a bit but I got considerably better」

It seems that she's worried about my condition. Yuuto smiled at Asuka as he's glad. 'I'm okay', he said as he raise his arm to appeal.

「I-Is that so? Then that's good」

However, Asuka walked to the bed without meeting Yuuto's eyes. Then, she sat on top of it.

「Err, Asuka-sama?」

Yuuto tilted his head. Asuka's behavior is strange, Yuuto approached her.

Asuka removed her pout from the gaze and her fingers are fiddling the sheets. Yuuto stared at the body line of Asuka on top of her light pajama.

The curve of Asuka's delicate body makes surface on her thin pajama. Her chest is swelling and the tip is seen, Yuuto's face reddened.

「You see. …Y-You. D-Do you like Captain Risty?」

「Eh?」

As he admires Asuka's body, Yuuto heared her mutter. Yuuto unconsciously raised his voice.

「M-Me?」

Asuka nodded at Yuuto's response.

For a moment, Yuuto can't understand what she's talking about. A few seconds later, he noticed that it's a talk about love affair.

「N-No No No No! W-well if you ask me if I like her then I do. B-But not that kind!」

Yuuto shook his arms in front of Asuka in panic. Asuka stared at Yuuto hearing that.

「…Really?」

「I-It's the truth. That, you see. I yearn for her, it's a feeling closer to trust. Isn't Asuka-sama the same?」

'That's obvious', Yuuto complained. The rank four in the hero ranks. Yuuto and Asuka understood the true ability and accomplishments of Risty a few days ago. In addition, he's been in care of her as a boss.

Yuuto had completely forgotten that he's a representative of a weak person until then.

「But. You're getting along with captain Risty recently. Also, you're also doing your best」

Asuka dropped her shoulders, Yuuto panicked lightly.

Yuuto doesn't understand Asuka's reason for saying those things at all. Yuuto's feeling impatient as this is like Asuka's holding out her courtesy into him.

「No, you see. Well, I often played with Captain Risty recently」

Suddenly, he said something that shouldn't be said in surprise. Asuka reacted to that.

「Play?…The ass?」

'Crap', he thought but it was too late. Asuka's eyes are full of doubt. Her eyes keeps staring at him, Yuuto averted his face while smiling. Then, Asuka's glance pierced further.

「…I decided」

「Eh?」

Yuuto feigns ignorance, then Asuka stood up. Yuuto asked with a small voice.

Asuka strongly folded her arms as she look at Yuuto. Frowning, the expression of protest surfaced.

「You'll play with me」

Along with moonlight coming from behind the window, Asuka declared it dignified.

◆ ◆ ◆

「How's it? Asuka-sama?」

Yuuto looks at Asuka.

「…U, Uu」

Asuka's face blushed and she squirms bashfully.

「What's wrong, Asuka-sama? You were the one who told that you're going to do it?」

「B-Because. This kind of thing… Y-You, what were you doing with the captain?」

Asuka stared at her own appearance while hiding her skin by her arm.

Dog. In a nutshell; Asuka's dressed as a dog.

A dropping dog ear. Both her wrists and feet are covered with a fluffy ornament. Of course, there's also a tail shaking in her ass.

「N~, How far should I speak. I became captain Risty's master」

「M-Master you say? E-eeeeeee. Why!?」

Asuka looks at Yuuto as he speak, she speaks her surprise. 'Even if you're that surprised', honestly, Yuuto also doesn't know why it has come to this.

「Since captain Risty pestered, so I played with her sometimes」

「Eh…Eh? Captain? …Eh?」

Asuka too looks at Yuuto as she can't swallow the situation. However, the atmosphere was somehow guessed by the two people from Yuuto's expression. Because she actually saw Risty fall into disorder, she believes even she can't believe it.

「Well, I'm the one who took the opportunity. At first, I tried to threaten her since she's an eyesore」

「No, I got it somehow. That person is a pervert after all」

Asuka gritted her mollar thinking of that brown girl. The hero she yearned for just fell to perversion.2 'What is life?'

「Ah, But. This dog costume's first time is Asuka's. Captain isn't normally interested on non-ass stuff」

「Ehh? I-Is that so?…Fuun. Is that so. I-I'm the first?」

For some reason, Asuka's expression turned happy, Yuuto inclined his neck. However, he didn't lie. This dog equipment is something he made while thinking of Asuka.

「…I-In short, You're going along reluctantly with captain's perverted hobby. 」

「Eh? No, I'm also enjoying myself」

Glare Asuka's eyes penetrated Yuuto. Yuuto was 'Aah, why I'm so idiotic', he regrets it.

「Let's start」

「Eh?」

Yuuto trembles on the intimidating Asuka. Raising a pathetic voice, Yuuto watched Asuka's face.

「Do it, hora. Do it just like captain Risty. Aren't you the master? Hora」

Yuuto stepped backward from the daunting pose yet almost naked Asuka. He doesn't

understand why Asuka's so angry but Yuuto quietly began to prepare.

「…Uhm, Asuka-sama. …Are you angry?」

Yuuto glanced at Asuka. Hearing that, Asuka declared with a smile on her face.

「Noope. Do I look like I'm angry?」

'I-It seems iit', Yuuto returned his eyes to his hand. Asuka kept watching Yuuto with a smile.

The night has just began.

◆ ◆ ◆

「…D-Don't do it halfway」

Asuka drank her saliva inside the room where the two people are alone.

Chain. Thin chain made of lead extends from Asuka's collar.

Of course, Yuuto's hand holds it. Yuuto thought of what good to do but he can't speak it out.

「I'm your dog right? What a nice hobby, really」

She speaks 'fool' in her mouth as Asuka's face dyed in shame. Still, Asuka stared at Yuuto like it's trivial.

She wants to seize the initiative by all means it seems.

「W-what are you going to do? Should I just bark like before?」

Asuka's motivation is high and Yuuto scratched his head asking his head what to do. Asuka's too far to go back so Yuuto doesn't know what to do if this continues.

Yuuto regains his calm soon enough, 'fumu', he put his hand in his chin.

Honestly, his feelings is dancing in joy. That Asuka is standing in front of him like a dog. Seeing a glimpse of her fair skin, Yuuto decided.

「Should we take a stroll?」

「…Fue!?」

Seeing Asuka raised a small cry, Yuuto smiled.

Yuuto's right hand pulled Asuka's collar.

Chapter 3: Daily life of the female heroes (3)

The moon shines at the night sky. Even if there's no electric light the moon shines so brightly, Yuuto looked up at the sky. When he was at Japan, he didn't notice this radiance.

「U, Uu. Yuutooo」

Warm wind blows even at night. The house on the right side is the shoemaker,Oran-san's house. Yuuto's currently worn leather shoes are made by Oran-san.

「Hey. Yuuto」

The suburbs has less people compared to the castle town but Yuuto thinks that this kind of tranquility is good. When he listened carefully, he heard the sound of grass shaking.

「Nice weather isn't it? Asuka-sama. It's warm」

Saying that, Yuuto looked back smiling.

「Uu. I-I'll be seen」

Asuka squirms her body and looks around bashfully.

She tries to hide her body with her arm desperately as she stand, right now, Asuka's appearance is bound to fail due to lack of assistance1

Whining as the neck is being pulled by lead that's connected to Yuuto's right hand. Asuka had her face dyed deep red and is looking down bottom.

「Hey. Aren't we taking a stroll」

「Ah」

The chain was pulled ahead. Asuka tottered several steps forward. Asuka's dog tail shook, stroking her thighs.

「It's cute」

「…Uu. Don't say it like that」

Asuka is teary eyed as Yuuto smiled. Though it's close to Yuuto's motive, Asuka can only think of shame.

Dressed as a dog, she's wandering in the village. 'It's embarrassing, or rather, it's impossible'

「As expected. A-At least my underwear…」

「No you can't. Dogs doesn't wear clothes」

Yuuto smiles as Asuka shakes her body.

Imagining her own current form, Asuka tries to rearrange her own consciousness desperately.

(…I-I'm dressing like this. …N-No. Dangerous. I'm feeling dizzy)

Asuka's breathing gets rough.2 Even if it's night, the moon is shining brightly. Although she covers her important part with her arm, it doesn't change the fact that she's naked. If someone in the village sees her appearance, her life would end.

Her standing nipples hit her arm and it got hard unrelated to the rings. Down under is being damp already, Asuka feels helplessly hot inside.

「Now then, are you used to it already? You're going to play doggie?」

Asuka's heart leaped. Hearing Yuuto, Asuka looked ahead slightly.

「…Eh?」

「Aren't you going to become a dog?」

Yuuto laughed in delight. The Asuka who made a blunder imagines what would happen to her and her body shook lightly.

The chain gently pulled Asuka's neck.

◆ ◆ ◆

「Alright, good. Good dog, good dog」

The village's farming road. Asuka's legs sways as she walk along the way.

Paw and furry hands and feet Noticing that it was those that protects her skin from the ground, Asuka's shame reached its limit.

「…C-Cruel」

She's crawling on all fours. Simply put, Asuka is being forced to walk using her arms and feet awkwardly.

Every time she advances her ass sways, the tail that moves left to right is the cause to that. Of course, that tail is inserted to her ass.

「Hey. We're going」

「W-wait a moment. I'm not used on my ass yet…Nn」

Asuka leaks out her voice as the tail connected in her anus shakes. For the sake of the undeveloped Asuka it's size is somewhat narrow, still, Asuka's spine shakes from the sensation behind.

Yuuto's enjoying the strolling figure of Asuka. *Chari Chari*, The dog tag from the collar rings. Hearing that sound, Asuka blushes.

(This. M-My ass. …Nn. I-I'll be seen. All of it. Haha, this got to be a lie. I'm crawling on all fours. I-I'm like a dog)

‘Fuufuu’, her breathing gets rough as Asuka desperately advanced There won’t be any problems as long as we’re not found out. She strained her last energy while thinking that.

Thanks to Yuuto walking in front of her, she won’t be seen. However, love nectar overflows from Asuka’s secret place as she’s walking in an unnatural four legs.

Since she’s not walking on her legs, she inevitably became bowlegged. Both her hind legs are opened clumsily, Asuka followed Yuuto.

She now can’t say that Risty is a pervert. Her own nipples and clitoris hardened and her ass shakes, ‘Just what’s going on’, a dry sound leaks from Asuka’s throat.

「ahnree, Yuuto-sama. What are you doing at such a time?」

Hearing the sudden voice, Asuka’s heart stopped. *Saaa*, blood drained from Asuka’s face.

「Oh, Oran-san. No, I just thought of walking around, patrolling」

Yuuto speaks like usual. Asuka lifted her face while trembling.

「Oh, As expected of a Hero. Iyaa, thanks as always. Since the two of you came, the village became peaceful」

A kindhearted looking person. It’s the shoemaker Oran-san that lives near.

Was it too dark that he didn’t notice Asuka? Asuka tried to stomach the scream she was about to raise and hid in the bush.

「Hey, Asuka-sama. Greet him」

Then, Yuuto stopped her. Pulling the chains, Asuka was pulled ahead forcibly.

「Hi, Hii. No, Yuutoo」

Asuka coils her body. Trying to reduce the exposure even for a bit, Asuka embraced herself nearly crying.

「Oh my, Hey」

Oran-san was a bit surprised. Asuka certainly heard something collapsing.

(W-was I seen? No way? Naked, in my dog outfit? No way, no way no way!?)

Shame is out of the question. Despair attacked Asuka. How will she meet the villagers tomorrow? Asuka is thinking about that.

「What a lovely dog. Iyaa, you even call it Asuka sama, also it’s hair is nice」

「…Eh?」

However, Asuka’s scream in her heart was stopped by Oran’s word. Asuka who saw that meek smile opened her mouth absentmindedly.

(Eh? W-why? …Wait, what?)

Asuka understood everything. Asuka standing up faced Yuuto.

(Y-Yuutooooooooooo!!)

The whole face is smiling. Yuuto laughed as he’s unable to bear it, Asuka is burning up in anger.

What this guy passed isn’t just normal costume

Asuka want’s to beat him to death as she’s unable to notice it.

Chapter 4: Daily life of the female heroes (4)

「Isn't it cute? She looks like Asuka-sama and she also has a beautiful red hair. I was asked to give it a name. …Hey, Asuka. Show that you're clever」

Yuuto looks back at Asuka. Asuka feels a bad premonition from the stretched right hand.

(C-Could it be that Yuuto…)

Sweat flows at Asuka's forehead.

「If you can't I'll punish you」

Yuuto smiled. She knows it even without detail. If she didn't obey, Yuuto can make Asuka do that. 1

「…Wan」

Asuka couldn't put her paw on top of the other.

(U, Uu. I-I'm being seen. Oran-san sees me…)

Asuka desperately endured the shame while shaking. She prayed that she's a dog in her mind to keep her conscious.

Bending down nude, Asuka's breathing turned rough.

(Eh, It's okay. I'm fine. I'm a dog. Since I'm a dog. I'm not a human but a dog)

That thinking is already terrible but Asuka didn't consider that. Yuuto patted the head of that Asuka.

「Good dog, Asuka. Good dog, good dog」

「W-wan」

Asuka answered Yuuto's palm cheerfully. The thought that she was careless for being glad, Asuka's face dyed.

(W-what have i done!!)

Shaking, Asuka's face fell, Yuuto grinned. Yuuto pulled up the chain.

「Hey, next. Asuka, beg」2

「B-begi!?」

Asuka screamed at Yuuto's word instantly. 'Shit', she covered her mouth with both her hands.

However, Oran's glance doesn't change as he watches Asuka with a smile.

(T-That's right. My voice is also heard in dog language. E-eeeee. Isn't it well done?)

Yuuto's enduring to laugh again, Asuka turned her glance shamefully. However, she can't turn away from the order, she looked at the body while wondering what to do.

(B-Beg. Certainly…Like this? …Hey, Eh? L-Like this?)

Asuka's chest throbbed. She spread her legs and put her hands ahead, Asuka's body heated up.

She's being seen. All of it. Being naked isn't the problem. It's like a pose where she lost per position as a human, Asuka gulped down his throat.

Nipples. Bush down under. Asuka opens up everything slowly.

At that time, Asuka noticed that Yuuto's groin is reacting.

(W-what are you getting big for? Y-You arranged this)

Asuka opened her arms and legs to show it off to Yuuto. Asuka's crack opens faintly much more than the bush, Yuuto instinctively looked away.

「W-wan. Kuuun」

Asuka felt better seeing Yuuto's state. Unnoticed, she raised her voice even she's not told to. Furthermore, she's sticking out her tongue and breathes like a dog even though it's not needed.

(D-dog. Become a dog. I have become a dog)

'It can't be helped', Asuka fools herself. 'This is Yuuto's order, it can't be helped', she persuaded herself. Yuuto was surprised at Asuka and glanced at her repeatedly.

(W-what's with that face. Isn't this what you want to do? T-This. G-Giving me a bitch costume)

Asuka felt her body getting hopelessly hot from Yuuto's gaze. Even she's a hero with an Alias, tension wells up. Asuka feels released.

「P-Praise me. Yuutoo, praise meee」

'haahaa', her breathing turned rough, Asuka glanced at Yuuto. Yuuto came to his senses from that cry.

「G-Good. Good girl, Asuka. Good dog」

The head was patted, hair was combed. However, Asuka shouts that it's not enough.

「Kuuun. Kuuun」

A dog's language that's outside the range of Yuuto's treasure tool was heard. Yuuto felt a shock in his chest hearing that lovely cry.

「E-err. Then, let's. Can you do goroon~?」3

What to do? Yuuto hesitates for a moment and turned his finger in front of Asuka Asuka seeing that, put her back on the ground without minding it.

「L-Like this?…Yes」

Submission pose. Asuka flops on the ground and folds her arm and legs. Asuka's chest and thighs are emphasized.

Everything is exposed. 'Doing that far', Asuka's excitement was transmitted to Yuuto.

「Kuuun. Y-Yuutooo」

Asuka licks her lip. Then, she stuck out her tongue like she forgot something.

「Waaaun」

Asuka glanced at Yuuto upwards, Yuuto's feelings ruptured. Asuka turned her face back in order to not be seen.

(S-Shiiiiiiiiiiiiiiiiiiiiiit!!!)

His smile mask almost collapsed completely, Yuuto rebuilds it desperately. Just a bit more and he would've muttered「Cute」Oran curiously stared at Yuuto.

「O-Oran-san. I-I'll be continuing my patrol then. I'll be going」

「Eh? ah, yes. Sorry for detaining you. Iyaa, Asuka-chan is cute」

She tilted her neck a bit but Yuuto bowed to not make himself look suspicious to Oran. Asuka waved her hand with a smile and Oran went home slowly.

「Yuutooo」

Asuka approached Yuuto.

Seeing Asuka's aroused expression, Yuuto swallowed his saliva.

「How was it? Did I behave like a dog properly?」

She's blushing bashfully while crawling on all fours but Asuka's tail shakes in front of Yuuto. As her tail shake, Asuka's breasts down is also shaking.

「Wanwan.4 Eee, it's embarrasing but it's a bit fun」

Sticking her tongue out, Asuka walked in front of Yuuto. Awkwardly moving on fours, heartbeats go faster, Yuuto instinctively shifted his glance.

Asuka is normally shy but when she cross the line, she seems to go beyond. In fact, she's currently getting used to walking naked on the road of the village, Asuka's inside gets hot hopelessly.

(My heart is throbbing. I, dressed like this. …This is dangerous but. It's thrilling)

Asuka who's dressed like a dog looks up at Yuuto. Yuuto looks a bit troubled, Asuka put a faint sign of irritation on her eyebrow.

(What? Weren't you the one who made me do it? This shameful dress, making my nipples stand up, and even thrusting it in my ass)

‘Haahaa’, Asuka stared at Yuuto’s crotch while breathing roughly. Pleased with the swelling in the pants, she rubbed her lips against the cloth.

「Wai-, A-Asuka-sama!?」

「Wan. Nmu」

Just like that, Asuka pulled the pants using her mouth. Though Yuuto stopped his pants being pulled, Asuka pulled it without minding.

(He’s panicking. It’s your fault so take responsibility)

Yuuto’s superb article is finally in front of her face, Asuka held it in her mouth without minding Yuuto.

Yuuto raised his voice as he’s unable to endure Asuka’s warm mouth.

「A,suka-sama. T-This place is」

「Nbu. Hamu, Nn. …Nmuu」

Asuka interrupted Yuuto with her mouth’s skillful licking. Seeing that, Asuka moved her tongue happily.

「Jubu, Nbu. …Pua. Do it」

Seeing Asuka clings to his penis dressed as a dog, Yuuto reached his limit. However, Yuuto can’t indulge in pleasure obediently because of the current situation.

「Asuka-sama, wait, this is really dangerous」

Asuka enjoys Yuuto’s panic while sucking.

That’s right, it’s the ability of this dog-ization treasure tool, Asuka will be shown as a dog aside from the person holding.

In short, Yuuto’s appearance, if seen by normal people, would be a pervert that’s sticking his dick to a dog.

Yuuto knows that so he looks around the vicinity cautiously. Fortunately there’s no one but if this was shown to anyone, he’s not sure how he will be seen tomorrow.

「Hora hora, aren’t you my master? Your penis is being licked by your pet dog」

「Uwa. Ah, wait…!」

Yuuto’s penis trembled. Yuuto’s double is reaching it’s limit, Asuka grips it with her right hand.

If it comes to this, she doesn’t need to act like a dog anymore.

「It’s twitching. Hora hora, you should just let it out」

Asuka fiddles with her own secret place with her left hand. While picking her clitoris, Asuka opened her mouth to Yuuto’s pointed tip.

「Just cum, hora」

When he saw Asuka's eye upturned as she stick out her tongue, Yuuto's inside gushed out. 'That's Interesting', Asuka accepted it with her mouth.

「Ehehehehe」

Next to the smiling Asuka, Yuuto is troubled.

「What's wrong? You're grinning」

「Becausee. …Ehehe」

Yuuto can't understand why Asuka is laughing. Showing advantage, this stroll was a good idea. Yuuto wasn't convinced with the situation of him being pushed down.

(It started unbearably embarrassing at the beginning but. …It feels refreshing)

Asuka herself isn't able to understand why she's laughing as well. However, her shoulders became light somehow, she feels uplifted.

Yuuto somehow felt the win, it was a huge satisfaction for Asuka.

The pressure as a hero. Asuka hadn't noticed the size of it yet.

「Okay, let's do out best tomorrow!!」

Asuka gets psyched up, Yuuto thought about about the future while being linked arms with Asuka.

Chapter 5: Daily life of the female heroes (5)

Risty looks down while her face is dyed in shame.

She laughed troubled, she somehow tried to fool it with a smile.

「Waa, Amazingcaptain!」

「Cool. Seriously」

Risty's subordinates praise her. Staring at her own body, Risty asked 'Why did this happen', and recalled the day before.

◆ ◆ ◆

「Ah, N. …S-Sorry」

*GishiGishi*1, Risty's desk make a noise.

「That's right. You have to show your sincerity properly」

Receiving the glance of Yuuto that's sitting down, Risty felt her own body getting hot.

「I-I was sorry. I made a mistake…N, nkuu」

Risty shows off her bikini while squatting. Since the prior matter, Risty begs to be punished by Yuuto this way.

Seeing Risty move her waist up and down, Yuuto sent her a praise.

(It's amazing as always…)

It doesn't show on his face but Yuuto stares at Risty.

Wedged on her dark skin is the micro bikini. Bound with only a string, Risty is really covered to her limit.

However, that wasn't all, Yuuto was surprised.

(We've done this every time before…)

'Haahaa', looking at Risty who is breathing heavily, Yuuto gazed at Risty's leg. Thighs, and calf too, Risty's folded muscles from her body move up and down.

It's almost one hour since Risty worked hard moving up and down.

Though her breath is disturbed and she's sweating from arousal, she doesn't display fatigue one bit./ 'What an unexpected person', Yuuto watched the fourth in front of him again.

(However, it's all just squatting)

Looking at Risty's limbs, Yuuto pondered. 'Of course, Risty's micro bikini appearance is sexy that it's dangerous but I want to do new stuff too.' Or rather, the stimulation for

Risty herself has gotten weaker. Nowadays, she just follows Yuuto naturally.

「That's right, Captain, should we make a new punishment?」

At that time, A new idea flashed into Yuuto. Risty looked up from the top of the desk due to Yuuto's voice.

「Eh? A-a new one?」

Risty's face reddened. Risty looked down bashfully, then nodded.

「I-If that's what Yuuto wants」

◆ ◆ ◆

「I-It tickles, Yuuto」

「Please endure it」

Bikubiku, Risty bends her body to escape the stimulation. Yuuto touched Risty's skin with the tip of his treasure tool.

Yuuto concentrates on the brush tip on top of Risty's belly. The tip of the brush moves on top of her belly, Risty laughs as she's unable to bear it.

「Ku, Kukuu. Y-Yuutooo」

「It'll end soon so please endure it」

Yuuto moves his finger eagerly in order not to slip. After finally writing the last stroke, Yuuto took a break.

「I wrote it. How's it?」

Saying that, Yuuto took Risty to the mirror. RIsty watched herself in front of the full length mirror on the wall of the room.

「Oo, isn't it cool? You write well, Yuuto」

「I practiced calligraphy after all」

Surprised, Risty looked at her body at the mirror.

Risty's stomach has some characters of a foreign country that she never saw before drawn in it.

「Is this the characters from your hometown? It's completely different from Trishulia's character. Un'un, it's cool. I like this」

Risty delighted face brightened up on the two characters written on her belly. And, Yuuto showed a smile.

「It's kanji. It looks good」

「It is. …By the way, does this really go off?」

Risty turned to Yuuto, asking anxiously. Yuuto looks at Risty saying ‘it’s alright’ As expected, Yuuto can’t stay put on a girls skin.

「It disappears in about two weeks. Well, it’s possible to erase it immediately with my correction fluid. This brush that’s used to draw magic circles and magic characters is used on her body. No one but me can erase that」

「…Oh? Convenient as usual」

Risty admired Yuuto’s explanation. Rubbing the character in her belly, ‘I see’ she nodded. It’s not an ink that clings. It completely assimilated to her skin.

「Is that so?」

「No, this is amazing. Carving magic on body, It’s determined to be tattooed for the lifetime. After the tattooing, there’s also the worry of compatibility. Since it can’t be rewritten as one pleases, it’s quite a forbidden technique」

Err, Yuuto gazed at the brush that he made Yuuto doesn’t know magic nor it does have use for him, if he can use it properly, then he’ll make an absurd treasure tool. Yuuto thought that he can make anything.

「Is this a magic seal?」

Yuuto mentions the knowledge he knows. Even among the imperial guards troop, there are one or two that has tattoo. At first, he thought that the tattoo was just a decoration, but since this world has something like magic and some prided special effect.

「That’s right. Body Strengthening, Magic Amplification. Such seals are carved in his body. But, there’s a risk. Acute pain goes along the carving of magic seal, there’s a case of the body not being able to endure the power of the seal. Well, it’s because the magic is pulling out and make them exceed the limit forcibly so it’s natural」

Yuuto’s heart sounded due to Risty’s objection. Now that she said it, even the guards here, the size is small.

「Even with such a small seal, it’s not impossible for it to be carved if you’re not an influential person. If they’re unable to bear the load of the seal, it’s not rare for them to have their arms and legs cut」

「I-Is it really that dangerous?」

Yuuto stares at the brush scared after hearing the explanation. He did that but he’s an amateur that hadn’t put his hand on it that much. ‘Let’s keep it on scribble level’, Yuuto swore in his mind.

「Well. Because I don’t know magic, it should be safe」

「…N, is that so? Or rather, what kind of effect this have?」

Risty stares at the character at her stomach hearing Yuuto’s remark. Yuuto declared to Risty in front of the mirror indifferently.

「Nothing in particular. If anything, it's just a decoration」

「Ah, is that so? I was sure that you also applied some strange magic」

Feeling relieved, Risty strokes her stomach a bit disappointed. Looking at the mirror, 'By the way', she showed the characters to Yuuto.

「What did you write?」

Even if it doesn't have a magical effect, Risty asked Yuuto about the meaning of the character. Yuuto told that it's nothing while looking at the brush.

「Ah, it's 'pervert' The two characters mean pervert」

「…Eh?」

Risty's face hardened. In addition, Yuuto smiled.

「Isn't it perfect for captain Risty?」

Risty's cheek shook violently to that smile.

◆ ◆ ◆

「U, Uu. Yuutoo, stop」

「You can't. Didn't I say that it's a punishment?」

Yuuto's brush hit Risty's back. Risty's body curved and rose up.

「M-My back. Please. My back…」

Furu Furu, it's rare for Risty to resist. Also, Yuuto speak out teasingly.

「Oh, you did say it right? I'm proud of my back」

「T-That's right. T-There's no wound right?」

Yuuto stared at Risty's watery eye. The texture of her skin is like coffee milk. Certainly, there's no wound nor stain. In that dangerous battlefield, Yuuto admired how her back is used to it.

「T-The princess praised m-my back. Please. My back…」

Risty looked back at Yuuto. Ignoring that, Yuuto made the brush run through Risty's back.

「H-Hiiiiin!!」

Yuuto listened carefully to Risty's nervous voice.

If Risty really didn't like this, then this won't happen.

「A, aah. B-Back. My back is…」

Risty's breathing from the back turned rough and her pulse got faster. Seeing that, Yuuto continued writing.

「Fuaa. Ah, no. E-Even though I never let anyone touch it」

Her mouth tells to stop but Risty endures the brush of Yuuto running through her back.

「Cruel, writing a cruel thing. My baack. N-No you can't kufuu」

Uuun, Yuuto stopped his brush due to Risty's voice. He thought of doing it lightly but he might raise it to respond to the request.

Thinking that, Yuuto finished writing the two first characters quickly.

「A, aaaaaah. W-what did you write? A too terrible one is…」

「N—.『Mate Wanted』is written」

Risty's breath stopped hearing Yuuto's mutter. Her head turned white for a moment.

「…Eh? M-Mate?」

「T-that's right. Isn't that perfect? Hey, I'll be writing the next character so don't move」

「Hya!? L-Last!?!」

The brush reached Risty's back. He wrote an obscene character on Risty's back. Yuuto wrote with the brush calmly while holding down his heartbeat.

(B-Back. D-dirty. C-cruel. I-I even protected it. My prided back)

Risty is about to cry. However, helpless chilly pleasure runs through Risty's back.

(Hi, Hihi. No good, it feels good. Even though my back is being dirtied. C-cumming)

「Ah, Ah…—umming」

The moment Yuuto finished writing, Risty's body jumped. Yuuto stared at that with his heart throbbing.

In addition, since Yuuto thought about the ladies, it has a drawback of coming off two weeks after.

Chapter 6: The strongest are burdened (1)

Risty's inner thigh is trembling.

「Ah, aah. Cruel. Such a thing, my back」

Saying that, Risty puts power to her sphincter while having an ecstatic face.

Her anus shuts tightly, Risty's core is shaking.

「Hey, greet properly」

「Naaa, ofu. I-I'm a pervert that wants to mate using her anus」

RIsty shakes her waist in front of the grinning Yuuto. While showing off the huge anal plug covering her anus, Risty made a peace sign while moving her back across just like Yuuto said.

Nodding on the five characters written on the back, Yuuto had his crotch stir up from Risty's silliness.

For some reason, Yuuto picked up the initiative from Asuka and Sasha. Feeling relieved that Risty fell in disorder obediently, Yuuto gazed at Risty's bown ass narrowing.

The movement of Risty's ass is like a red ball of boiled egg, as soon as she put power, a lovely voice leaks out from Risty's mouth.

「Noo, Oooo. C-coming」

Thrusting out her ass in a half-kneeling position, Risty's body trembled. Her face isn't seen from the back but surely it's an amusing face.

「Crap. That's erotic, captain. I got aroused too」

「O, Ooooo. Nhiii」

Yuuto traced the graffiti on the back with his finger. Did she feel aroused from the praise? Risty's woman hole is overflowing with love nectar.

「Hey, good luck pulling the plug. I can still see it. 」

「Aaaaaa, I can't. This is too embarrassing. N, Ooooooooo」

Even though she's shaking her head in shame, Risty lifts out her ass to Yuuto's nose. Risty put power on her anus as she feels her pulse is about to break.

「Just you. It's because it's you. Yuuto is the only one who can see this」

「I know. Good good」

Yuuto's palm patted Risty's ass. Risty's reason was cut off by that feel and words.

'I don't care what happens anymore', she used all her strength.

「Fuu, Fuuu! Fuu, Ooo. Noooooo」

Creaking, the plug's thick part spreads out Risty's anus. Her anus spreads out even more and Yuuto's excitement even increased.

Then, finally, Yuuto heard the anal plug going inside of Risty.

「Naaa, O, Ohooooo. Oo, Nhoooo」

Feeling the impact, Risty raised a foolish voice. However it didn't end there. Seeing the white object extends her anus completely, Yuuto speaks out while throbbing.

「Hey captain. Can you imitate chicken? Try laying down an egg」

「Aaaa, Nuu. Wait, noo, coming」

One boiled egg went out of Risty's ass. Risty's reason had already flown but she she desperately tries to fulfil her promise with Yuuto.

Sticking out her arms quickly, Risty took out a position of a chicken on top of the desk. Both her wrist move unsteadily, it looks like a wing at the moment.

「Koke, kokee. Oo, Noo, Kokekoo…Nhoooo」

She can't mimic the cry at the moment but Risty's anus is about to burst. Each time she puts power in her anus, an egg toy comes out.

She looks like she's laying an egg in Yuuto's eyes, Risty can't help but scream.

「Koke, Nho. O, kokekon Hooooooooo」

Her consciousness faces away, Risty felt happiness from the pleasure in her body, she can't do anything but thank.

◆ ◆ ◆

「…Even if I don't think about it, I would die if someone other than Yuuto saw me」

Sayint that, Yuuto turned the glass on her bashfully.

'That's not true', Yuuto replied with a wry smile.

「No, sorry about that Yuuto. You have to match with my strange hobby」

「I don't mind. Even I love seeing this indecent captain」

Risty's cheeks blushed instantly seeing Yuuto smile. It's hard to understand since she's brown but Risty can't look at Yuuto's smiling face directly.

(For some reason, my body feels flushed more than before. …Is that the cause?)

Risty frowned at the idea without showing it on her face. The darkness fall by Nekyuara. Did it influence to strengthen lust more than before?

Not just her lust, Risty is also perplexed as her battle lust also got stronger too. Yet in

spite of that, she can move better than the time she was suppressed. w

Not minding if a good face comes out, Risty paid attention to Yuuto that's looking at the plug.

「Ah, that's right. How was this plug? It's well done. It was made with light materials」

It seems he wants to hear the impressions of the new toy. However, Risty described her honest impressions.

「N, I do like if it's heavier. I hardly felt it enter. You might as well adjust it's weight」

「Ah, Is that so?」

She said that heavier is better. Yuuto watched the plug interestingly. Naturally, Yuuto thought that a lighter one is preferable but an amateur's idea is unreliable as expected.

Not knowing how heavy it should be, Yuuto decided to take Risty's idea obediently.

He recycled the previous structure of the experimental blade's weight adjustment and put it into the plug. Was it better if it was metallic? It's possible to be relatively easy to go in.

「Okay. I made it possible to control the weight. Just adjust the dial in the bottom」

「Oh, thanks. …Houhou. It's convenient as usual」

Risty stared at the bottom of the plug that Yuuto handed. Risty fiddled the dial and she applied it to her anus when she was satisfied. Did she like it? It seems that she intends to put it in for the whole day.

「The characters on my stomach and on my back needs another week. You have duties next week right? Well, please remember seeing that character」

「Fufu, good grief. I'm going to meet the royalty of another country with this figure? … I feel slightly aroused」

Risty wet her lips in excitement, Yuuto turned back smiling.

Speaking of Asuka, the heroes are much more perverted than expected, but there's also a lot of stress. 'Will there be a reaction?', Yuuto stood up

「Of course, the castle too?」「1.もちろんお城でもですよ？」

Yuuto smiles, Risty squirmed her body shyly.

◆　◆　◆

「Seriously amazing—. Captain, what does this mean?」

「Hii, T-this is you see…」

Risty looked at her surrounding subordinates. A crowd was formed around Risty.

『Ah, of course, please put the stomach and back on a live show』

Yuuto said that, she tried to visit the castle with her usual light clothing. For some reason, Risty has been surrounded by her subordinates.

The number of people is more than ten, they stare at her stomach and her back. Risty's head is filled with shame.

(I-I can't say. I'll never say that it's『Pervert』and『Mate wanted』)

Having her vision spinning around, Risty was able to speak somehow.

「…I-It means s-stongest. …Maybe

The surrounding men stopped after hearing Risty's mutter. Then, it boiled up the next moment.

「A-amaziiiiing! As expected of captain!! I should take notes!!」

「This is some sort of magic?」

「Always wearing strength. What faith」

The surroundings were noisy arbitrarily. Risty turned her back wanting to run away faster.

「Then that means captain, this character on the back too!?」

「What does it mean, captain!?」

The escaping Risty stopped her body. *Gigigigi*, Risty turned around awkwardly.

「T-this is. That. …I-It means my own loyalty…I guess」

Desperation. The shame is storming, Risty voice is trembling.

「C-coooooooool!!」

「As expected of Captaiiiiin!!」

「I must take notes」

The members rise again from the explanation. Risty murmured 'help' from the members that are still heating up.

◆ ◆ ◆

Several days later.

「Look at this. Two characters of『t変態』in my armor」1

「Amazing. Aren't you already the strongest?」

They raised noise at the barracks of the imperial guards. The members show their armor at each other.

「I have my helmet decorated with『変態』Looking at this, even the demon king would

run away」

The young man pointed at his head proudly. In front of his red helmet are two characters of『変態』shining.

「Me too. Well, my『交尾相手募集中』’s2 mantle reaches my feet」

A tall man displayed the mantle on his back. The surroundings says ‘wonderful’ on the characters written on his hero mantle.

「Fufufu. Naïve naïve. You’re being naïve!!」

A duo barged in grinning on the noisy group.

「Look at it! My loyalty is written on my body!!」

Taking of his jacket, the bearded man put force in his back. Seeing that appearance, all of them sent awe to him.

「Carving it on the body directly. …Kuh, I’ll do it next week」

The mantle man envied the man with pervert written on his back. Then, the pervert man looked at his neighbor bearded man.

「Hou. So it’s the back? …Fufu, be impressed at my right arm」

Fufufu, the man raised his right arm. What’s written there is the character of『交尾相手募集中』

「Unu. What a wonderful carving」

「As expected, compromise isn’t permitted if you carry this word」

The men gathered on the bearded man. ‘Which store?’ they asked. The man said the name of the store.

「Ooo, that store!? Okay, I’m going there today」

「Guahahaha. Don’t be filled with brim. This『変態』troops will be superior!!」

Ooooooooo!! The dudes raised a roar.

Thus, the strongest men of Trisulia was born here.

Supplement: an anal plug Yuuto made for Risty. Metallic, the surface never sticks to the mucous membrane, it’s suitable for long time use. The weight adjustment was added per Risty’s request. By turning the bottom dial, the weight can be adjusted from 5gram to 1000 kilograms.

For some reason it ignores the law of conservation of mass, it was a treasure tool that was made on a whim. Did Risty like it? She used it daily.

Chapter 7: The strongest are burdened (2)

「Fuaa. …What's going on this early in the morning?」

The cool wind drifts through weekday mornings, Yuuto called out to someone onthe corner of the garden while rubbing his drowsy eyes.

「Fuu! Fuu! Ah, Yuuto. Morning」

Asuka turned around to Yuuto while wiping her sweat. Her face was filled with freshness.

An imitation sword on her right hand. Indeed it was a sword that Asuka asked Yuuto to make for practice. It's heavy but there's no sharpness.

「…What are you doing?」

「You can't tell from looking? I'm training」

Taking a breather, Asuka took the glass that's put on the top of the table in the garden. Drinking the water, Asuka gripped her sword again.

「Why again? …Is there a meaning?」

'Sorry to interrupt you getting fired up', Yuuto asked Asuka curiously. Asuka's physical strength is already amplified by Yuuto's treasure tool. The sword training doesn't seem to have meaning anymore.

「What are you talking about. Certainly, your treasure tools are amazing but I myself holds the sword. Even the scarlet sword won't have a meaning if it didn't hit」

Asuka continued to swing the heavy sword without extending the treasure tool. It's different from kendo's practice swinging but the movement is practical.

Guessing from Asuka's mental state, Yuuto didn't pry further.

Recently it was Risty. Asuka's sword skill didn't even graze Risty. Yuuto thought it can't be helped as an opponent is an opponent, Asuka seems to be thinking something else. 'With that said, during this past month, I feel that I've heard Asuka's shout from the garden.' Yuuto's life is basically self-indulgence, but he gets up early from time to time.

「…Well, please don't overstrain yourself」

「Unn. Call me when breakfast is ready」

Yuuto went to the dining area as Asuka directs a backward glance while training hard.

◆ ◆ ◆

「Ah, Yuuto-sama. Good morning」

「Un, Morning. Sasha is early too」

When Yuuto arrived at the kitchen, Sasha greeted him as she was surprised lightly. It's

because Yuuto doesn’t get up early. Yuuto sits on the chair and looks a the dining.

「…Does Asuka-sama do that thing every morning?」

Yuuto muttered while spreading the newspaper Sasha put on the table. Though Sasha is preparing breakfast, she replied without stopping her work.

「Yes, recently she does. …Yuuto-sama does not do those things?」

While expanding the bacon on the frying pan, Sasha divided the egg with one hand. The sound of oil bouncing was heard, Yuuto’s belly grumbled.

「I, don’t do that kind of physical training. I move my head without scratching the sweat in front of the desk. 」

‘Is it bacon and eggs this morning?’, Yuuto turned the page. Though Sasha’s bacon and egss are good, Yuuto is fond of it being a bit burned.

「Oh. There are various types of heroes too」

While combining the bacon and fried egg, Sasha measured the burn with her eyes. For Sasha, Yuuto and Asuka are cloudlike existence. She also doesn’t have doubts about Yuuto’s training method.

「Asuka-sama too, she doesn’t particularly need to do that …Really」

Yuuto scratched his head as he imagined Asuka sweating very hard. ‘Oh, I can only blame myself’, Yuuto gritted his molars.

Still, Asuka of the Scarlet Sky arnament is specially made. Though Yuuto is already accustomed in his own ability, he hadn’t made a treasure tool beyond that. The reason doesn’t come up to him, Yuuto listened to Asuka’s shout while making a difficult face.

「…Why does she work that hard?」

‘I feel like I don’t understand something’, Yuuto dropped the newspaper.

◆　◆　◆

「Waa, It’s Asuka—」

「Asuka-samaa」

「Please shake hands with me!」

Yuuto watched Asuka being surrounded by the crowd.

「Thank you everyone—」

Asuka wearing the armor, sprinkle her smile over the townspeople. Asuka showed a gentle smile on the children gathering.

Asuka is a popular figure in the town. Unlike other one-digit heroes, Yuuto thinks that there are a lot of popular actions.

The town daughter in the sweet shops of the castle town also lined up in the procession. She nursed Yuuto when he got drunk in the bar. The people's eyes doesn't mind the fashion of the theater and they just wail.

That's right, she's intimate with the townspeople which is unexpected of heroes. The other day she even helped the farmers in the neighborhood harvest.

Checking the big clock on the Trishulia's castle, Yuuto looked back at Asuka. After this, they have to attend the regular meeting of the imperial guards today.

「Asuka-sama, we'll be late」

「Sorrry. Everyone, see you later—」

The children were clasping Asuka's hand, and looked back apologetically at Yuuto. Yuuto walked ahead saying that there's no need to apologize.

「…It seems that you've become a hero don't you?」

「Eh? I-Is that sooo? …Well. This and that are all thanks to you」

'Ahahaha', Asuka smiled wryly. However, Yuuto denied it in his mind.

(It's not)

Yuuto wants to say that to Asuka.

Hero. Yuuto thought that he won't be a real hero.

Therefore, a girl like Asuka. The arms can be worn surely.

「Should we eat the cake after the meeting ends?」

「Eh? Really!? Yuuto's treat!?」

Asuka's eye sparkled hearing Yuuto's mutter. No, Yuuto wants to take back the word 'treat' from Asuka but seeing her expression, he stopped.

「You see. There are really delicious shops at east. Let's buy also for Sasha when we return」

Yuuto answered 'Yes Yes', on the Asuka's cheerful voice.

Peaceful time.

Feeling it on his skin, Yuuto looked at his right hand.

「…Hero, it is?」

Yuutu's murmur was washed away by the town's hustle.

◆ ◆ ◆

「Oo, Yuuto-dono. Please look at my mantle」

「Asuka-sama, do you know the meaning of the two characters engraved on my chest?」

「What about Yuuto-dono? I'll show you a good store」

When Yuuto went inside the barracks, he opened his mouth like a fish.

「Fumuu. This two characters『変態』. Does Yuuto-dono know it?」

Showing a triumphant face, the redhead swordsman showed off his breastplate. What's there is a strangely well drawn kanji of『変態』drawn in it.

「Waa— Cool—」

Asuka touched the swordsman breastplate recklessly. Yuuto stared at the proud swordsman with wide eyes.

Looking around, almost everyone are full of『変態』and『交尾相手募集中』.

If I can't run away. As quickly as possible. Thinking that, Yuuto remember the coldness of the character.

「Okay, we're going to start the regular meeting」

Then, a familiar voice was heard. Yuuto rushed into Risty who's holding documents on one hand.

「Captain!! What does this mean?」

「…N, What's wrong Yuuto? Doing it in front of others. Let's do those things in the night」

「Gaaaa!! It's not the time to talk about that!! This, Thiiiis!?」

Yuuto showed to the blushing Risty the situation of the barracks. Seeing that, Risty looked around curiously and speak.

「Yuuto, what are you saying…!?」

Risty opened her eyes wide. The members have assembled in Risty.

「Oh, Captain. Please look at this, our brave figure」

「How's it? This unity. Isn't it wonderful?」

「We thought of making this the flag's figure. Please look at it」

Saying that, a tall man handed over a spear. The pattern printed on the large flag are two characters of『変態』like it's natural.

「We were impressed by Captain Risty.」

「We are the『変態』corps We want to be alongside our『変態』captain from now on」

The members talking passionately, Risty's legs trembled. Of course, those characters are still left on Risty's back and stomach.

「…What does this mean, Captain?」

「Haha. Hahaha. Like hell I know. …Hahaha. I, the imperial guards are. Princess too… Hahaha」

Risty laughs powerlessly, Yuuto was unable to speak out further.

「Hey, Yuuto. Please write it on my armor too—」

Asuka who doesn’t know the circumstances pulled Yuuto’s sleeve.

Chapter 8: A new female hero (1)

「…I don’t feel convinced」

Trishulia castle. Seeing the certificate being received from the windowm Yuuto spoke while frowning.

The hero services certification.

Yuuto-sama.

Praising your achievements we shall give you points.

「Even it’s called point it doesn’t make sense…」

Yuuto’s eyes stare at the certificate’s sentence.

We will raise your ranking.

886th→878th

「T-this is too small…」

Yuuto shakes his shoulder, Asuka is lying down laughing. Unable to endure it, she beats Yuuto’s shoulders.

「Hi, Hihihi. Isn’t that good? Y-You don’t want to stand out right? …Pukuku」

Tears accumulate on the corner of Asuka’s eye, Yuuto squinted his eyes.

Certainly, just like Asuka said, Yuuto doesn’t care about the ranking. However, even that said, Yuuto wants to gain something as a fruit of the life and death struggle he had.

「Well, it was a combination of captain Risty and me. It was reported on the society that it was captain Risty that subjugated but it would’ve been better if it got a bit higher」

「Eee—. Did captain Risty manage to do it? If I didn’t go up at least I want her to drop lower」

While seeing Yuuto complain, Asuka breathed out while grinning. Though it’s said that Risty reported to the higher-ups, the points are a different story.

(This time, I’ll do something on captain)

Swearing in his mind, Yuuto put away the certificate on his pocket.

「Oo, what’s wrong everyone? …Ah, certificate? How was it?」

They’re going back after their business finished, Yuuto’s ears jumped hearing a familiar voice.

Turning around, the brown colored blonde haired commander raises her right hand while walking.

The character ‘Pervert’ was written on her stomach, Yuuto vomited a thin sigh.

「There’s nothing going on. Far from waste of time, the country was close to risk1 Despite that, I’m like a volunteer worker」

Risty guessed the circumstances from Yuuto’s sulking face. She approached the two people apologetically.

「Sorry about that, It’s my fault. …In exchange, I don’t mind you doing as you like with me」

Risty brought her lips close to Yuuto’s ear. Startled, Yuuto’s face blushed, Asuka draw her scarlet sword.

The dog collar disappeared and a scarlet sword appeared on Asuka’s right hand.

「Can you get away?」

「Oi Oi, that’s dangerous. Everyone’s looking, take it away, take it away」

Asuka looked around the surroundings hearing Risty. Certainly, the people in the castle are surprised at the trio.

The one digit hero rank. Asuka of the same corps points her sword on captain Risty. It’s strange if they don’t mind it.

「S-sorry」

Noticing the glances too late, Asuka puts away her scarlet sword in panic. Risty scratched her head to the shameful Asuka.

「…You, whenever it comes to Yuuto」

「It’s not!! You’re just abusing your authority!!」

Risty folded her arms in front of the blushing angry Asuka. Since Risty doesn’t understand love affairs at all, this kind of things makes her tilt her head.

「Oh, Isn’t that Risty?」

The moment Risty tilted her head there was a voice from her back. Hearing the polite voice, Risty turned back.

「Hm, Oh! Thunderbolt and Ruby. on your way back from subjugation?」

Risty raised her right hand with a smile on the two figures. Hearing the name from Risty’s mouth, Asuka’s eyes was surprised.

「Yes. I was having some expectations as it was an A-rank request but it turned out that the opponent isn’t that much. It was enough with Ruby alone」

The two people’s left side.2 Is a blonde girl that speaks proudly. She’s carrying a bow on her shoulder perhaps. Still, that’s a huge trophy. But, aside from the appearance and characteristic of the weapon, Yuuto had his eyes surprised.

Blonde ponytail. She's small but not to Risty's extent.

That's okay there. The problem is the cover that exists in her face.

(…E-eyemask?)

The mask was made of leather, it covers from her nose above. There's no design on which you can peep from the gap. With that, you shouldn't be able to see anything, Yuuto stared at the girl named Thunderbolt.

「Is that so? Well, if it's the two of you then it probably is. …Then, I'm going back to work, so」

Risty sent a fleeting glance at Yuuto. Risty bowed and left smiling, Yuuto noticed that Asuka is trembling on the side.

「Asuka-sama?」

Yuuto watched the two in front of me as Asuka is frozen solid. Not just Thunderbolt, Yuuto knows at glancer that the woman called Rubi isn't a normal person either.

「…Oh?」

Then, the eyes of Thunderbolt caught Asuka over the mask. Her glance moved even though she shouldn't be able to see, Yuuto and Asuka had their heartbeats jump.

Thunderbolt walked directly towards Asuka. Asuka had her vision look down then Thunderbolt opened her mouth unnaturally.

「Eeh, it's you…the recently rumored prodigy rookie, Asuka-san?」

「Fue!? Ah, yes. It is, I think」

Asuka nodded to the words without understanding as Thunderbolt appraise her while folding her arms.

Yuuto watched the state in silence.

「Fuun. Certainly, what was it? I'm not interested so I fail to remember. …Ah, that's right. Hero ranking. 9th place, isn't that great? Well, I'm not interested though」

「T-thank you very much.」

Thunderbolt beats the floor while walking on tip toe, Asuka forced herself to smile as she's at loss.

Looking around, the spectators gathered noisily. It seems that these two are famous.

「Oi, It's thunderbolt-san agaain」

「Poor Asuka-san」

Yuuto heard the spectators murmurs. Feeling the bad omen, Yuuto shifted his attention on the woman in front of Asuka.

Though you can't see her face with the eyemask, you can see her mouth opening while she fold her arms. She's feeling hostile, it's quite a troublesome thing.

「Fufu, you admitted it yourself. Prodigy Rookie, aren't you quite confident?」

「Ah, no. T-that's not…I still have a long way to go」

Asuka speaks ambigously as she was confused to the snickering Thunderbolt. It's a very unpleasant atmosphere.

But, Thunderbolt kept on speaking without minding Yuuto's glance.

「If it's me, I won't tell that you're weak. Then, isn't that rude to the people who overtook up until now?」

「Eh? No, t-that's not my intention」

Seeing Asuka's shoulder dropping, Yuuto's eyebrow came into the center.

That time. Coming out to the rescue, Ruby, standing to next to Thunderbolt, opened her mouth.

「Ahahaa, forgive her. This girl lost her one digit rank when you surpassed her so she looks at you like you're an enemy」

She laughed in a lively voice. Yuuto looked at he source of the voice in surprise.

He thought earlier that the height isn't a question. Ruby's height may exceed two meters, Yuuto did nothing but open his mouth.

Not just her back, her breast, ass and thighs are also big. Yuuto saw for the first time a breast bigger than Sasha's.

Thunderbolt spoke angrily on the lively image of Ruby.

「Shut up Ruby. I am not such a narrow minded woman」

「Hahahaha, got it, got it. I'll hear your complains in the bar. You look disgraceful in front of your junior」

Ruby hit Thunderbolt's back violently. Thunderbolt scowled on Ruby angrily as she sway. No, since there's an eye mask, it's not seen.

Yuuto hardened his body to that body of Ruby.

Her clothes is like a pareo bikini twining around like a decoration. The exposure is too high that men would be happy but her tall build and breasts are above unbelievable so Yuuto's eyes jumped.

(No way…?)

Ruby the Giant. Has magic seal in every corner. Even it's not activated, it can be seen faintly. Just how many it is? Counting the number of the magic seal in her turned silly, it's invisible on Ruby's white skin.

Just carving one is risky. For it to be that many.

While Yuuto is surprised at Ruby's body, Thunderbolt laugh while facing Asuka.

「Well, let's get along from now on. One digit hero-san」

「Ah, yes. Same here」

Saying that, Thunderbolt turned back. Soon, Thunderbolt pitched forward while being burdened by the bow on her back.

「…Don't make light of it. Hero ranking isn't something that a small girl like you should climb」

Surely something happened to Thunderbolt along the way, Yuuto curiously opened his eyes wondering what happened.

Before sticking to the dashing Thunderbolt, Ruby raised both her hands and apologized.

「Sorry. She's not a bad girl. Try to get along with her」

「Ruby! Let's go already!」

To Ruby's tall bowing figure, Yuuto really had his sweat dripping down.

Asuka had a confused expression, Yuuto shifted his attention.

Remembering that her back had lost, Asuka opened her mouth3

「Err, that's the Tenth rank『Certain Hit』Thunderbolt-san and rank 6th, Ruby-san, I think…」

Hearing Asuka's mutter, Yuuto smiled wryly knowing that Ruby's in higher rank.

The hero ranks is filled with perverts and troublesome people.

「…W-what should I do? I'm disliked」

Seeing the scared Asuka, Yuuto scratched his head thinking what's wrong.

Chapter 9: A new female hero (2)

「Thunderbolt-san?」

At a later date, Yuuto was worried about yesterday as he visit the imperial guards office.

Yuuto asked vice captain Marx while he's wearing a mantle with『交尾相手募集中』written on it.

「That's right. What's with that person?」

Yuuto knows that it's a troublesome person. Sure enough, Marx answer was a bit vague.

「Uun, what should I say? She's the tenth rank in the hero rankings『Certain Hit』Thunderbolt That's her nickname」

Hearing Marx words, Yuuto remember yesterday's spoils of Thunderbolt. It felt so huge but it's a bow by all odds.

「I see,『Certain Hit』is it?」

There's no better title for a bow user than that. But, that's not what he want to hear right now.

Does Marx know it? He hesitates to open his lips.

「She, in a nutshell hates the figure of one Hero」

「Hate?」

Yuuto asked Marx. Though he already knows it from the findings, it's still a former one-digit hero. 'What do you mean?', Yuuto looked at Marx again.

「That's what it means. She earns points in unfair ways, she steal other's achievements, the dark rumors about her don't stop」

「Oh, I see」

There were people around whispering. It seems that she doesn't mind it but she doesn't intend to deny it.

「Her ability is certain. But, it also helps her character1 …Actually, the voice of discontent raised when she was appointed with an Alias」

「Well, it's likely」

Hero ranking. Although it's a magnificent system that the country is proud of, as long as there's the point system, there would be suspicions in some ways.

That said, Yuuto isn't someone to say anything about that. Until now, Yuuto's evaluation is an ally of Asuka that takes over her leftovers.

「Well, you can't easily raise your hero rank by being a fraud. But, still, there are people

doubting her evaluation. …or rather, why are we talking about Thunderbolt-san?」

「No, you see. I met her by chance」

Somehow, Yuuto has seen her. In short, she's teasing the newbie.

According to Ruby's words and the behavior of the person herself, Thunderbolt seems to not like Asuka.

He expected that there's some envy as Asuka has jumped to the high ranker but it's unexpected that this would happen.

「A narrow minded hero, good grief」

A huge long bow and an eyemask. Recalling the unique equipment of the female hero, Yuuto had applied his finger against his temple asking what to to.

If it's said that there's no problem then there shouldn't be but he's a worrisome person. When he heard the story, he's uncertain of what harassment would come.

「I should do something about it」

Since he had learned a lesson from Risty, Yuuto tightly flicked the newspaper.

There's the truth or error of the rumors but her ability seems to be the real deal.

Though it might be a good match, but Yuuto right now has no confidence of going into trouble with a former one-digit.

After all, she's a bow user. He'd be pierced if he was noticed. He must avoid having to fight directly.

He was dubious when he tried to threaten Risty but 'let's grasp her weakness for the time being', Yuuto raised his heavy hips.

「For the time being, should we see what's under the mask. 」

It's certain if he can get hold of the evidence of rumors. What kind of dust would come out? Yuuto clasp his right hand.

◆ ◆ ◆

『Thunderbolt? Oh, she's basically inside the castle. After all, lookout is her main duty』

With the information he got from Risty a while ago, Yuuto quietly sneaked in the interior of the Trishulia castle.

Lookout of the castle. Her work seems to be an archer.2 She's still a powerful person to be entrusted with that work.

For the time being, it's better to take care. He confirmed the treasure tool on his head.

Yuuto advanced.

Though Yuuto is a member of imperial guards and he can stroll in the castle freely to

some degree, there are exceptions.

There’s only one destination.

The men’s forbidden garden.

In short, the women’s bathroom.

「I want to try it once. Assaulting the women’s bath」

His cheeks loosened unintentionally at such time.

Bathing is usually done once a week in this world but it’s different in Trishulia castle. The large public bath can be used by people with limited status, it exists on the first floor of the castle.

Yuuto has gone to the men’s bath before but it’s his first time setting foot on the women’s bath.

「Well, this can’t be helped. After all, It’s Thunderbolt-san is in the bath. It can’t be helped」

‘Iyaa, I’m troubled’, Yuuto had a big smile while stepping in the bathroom.

Of course, he has equipped the『Hidden clown』in his head. He just felt like sneaking around.

「Should I see her skin incidentally with her real face」

Yuuto endured laughing and passed under the entrance of the bathroom. He doesn’t need to suppress his voice but this is just for the mood.

The bath steam rolls in and Yuuto looked around to check.

According to Risty, Thunderbolt seems to be enjoying bath at this time of the day. It’s said that she’s always alone in this time.

Well, there’s no one that would enter the bath with someone who hates heroes.

It’s a very convenient custom. Yuuto listened to the splashing sound while grinning.

「Oh… oo」

On the direction of the sound, a long blonde hair and great ass jumps into Yuuto’s eyes. Yuuto’s breath leaked out unintentionally as the hot water from the bucket runs through Thunderbolt’s back.

(Ah, shit…)

His crotch rises3 Yuuto has thought that he’s been doing something unexpected this late.

Thunderbolt that was taking a breath after the hot water was poured has stood up.

Slender, yet the body has a slightly firm muscle.

Seeing Thunderbolt's beautiful limbs, Yuuto gulped down.

Though Yuuto has experience with women, it's different from the arousal in bed, Yuuto was embarrassed with the steam attacking.4

「…Fumu」

Thunderbolt muttered a word and she turned her body towards Yuuto. He was surprised for a moment but Yuuto grasped the『Hiding clown』in his hand and calmed himself

「Uwa」

Yuuto raised a cry after he see Thunderbolt putting her hand on her waist.

Her chest is good just like her ass. It's not a big breast but it can't be called small either. It can be wrapped with a palm, a just right size.

The pink nipples stands ahead, Yuuto had his throat dry up.

Looking at this way, her beauty is like a doll. It's different from Asuka's healthy white skin, it's beauty is like an artwork from somewhere.

Then, Yuuto turned his feelings other than excitement to Thunderbolt.

(This person also wears an eyemask in the bath?)

Yuuto sends a surprised glance to Thunderbolt. Despite the top of her head being wet, Thunderbolt's eyes still looks covered.

'What does this mean?', Yuuto looks at Thunderbolt seriously.

When he looked closely, it's quite a beautiful face. Even her nose and mouth, it tells that she's really beautiful.

'Fumu', putting his hand in his chin, Yuuto's eyes fell onto Thunderbolt's chest. The shape of the nipples is good too. It's a outrageous body, Yuuto groaned unconsciously.

Then, Thunderbolt spoke in a tired way towards the staring Yuuto.

「…Then? What do you need from me? Hentai-san」

A cold voice resounds in the bath.

「Eh?」

Naturally, Yuuto raised a stupid voice and the sound dissolved along with the sound of dripping water.

Chapter 10: A new female hero (3)

『…Then? What do you need from me? Hentai-san』

Thunderbolt's voice echoed inside Yuuto's head.

Understanding the meaning of those words, Yuuto tilted his head.

Gripping the shuttlecock of the hat on his head, he confirmed that it's certainly working.

『Hiding Clown』 It's Yuuto's trump card that even Risty passed.

Yuuto looked behind, asking who she's talking to. He didn't notice, Is there anyone aside from himself?

Yuuto's having such thoughts, but there's no one in front of his eyes.

Yuuto tilted his head again and Thunderbolt opened her mouth like she's genuinely amazed.

「I'm talking to you. You. Using such tool to sneak in」

That moment, Yuuto's heart jumped up. He thought that there's no way it could be but Thunderbolt's face looks straight at Yuuto over the eyemask.

Yuuto felt his throat dry up as Thunderbolt sent her fore finger on his nose.

「You're found out already. Not having the resolution to show up, you're disgraceful. 」

Thunderbolt's limbs doesn't hide anything, Yuuto finally realized his defeat. Yuuto released the『Hidden clown』to calm down his quick pulse.

「Oh, You're. If I'm not mistaken, you're next to Asuka-san…」

Thunderbolt opened her mouth as she was surprised to Yuuto that appeared. Hearing that words, Yuuto bit his molar. It seems that she wasn't able to grasp who he is.

But, Yuuto having such state of mind, Thunderbolt declared blankly.

「Correct. If you want to run away, your heart would stop」

Hearing Thunderbolt's cold-hearted voice, Yuuto was 'Right', as he sweat. There's no more room for excuses.

However, it's not like there's no impatience running through Yuuto's back.

After all, he relaxed his guard when equipped with『Hiding clown』so he's not wearing a defensive treasure tool.

Even there's the rumors, Thunderbolt is still a rank 10 hero. If he show's a strange behavior, his heart would stop beating even before he can equip a treasure tool.

He'd try not to stimulate Thunderbolt as much as possible, Yuuto raised both his hands

showing that he's surrendering.

「Uhm…I'm not a suspicious person」

「Is entering ladies' bath secretly using a treasure tool not suspicious?」

Taking drastic measures. Yuuto's panicking with his teary eyes. He desperately shook his head as it's necessary to not make a mistake here.

For the time being, it must be shown that he's not hostile, Yuuto raised his voice towards Thunderbolt.

「S-sorry! Uhm, you see…」

「Why are you peeping during my bath? Speak honestly, but choose your words wisely」

Thunderbolt's tone shows consent, Yuuto's word was stopped. Yuuto who's opening his mouth desperately, must choose his words.

「Actually, that…I want to see Thunderbolt-san…I want to see your naked skin!」

「…What?」

Thunderbolt instinctively asked back after hearing Yuuto's trembling teary voice.

Those words unintentionally leaked out of his mouth, half of it was his honest feelings, Thunderbolt looked at Yuuto in a surprised manner as she told that he shouldn't lie.

「Do you really wanted to see me naked?」

「Uu, sorry. Since I was confident on erasing my presence, I thought I won't be found out」

'Please forgive me', Yuuto said, Thunderbolt lowered her hand. He feels relieved as she lower her finger, Yuuto sent an upward glance to Thunderbolt.

While his eyes are teary and his tone is out of order, Thunderbolt sends a serious line of sight to Yuuto.

「Well. Certainly, I recognize your stealth ability. …But, make a better lie. Even if my skin is seen, it can't be helped」

「Eh, What?」

Hearing Thunderbolt, Yuuto tilted his head. Yuuto's eyes really look innocent that Thunderbolt was dumbfounded for a moment.

Yuuto continued speaking at that interval.

「Thunderbolt-san is beautiful. Your skin is…sexy」

Saying that, Yuuto removed his glance from Thunderbolt shyly. Though it's forgotten from the sudden development, Thunderbolt is still naked.

The muscle and fat have a beautiful ratio, Yuuto basfully glanced at Thunderbolt's body.

Fair skin. Golden bush. The well shaped chest has a point ahead. Thunderbolt noticing the glance of Yuuto, that's when she first looked at her body.

「Ah. …W-wait!?」

In order to intercept the intruder, she's in attack mode. Thunderbolt was attacked by the shame of her skin being seen by a man she just met.

「N-no~ What are you looking at!」

Suddenly, she hid her chest and bush with her arm. Seeing that appearance, Yuuto thought that it's rude and faced the other way.

Perceiving the rise on Yuuto's crotch, Thunderbolt was dyed red. Though she doesn't believe all of Yuuto's testimonies but it seems that this man in front of her is really a lecher.

「…You, aren't you Asuka's henchman? Speak honestly. Were you asked by Asuka-san to grasp my weakness」

Yuuto's heart rang to the guess of Thunderbolt. As expected, even she's corrupt, she still has an alias. Unable to keep secrets, Yuuto bowed to Thunderbolt.

It would be a problem if he would be misunderstood.

「This isn't Asuka-sama's order. It's my own decision. I'm deeply sorry」

Yuuto bowed deeply and Thunderbolt was able to guess the gist of situatiuon. Since she was the one who started to stir up Asuka, Thunderbolt stopped her words.

But though he's perverted, he has wonderful loyalty. The one who holds the name『Certain Hit』does covert actions. Even if killed, there won't be any complaints.

Glaring at Yuuto's body, Thunderbolt folded her arms in interest.

「Are you and Asuka-san in a romantic relationship?」

A sudden question. Yuuto looked up as he doesn't know what it means, Thunderbolt's glance was serious, Yuuto opened his mouth indecisively.

「Romantic or lordship?」

「Relationship between a man and a woman?」

Hearing Yuuto's evasive words, Thunderbolt chased. Then, Yuuto nodded. It's not lovers but it's true that they have physical relationship.

Thunderbolt's cheeks raised from Yuuto's nod./ Yuuto's back trembled as Thunderbolt had her smile floating.

◆ ◆ ◆

「Hora, you don't have to endure it, just release it and it'll be easy」

Yuuto's groin is wrapped up by the the rustling feeling. The soft white finger is tracing

his slimy penis.

「Uhm…Thunderbolt-san?」

In the middle of the ladies' bath, Yuuto frowned in an embarrased way.

「Oh? You're quite persistent」

A little surprised, he looked at the hourglass thunderbolt placed aside. The fallen sand hadn't reached half yet. Thunderbolt's finger moved bit by bit, Yuuto endured his voice.

That said, Yuuto has experience with Sasha and risty. He can't cum that easy.

「Fufu, enduring my attack. Asuka-san is quite good」

Though she hides her eyes under the mask so he won't understand her, Yuuto was like 'What's up with that' on the smiling Thunderbolt as he scratched his cheek.

Thunderbolt's hand skill is awkward even though it feels good. It's like that she's trying to practice the knowledge she learned from the book for the first time.

「Feel honored. This me, the former one digit hero『Certain Hit』Thunderbolt is inviting you in pleasure this way

「Haa. Thank you very much」

Yuuto's answer was tepid, Thunderbolt was laughing 'Fufufu'

Why does this person is so proud? Yuuto asked in his mind while tilting his head.

『If you endure my attack until the hourglass drops, I'll forgive you』

Saying that, Thunderbolt proudly declared five minutes ago. Not knowing whatever, Yuuto exposed his lower half in the ladies' bath.

But, he can't be defeated in this match. Yuuto continues to recall Thunderbolt's words five minutes ago.

『On the contrary, if you came. You will be mine』

She declared the conditions filled with confidence so Yuuto is bracing himself. Though the proposal is attractive at glance, he can't receive the conditions. Because——

「Fufu. Asuka-san's frustrated voice is floating in my eyes. …You hear? You'll say this in front of Asuka-san. Thunderbolt-san that's much more charming that Asuka-sama, I have fallen for her…right?」

While muttering such a thing, Thunderbolt is stroking Yuuto's penis wholeheartedly. Does she not know how to adjust her power? Yuuto exhales as he felt slight pain from the friction.

'If it's like this then it should be fine' In front of Yuuto that thinks that, Thunderbold was just smiling earnestly.

◆ ◆ ◆

After 15 minutes, the sand of the clock has completely fallen, Thunderbolt looked at it completely stunned.

「W-why…even though I did it properly」

Thunderbolt feels flustered and Yuuto scratched his head asking 'what's with her?'

In the end, it turned painful and it withered. After the time has passed half, thunderbolt has began to make efforts even though it turned like that. Thanks to that, it's still painful but, a match is a match, he doesn't have the obligation to point it out.

But, Yuuto decides on how should he call out the down hearted Thunderbolt.

「Uhm…I'm going back then. …Is that okay?」

'Let's return before Thunderbolt change her mind.' Yuuto had such thoughts but thunderbolt was just trembling and trembling without answering so he didn't move instead. Staying silent, he doesn't know what to do.

「…ir」

「Eh?」

Thunderbolt muttered something. Yuuto instinctively answered as he didn't catch it, Thunderbolt raised her voice.

「Unfair! Unfaiiir! Even though it's my first time!」

「Eeee!? Was that your first time!?」

Yuuto had his eyes open wide hearing Thunderbolt's shout. He thought that she was unskilled but he never thought that it was her first time.

「T-T-T-T-That's not it! I-It's the first time I handled such an insensitive man like you, that's what I'm saying!」

Though Thunderbolt denies it in a hurry, it was already too late. Looking at her like a pitiful person, Yuuto stared at Thunderbolt's body.

Although the atmosphere and the mood is already gone, Thunderbolt's body is still charming. Yuuto thinks that her beauty is regrettable, he sighed. Risty is fine but are all high rank heroes like this?

「Wait! What's with that face!?」

Thunderbolt lifts her eyebrows while complaining loudly, Yuuto frowned. Though it's interesting as she glosses it over but she seems to be a tiring partner.

'Let's obediently flee and end this here', Yuuto opened his mouth. At that time., Thunderbolt's face is dyed red and it says that it's not done yet.

「It's your turn next! I-If you make me cum, I'll forgive you!」

Thunderbolt doesn't even know what she's saying because she's agitated, Yuuto's lips has stopped.

If you said that, then there’s no reason to retreat.

Chapter 11: A new female hero (4)

「N…Ah, ah. nn」

While hugging the trembling body of Thunderbolt from behind, Yuuto breathed out to calm his pulse.

He gently picked the point that was hard between the forefinger and thumb from both hands.

「Hin. Ah, Ah…fugu」

Thunderbolt raise a lovely voice every time he moves his finger, Yuuto frowned as he's troubled.

He shifted the movement and rubbing of his hand from the chest to the nipples.

「Oh, Ah. N, Nuuu~」

While his finger had been filled with the soft feeling of her white skin, though it can't be called big, Thunderbolt certainly holds a feminine body line as her chest fills his hand.

Though he can't confirm because of the eyemask, Thunderbolt's state has her mouth left half-open.

Love nectar is dripping from her crotch, Yuuto asked what's wrong

「Thunderbolt-san? …You came, right?」

「I-I didn't. NNn. I didn't cum. …Hiu」

Thunderbolt's condition of her body is shaking since a while ago. Even Yuuto, was perplexed as he didn't expect that she'd cum from just having her breast rubbed.

『Well, in your case, you can't make me raise my voice』

She boasted few minutes ago. Thunderbolt's body is already done even before it was touched.

Was she not used to being seen? When Yuuto hugged her from behind the tip of her chest became erect, he didn't do anything in particular yet her ears reddened and her body jumped up.

To test it, Yuuto reached for Thunderbolt's abdomen. She's probably a virgin anyway, Yuuto bushed Thunderbolt's clitoris, being careful not to touch inside the hole.

「Ou!? Ahn, Nhiiii!!」

As expected, Thunderbolt raised her voice. Her legs tremble and she's drooling.

Lightly amazed, Yuuto rubbed the clitoris pinched by his finger.

「Ah, afu! T-thats…nkuu!?」

Bending her body, Thunderbolt's legs opened lewdly. Her muscular power is on top class yet, it sees that it's it's doubtful for her to support her weight.

Thunderbolt had her posture turned bowlegged so she entrusted half of her convulsing body to Yuuto.

Why is this person filled with confidence?

Thinking that, Yuuto was dripping in sweat.

Enduring it or making her cum? That's not the problem. Risty is easily five times more enticing than the 10th in hero rank, Yuuto sent an anxious glance.

「Hora. You came didn't you? The match is already my win」

「I-I didn't…! didn't cum. I didn't cum…noo~」

While rubbing her clitoris, Thunderbolt kept insisting that she didn't cum while twitching. When it comes to this, there's no other way for Yuuto.

Certainly, compared to men that has easy indicators of ejaculation, women orgasm is difficult to judge. As long as Thunderbolt doesn't say that she came, the situation would only turn into an endless arguement.

「But still, what a sensitive body. …By the way, Thunderbolt-san, you saw through my『Hidden clown』How did you do that?」

To make Thunderbolt whose breathing is in disorder take a break, Yuuto stopped moving his finger. Thunderbolt has fixed her breathing and she heard Yuuto's casual question.

Since she always has her eye mask on, Thunderbolt doesn't seem to rely on sight. But, the『Hidden clown』is a first class among Yuuto's treasure tools. Reading the presence is something that won't be surpassed to such degree.

Even when he fought Risty, she wasn't able to react because he disappeared in front of her suddenly. This time it was different. Yuuto equipped the『Hiding Clown』before he entered the castle.

Yuuto has a curious face, Thunderbolt exhaled and spoke up.

「Ah, I'm shocked. You, you know me yet you dare to challenge me?」

「Eh?」

Her tired tone was completely from her heart. Without knowing what it means, Yuuto sent out a stupid voice.

「I have the strongest detection magic among the heroes. This eye mask controls my sensing abilities because it's too strong. Your treasure tool may be excellent but the moment you entered the castle, I already caught you」

「S-seriously…?」

Thunderbolt explained indifferently. For Thunderbolt to speak it proudly without

minding, that thing might be natural for her.

「But, then if you know then you shouldn't've entered the bath」

「I noticed that you don't have big hostility. Also, I'm『Certain Hit』Thunderbolt. You think covers have meaning?」

Hearing Thunderbolt, Yuuto gulped down his saliva. If he entered with a bit more evil thought, he'd have a hole in his heart right now.

Still, it's an outrageous ability. Even if she doesn't cheat, the 10th place could be grasped. Yuuto tilted his head due to the incompatibility from Marx's story.

But, one mystery was solved with that.

Yuuto stroked Thunderbolt's nipple gently as experiment.

「Nhiii!?」

Just with a light touch, Thunderbolt raises a sweet voice already. Thunderbolt's limb soaked in the afterglow and Yuuto now has confidence.

(After all, this person is sensitive like a fool!)

He don't know why but it's not irrelevant to the earlier talk. She has the strongest perception ability among the heroes. It's definitely relevant to sexual stimulation too.

Apart from the usual, It seems that she has entered a state where the switch was flipped.

Thinking that she's interesting, Yuuto moves Thunderbolt's clitoris in a circular manner. Thunderbolt raised her jaw and a voice like a sea lion came out.

「O, Ou! Fuu, O, Oo!」

「Hahaha. Good Good」

Though Yuuto doesn't know what's good, for the time being, he enjoys hugging thunderbolt. Supporting her like this, she's likely to fall on her feet from the convulsions.

「But, you say it's the best among all the heroes? How amazing it is to be concrete?」

「A-about 20 kilometers. If it's that, even if I have my mask on, nhii, there's no problem, I can capture them」

Thunderbolt speaks of her range while panting. Hearing a certain confidence among the disordered voice, Yuuto raised an honest praise.

「That'…A-amazing」

It's no longer on the dimension of visible or invisible. He heard from Risty that Thunderbolt shoulders the defense of the imperial city but who would've imagined that it would be to this extent.

「If you're that amazing, then there's no need to be unfair」

The moment he muttered those words, Thunderbolt's words were stopped. Yuuto stopped poking the gap, Thunderbolt smiled while mocking herself.

「Well, my magic I'm skilled at is flight magic. The shot my bow make increases in power and speed without decelerating, it'll continue to fly until it hits the target. …I tell, I don't remember being unfair」

As if saying that she's tired of it, Thunderbolt continued speaking. Bothersome, give it up, those kind of opinions.

However, Yuuto's didn't care about the truth of the rumor. He's just surprised at Thunderbolt's story.

Chasing after a target, it's a super long distance attack. As a modern person, Yuuto can understand that it's a very powerful weapon.

It can be called a missile. Depending on the operation, she'd be the most marvelous hero, Yuuto stared at Thunderbolt that's dumbfounded.

「…W-what? Your face looks so happy」

Seeing Yuuto's expression, Thunderbolt frowns. Without care of the eyes deep in the eye mask, Yuuto leaked out his honest impressions.

「A-amazing!」

「Eu?」

Yuuto suddenly shouted, Thunderbolt flinched. Thunderbolt was perplexed as she doesn't know what's going on, Yuuto continued to speak in an excited tone.

「M-Missile…isn't that super amazing!? Why are you the 10th? Shouldn't you be higher?」

Surely, this country doesn't understand the usefulness of Thunderbolt correctly. The origin of the rumors about being unfair was somehow understood by him now.

Her ability isn't properly evaluated.

But, Yuuto can understand. Her potential has the possibility of exceeding Risty and Asuka.

「Because, if we have Thunderbolt-san, aren't we in complete control if we have air superiority.1 If you attacked at a superior range, they can't do anything do deal with it」

Even in earth's armaments, rudder was cut from the thermal power to emphasize range. It wouldn't be an exception in this world. Even if there's no gun, it's still natural on Bows.

「No, not just the range. With your perception ability, you'd surely be able to turn over battle situations」

If anything, she's a sonar device. Furthermore it's a missile. Honestly, depending on

how she's used, it's not strange for her to par a thousand men.

「I see, the importance of intelligence warfare isn't explained yet. …Ah, this world has humans resembling thoughtless monsters. They're just bulldozing and letting the principle pass by」

Even so. Yuuto feels angry as she's not evaluated. Even the dark rumors can be traced that it comes from those who are jealous of her.

Thunderbolt's mouth was open agape from hearing Yuuto's rant. Though she doesn't know what a missile means, She understands what Yuuto is trying to say.

And, Thunderbolt's cheeks loosened in a moment.

「I-Isn't that right!? That's right! My long distance attack and intelligence warfare is the best! No one understands!」

paa, Thunderbolt's expression turned cheerful. It can be seen even with the mask. Her whole face is smiling.

「Don't you think that it's nonsense for them to think that Heroes should cross swords directly!? What's wrong with attacking on safe zone!? As long as I can help everyone, isn't that fine!?」

「That's right! You don't have to risk yourself from being injured!」

Thunderbolt's smile widened after Yuuto agreed. Thunderbolt was trembling on a different meaning earlier, Yuuto was able to sympathize the source of her twisted personality.

Even heroes are human2 Driven off with a proper evaluation, she'd definitely be distorted if she's being criticized as unfair.

「Well, but, the match is another story so just cum already」

「Nooooo!?」

Thunderbolt that trembles in delight has reached it immediately when her clitoris is suddenly plucked.

Thunderbolt collapsed from her waist and Yuuto stared at her with a cheerful smile.

Chapter 12: A new female hero (5)

「I didn't」

Thunderbolt murmured, Yuuto had a surprised face as he look at her.

In front of him is the appearance of the obstinate Thunderbolt as she sits down on the bathroom.

Even she's raising a voice like a sea lion, down to her knees while her body twitch, she still don't want to admit defeat it seems.

It seems that Thunderbolt is a hardcore sore loser1

「No, you can no longer make an excuse. You're legs are loose already」

「I-I just slipped. It's a bath. Soap remained. It's just a misfortune」

'How dare you', slipped on her tongue, Yuuto looked down at Thunderbolt while admiring her. If it comes to this, Yuuto also won't admit defeat.

'What should I do?', Yuuto placed his hand on his chin. Unlike men, It's difficult to know whether a woman has cum or not.

「…N? Woman?」

At that time, A good idea flashed into Yuuto's mind. What came into him is a new treasure tool that was made several days ago.

He originally planned to use it for Asuka but 'it can't be helped in this situation', Yuuto had his lips lifted to the corner.

「Thunderbolt-san. When it comes to this, you have to prepare yourself」

Saying that, Yuuto swung his right hand. His right hand shone and Thunderbolt's eyes widened from the sudden treasure tool that suddenly appeared.

But, what caught Thunderbolt's attention stronger than the details of the ability jumping in front of her eyes was the silhouette of the treasure tool.

「W-wait, what's that?」

Thunderbolt came to stare at it anxiously, Yuuto grinned.

Flesh colored surface. Softness of a human skin. And, a thick long fine rod.

It's a treasure tool that looks like a man's thing, Thunderbolt stepped back instinctively.

Approaching with a smile, Yuuto held out his right hand to Thunderbolt.

A simple story.

If judging it is difficult, then just make it easy

「N-No way. It really feels…」

「It’s interesting isn’t it? Haha, It’s not yet ripe」

After a few minutes, Thunderbolt was was looking at the male genitalia installed in her crotch with trembling eyes.

Though she thought it was a joke, the sense of touch was certainly transmitted, Thunderbolt sent an anxious look to Yuuto.

「Don’t worry. It can be removed. …Well, it would only be removed depending on my mood」

Hearing Yuuto, Thunderbolt’s face looks like she’s done. With this, the situation is completely reversed.

Well, it had a specification of coming off after three days passing, Yuuto won’t be explaining that of course.

「Look. If I rub your nipples, get errect, get errect」

「Nhi. Wai, wait…!?」

Her nipples were caught from behind. At that moment, Thunderbolt opened her eyes wide as the penis jumped up.

「Haha, you’re sensitive as I thought. It’s linked to your clitoris, so Thunderbolt-san’s sensitivity remains」

「T-that’s…I’m not that kind of」

Having her breast slowly kneaded, Thunderbolt’s treasure tool got hard obviously. The genitals have been swelling and trembling, Thunderbolt’s cheeks dyed in shame.

Although the clitoris is unnoticed, it could be understood from the man’s genital. Whenever Yuuto’s fingertip touches, the penis is trembling and moves up and down as it desire.

「Yaa…this is such, because of me…Nou!」

Yuuto’s finger touches Thunderbolt’s genitlal. Thinking that she will cum flashily, Yuuto brought his hand close to the penis while grinning.

But, Yuuto’s arm stopped before he gripped it.

「Mu, muu」

Looking at it carefully, it’s still a male genital. Even though it’s stuck in Thunderbolt’s body, when he though of giving it a handjob, Yuuto’s hand stopped immediately.

「W-what’s wrong?」

Yuuto makes serious face, Thunderbolt timidly asked him. Her tone has expectations

mixed in it, Yuuto draws his eyebrows.

‘I might as well defeat her completely’

「…It can’t be helped」

‘When it comes to this’, Yuuto made a treasure tool appear on his right hand.

Thunderbolt’s body shook to the knife that appeared. Making a nod and saying ‘This should be fine’, Yuuto grasped the knife

「Yuuto-sama?! W-what happened?」

The dimension door suddenly appeared. Sasha raised her vocie in surprise as she saw Yuuto and thunderbolt appearing from there.

「Yeah, Sasha. Could you clean my room? There’s something, no, Help me here」

The dimension sword was connected from the large bathroom to his own room. Sasha raised her right hand and smiled on Yuuto that appeared under it.

「I-I don’t mind but. …Uhm, who’s this woman?」

Thunderbolt behind Yuuto was looking around restlessly, Sasha’s face turned suspecting. After all, she’s nude in eyemask. Furthermore, she has a male genital even though she’s a woman. Sasha tilted her head to the Yuuto with his lower half exposed defenselessly.

「Yeah, this is Thunderbolt-san. She dislikes Asuka-sama so I threatened her」

「Eh, Asuka-san?」

Sasha was startled at Thunderbolt because of the blunt explanation. Thunderbolt tries to say something but Yuuto strengthened the pinch of her nipples before she could say something as an excuse.

「Noo~ Ou」

「As you can see, I’m in the middle of punishment. Also, this is my work. …How’s it? Does Sasha want to help me punish her?」

Yuuto smiled apologetically besides the jumping Thunderbolt. Sasha looked at Thunderbolt’s lower half and understood the rough details.

「So that’s the case? …Fufu. Please leave it to me」

The servant smiled from the thoughts of her master, Thunderbolt felt chill on her back.

◆ ◆ ◆

「Nouu!? ou! Ouuun!?」

After an hour, a sea lion’s voice resounds on the room.

Together with the white liquid being released, Yuuto's breath was taken away.

「Oh? You 'byuruybyuru'2 again? What an impatient hero」

「Oh! Oh! Coming, it's coming out!? nuu!?」

Thunderbolt vigorously released semen as her hand is placed on the wall. The semen was splashed on the wall and a white puddle reached her foot on the floor.

Even she's in the middle of cumming, Sasha's finger doesn't stop. Thunderbolt had her penis look like being milked as her legs are opened wide bowlegged.

「No…stop, I came…I came already」

Thunderbolt shook her head in refusal, Sasha looked at her with a bright face. Thunderbolt's mouth certainly pledged「I came」

Since he'd win if she ejaculates, Yuuto felt relieved as it finally ended.

「Eeeh? Is that so?」

But, the next moment, Sasha's happy voice reached Yuuto's ear.

Sasha looked back, Yuuto faced her though he doesn't know what's going on.

「Yuuto-samaa. 」Apart from men, they came when they ejaculate don't they?」3

「Eh? Yeah, Yup. Well, when touched, It'll come out naturally」

Not knowing the meaning of Sasha's question, Yuuto honestly answered. Actually, men actually release it even if they haven't came yet. It's surprisingly empty. 4

But, Thunderbolt that it's wrong no matter what you think but Sasha spoke with a smile.

「See? Did you hear that? We won't understand whether you came or not. You might be lying」

「Fue? I-I didn't lie…nou~!?」

The perplexed Thunderbolt had her chin go up. Thunderbolt smiles as her legs tremble, Sasha gladly proposed.

「How's it? Yuuto-sama? Should we go until she can't cum anymore?」

「Eh」

Sasha claps as she had a bright Idea, yuuto had sweat flowing on his forehead. Thunderbolt's penis is Yuuto's treasure tool. That thing has a specification that can make it let out a hundred times, he just told Sasha on the middle of her play. She doesn't have to do that much, Yuuto told Sasha with his glance.

Then, Sasha's eyes became narrow. Sasha looked at Yuuto with a gentle eyes and smile.

「You mustn’t, Yuuto-sama. This kind of people must be trained properly」

Yuuto can’t do anything but nod.

Chapter 13: Female Hero Triangle (1)

「Naaaaa. Ah…O, Ooo」

A lewd voice echoes in the room. Thunderbolt's face is dyed in shame as she expose her indecent bowlegs.

Because of repeated ejaculation, Thundebolt's whole body is as sensitive as her erogenous zones. Thunderbolt who lost her strength was lead to the top of the bed by Sasha.

Even so, Thunderbolt is still rock hard erect that even if it's not touched it makes a pulse.

「Oh. Did you see it Yuuto-sama? Just pinching her nipples made her let it out even that wasn't touched」

「A, auuu. S-spare me already. It's my loss already…nuu」

Thunderbolt petitions that she lost. Moreover, Sasha put her hand on the penis while smiling.

「You can't do that. Making a move on someone else's master. Hey, It hadn't reached it since a while ago」

Zuryuzuryu, Sasha's finger squeezed the treasure tool skillfully. The semen dashed out as she can't resist, Sasha stared at the glass put on the floor happily.

「Didn't I tell you that I'll spare you once you filled that glass? Fufu, You're『Certain hit』Thunderbolt aren't you? Isn't that easy?」

「I-I told you. If my flight magic didn't touch it…hey, eu, o, ooon!!」

Thunderbolt's excuse wasn't accepted. She has ejaculated more than thirty times, the penis has completely become sensitive that every time it's touched, it would release white semen.

Still, semen has accumulated on the floor on the side of the bed. She ejaculated with an unexpected momentum once but only one drop entered, it was a sprinkle over a thirsty soil.

「If you move your waist it might reach it. Hora, pull your waist like your bow…」

「A, aa…stop, stop…」

Slowly, Sasha pulled Thunderbolt's waist from behind. Her right hand holds the treasure tool, Sasha pushed Thunderbolt's waist while grinning.

「Release it!」

「Nooooou!!?」

Quickly, Thunderbolt's waist was thrusted out and at the same time semen was spout out vigorously. The frolic Sasha pointed at the glass joyfully.

「Waa. Didn't you just do it? Three drops went in. Let's go on this pace」

「Uu. Uuuu…O, Ooo」

Thunderbolt's panting voice can already be called a sea lion, Yuuto just quietly watched.

Looking at Thunderbolt's dignity as an archer being swallowed in pleasure, Yuuto's sweat drips.

「What should I do?」

His muttering didn't reach Sasha who's getting it on.

◆ ◆ ◆

After several hours, Sasha shows a refreshing smile after she has done a splendid work, She was shining in Yuuto's eyes.2

「Fuu—. Please take a look, Yuuto-sama. How's it? The finish」

While wiping off her sweat, Sasha smiles as she points at the white stain on the floor.

Yuuto just stared at what's being pointed and nodded.

「Ah, Au…o,…ou」

What's there is Thunderbolt with unsteady legs. She moves sloppily bowlegged, Thunderbolt masturbates with her own penis.

「O, Ou, N…ooo」

「Fufu, it's still coming out」

The treasure tool has semen flowing out of the tip. The momentum of ejaculation is already lost as expected, Sasha nodded in satisfaction.

「Look, Thunderbolt-san. Do you want to say something?」

Sasha wraps from the back of Thunderbolt while giggling. Thunderbolt's face can be seen that it has turned idiotic even she's wearing an eye mask.

「Itshmylosh. …T-thwankyou fow stwokeeng my penish」

「Fufu, You're welcome Look, don't forget to apologize to Yuuto-sama too」

With her nipples being pinched, Thunderbolt's legs trembled. While shaking her waist back and forth, Thundebolt squeezed her penis using both her hands.

「Ooooou. I-I'm swowwy. penishishamazhing, pleashfowgwibmee. O, Ouun…Oo」

Zubyuzbyu, Yuuto can hear the sound of penis dirtied with semen being squeezed. While thinking of her true face under the eye mask, Yuuto watch as Thunderbolt's groin swells.

「How's it? Yuuto-sama? Was I helpful?」

To the giggling look of Sasha, Yuuto swore in his mind.

He'll never try to anger her.

「Oh, Yuuto-sama…」

Yuuto swallowed his saliva and Sasha's glance went down. What's there is Yuuto's swelling crotch.

Yuuto's double was excited from Thunderbolt's silliness, Sasha had a dark smile floating.

「Fufu, it's already frozen solid. Your penis got bit」

「Ah, S-sorry!」

Sasha's smile goes deeper as Yuuto panics. Yuuto tries to hide his groin, Sasha put her hand on her maid clothes.

Shururi, Sasha untied the string of the apron. Sasha took off her maid clothes as well.

「S-sasha!?」

On her feet are the servant clothes that were dropped. Yuuto instinctively raised his voice on the naked Sasha. His lower half has reacted, Sasha smiled gladly.

Yuuto gulped down his throat on the nipples of Sasha that's only half out.

「Please let me serve you」

「Eh, no but…」

Sasha in front of him kneeled already, Yuuto averted his glance in confusion. Though there's Sasha's mouth and mountain, the main cause of his erection is Thunderbolt3 'I'll make you ejaculate when your thing gets erect because of other women', how can that be a thing, the thought make Yuuto feel bad.

Having foreseen Yuuto's feelings, Sasha gently smiled.

「Fufu. It's fine, getting big from other people. Even if it's Asuka-sama, Risty-sama, even Thunderbolt-sama…even if it was entirely someone else. When it get hard, just tell Sasha」

Sasha's tongue licked the tip of Yuuto.

「N, chu. Amu, Rero」

「Ah, S-sasha…」

Gently wrapped by the lips, Yuuto instinctively raised his voice., Sasha's chest felt hot as her name was leaked out.

「Hora, please say it. Please order me. I want to cum with Sasha」

「Uaa, Ah, Sasha…wa」

Sasha rubs in the saliva she hung down. The point to the back, she stroke the penis politely and Yuuto's body tremble.

「You don't want to do it? It's kind of trembling, I want it to release」

「E-Even if you say that…」

Sasha licks the balls while stroking the rod, Yuuto draws his eyebrows in as he's at loss. It's pleasant enough right now. But, if he doesn't say anything, he'd hurt Sasha.

He thought for a moment and Yuuto called out to the kneeling Sasha with a small voice.

「Ah. Then, I want you to spread your legs…yeah」

「Eh?」

Sasha opened her eyes wide in surprise. Spreading her legs, sex is different but it's unnecessary to do lip pleasantries.

Without knowing what Yuuto meant, Sasha stared at her own thighs in confusion.

Sasha opens her well mannered sieza lightly. But, Sasha looked at Yuuto that seems to be different.

「You see. Raise your legs this way. That's right, like a Yankee」

「Eh? Eh?」

Unable to bear it, Yuuto guides Sasha's body. After a few seconds, Sasha looked down with red face and legs spread magnificently.

「Y-Yuuto-sama…T-this is, that…」

Sasha mumbled embarrassingly.

She's ready to show her skin but, Sasha grew up on the monastery where it's originally not allowed to show bare legs. The current situation is very embarrassing for her that there's steam coming out from her dizzy head.

「Then, I want you to suck it」

「I-In this posture?」

Sasha's face is dyed red and her heartbeat goes faster. The sarashi below her chest has been completely exposed, Sasha looked down in shame.

But, she imagined Yuuto's face. Thinking about it, it's the first time Yuuto has requested her agressively.

Sasha steeled herself and looked up.

「P-Please wait a moment」

Saying that, Sasha put her hand on the maid clothes she took off. She took a vial from the pocket of the apron, Yuuto was 'What's that?' and tilted his head.

「I thought of using this when there's a chance so I brought it」

Opening the lid of the vial, Sasha takes out the contents to her right hand. A sticky mucous sexual nectar spreads on top of Sasha's palm.

「Is that…honey?」

「Certainly, it is honey. When I went out shopping, I secretly bought it on the town」

After warming it up a bit in her hand, Sasha smeared the honey on his penis. Unable to resist the stimulation, Yuuto speaks out in surprise.

「U, Sasha…that feels great」

「Fufu, I'm glad. I thought that you would be pleased by this」

Sasha spread her legs slowly while saying that. Spreading it wide open, she looked at Yuuto while crouching.

「Is this okay?」

「Y-Yeah. It looks so sexy. Thanks, Sasha」

Sasha smile blooms after hearing Yuuto's words. Though it's embarrassing, Sasha looked upwards to Yuuto as it can't be helped.

「Uu, that face. Is quite good」

「Is that so? but, fufu. Really, it's trembling and cute」

Sasha moves her finger much more intense than usual. Its like a lotion. Instead of the rub being reduced, she moves even more violently without the pain.

「Ah, Gu!」

「Hora, it got this hard. Are you aroused with Sasha's skin?」

From the bottom of the pole, the edge of the glans, arriving at the pre-cum, Sasha does it carefully but her right hand strokes violently.

「It does. Sasha's shitting posture is too erotic that it arouses me」

「Fue!? G-geez. You're a hentai-san」

Though her face is dyed in shame, she saw Yuuto's penis jumping up, Sasha took another vial from her pocket.

「This is a reward from the lewd maid to the perverted master」

Sasha poured the contents to her mouth.

Yuuto's heart was in shock as Sasha put the honey lotion in her mouth.

「N, kuchu. Fufu, aan」

When the honey has smeared on her entire mouth, Sasha put Yuuto's penis in her mouth.

「Nbu, habu」

「Nhi!? AH, Aku!?」

Yuuto's body springs forward because it was his first time feeling that kind of stimulation. Unable to resist, Yuuto grabbed her head, Sasha swallows Yuuto's dick.

「Juu, bu, fubu…bumu」

「Aaa…Hii!?」

A slime wraps all of it. In a world without friction, Sasha's tongue and mouth twines with the dick. Feeling too much pleasure, Yuuto can't endure his voice.

「Nbu, fubu…puha, nfu, foes fit fweel hood?」

「T-there's no way it doesn't…nhyuu!?」

Sasha smiled as Yuuto gasp. While moving her face back and forth, the penis is pursued by the lips and the cheek.

Sasha with her face looking lewd and legs spread made Yuuuto reach the climax of his arousal.

The usual docile Sasha sucks the dick regardless of her vulgar figure. But, the pleasure Yuuto experiences from the friction of the lotion is the first class that Yuuto finally was unable to stand up.

「U, Uuu」

She saw Yuuto lost his abdominal strength yet, Sasha still licks Yuuto's penis violently.

The lips pulling the glans, the tongue always clings to the back.

「fwat's wight, fweash lef if ouf. nbu」

While Yuuto shakes his trembling waist, Sasha swallowed the penis further to her throat.

「Uaa, ah, S-Sasha!!」

「Nbu!? Bu, nbuuu!?」

Yuuto's sperm reached it's limit and it was caught by Sasha's throat. Nyurunyuru, the semen was let out forcefully that it even went out of Sasha's nose.

「Nmu, Bu…nbua. …Ngu,n. Y-You let out a lot」

「S-sorry, Sasha. I-I wasn't able to endure it」

It was quite numerous, Sasha swallowed the semen with all her best and Yuuto lowered his eyebrows saying that he's sorry. But, Sasha kissed Yuuto's penis while laughing.

「N, Chu. 」It’s fine. …npu」

「Ah, uu」

Sasha began to suck the remaining semen, Yuuto instinctively pats her head.

「Puha. …By the way, Yuuto-sama. what should we do about that?」

「That?」

Yuuto that’s soaking from the afterglow of the ejaculation has heard the question of Sasha who finished cleaning.

Ahead of Sasha’s glance, Yuuto slowly looked at it.

「Ah…I forgot」

Thunderbolt thrusts her ass while trembling, Yuuto scratched his cheek as he doesn’t know what to do.

◆ ◆ ◆

Several days later, Yuuto saw Asuka with a smile floating on her face.

「What is it? You look so happy」

Asuka was somewhat happy after the matter with Thunderbolt, She’s now putting cookie in her mouth with a pleasant smile.

「Did you buy cookies when you went to the capital?」

She probably bought that along the way since Asuka has business with the guards today. Thinking that, Yuuto smiled wryly.

If her mood could be repaired with sweet things then he shouldn’t have done the unreasonable and approach Thunderbolt.

But, Asuka answered Yuuto’s question while smiling.

「Fufufu—. Actually, I didn’t buy this」

「EH?」

Yuuto issued a small voice from the proud Asuka that shows off the bag of cookies. Looking at it, the shop’s name looks familiar.

Certainly, it was a popular pastry shop in the Imperial city. You must line up in the shop before it opens due to it’s limited quantity.

There was a time when Asuka wanted to buy from there so she went out the village, in the end she wasn’t able to buy and she turned depressed.

Yuuto’s glance asked Asuka from whom did she accept that sort of thing. Then, Asuka loosened her cheeks cheerfully.

「Thunderbolt-san gave it to me in the castle. She was sorry from the other day. It seems that she knows I like sweet things that she went all the way to line up and buy it」

Yuuto can't believe what he heard when Asuka spoke out the name.

After that, Yuuto returned Thunderbolt on the bathroom quietly. She took off the treasure tool of course, but Thunderbolt had a light panic when she suddenly appeared at the bathroom. Somehow, she insisted that she fainted because of prolonged bathing.

Doing such a thing, he thought that he made her angry even more but it seems that it have turned into something good.

Still, just imagining the appearance of the prideful Thunderbolt lining up on the shop made Yuuto laugh instinctively.

「Pu, ahaha. That's good」

「Un! There's my want to eat cookies but she's really a nice person」

Asuka hold out a cookie to Yuuto while smiling. Yuuto received it and made a single bite.

「Ah, it's delicious」

The flavor of butter and sweetness of sugar4 It's simple but the quality can be called excellent in this world. It's way more delicious than the 100 yen cookies in convenient stores.

「Oh right. Somehow, I got a message from Thunderbolt-san For some reason, it's for you」

「Me?」

While chewing her cookie, Asuka looked at Yuuto as she remembered. With a blank face, Asuka spoke to Yuuto.

「To Yuuto, Thank you, she said. …You, did something happen to you and Thunderbolt-san?」

Yuuto's body stopped momentarily after hearing the message from Asuka. Thinking about the meaning, a smile floated from Yuuto's face.

He spread his newspaper like usual. The front page caught his eye and Yuuto narrowed his eyes.

【Thunderbolt's achievements. She repelled the demon army without moving away from the castle】

In there was a girl being interviewed proudly.

「I didn't do anything」

Hearing Yuuto murmur smilingly, Asuka tilted her neck.

Chapter 14: Female Hero Triangle (2)

「Haaaaa!!」

Along with the spirited cry, the sound of the wind being cut resounds in the are.

In response to the weight, Asuka quietly stared at the tip of the sword.

Without trembling, the sword stopped precisely. Then, Asuka slowly raised the sword to confirm the movement.

Asuka vomited a thin breath while remaining posed.

「Energy went out」

Asuka was a bit surprised as she heard a voice from behind. When she turned back, Yuuto was there while rubbing his sleepy eyes.

「Yuuto. What's wrong, aren't you early」

「I do wake up sometimes too. Asuka-sama is doing morning training again?」

Yuuto paid attention on the black sword beside Asuka. While wiping off the sweat with her sleeve, Asuka answered in a refreshed voice.

The gravity sword lent to Asuka is a treasure tool that can manipulate the weight of the main body of the sword. It might look light but it's current state is surpassing 300 kilos.

What's going on with women in this world? Yuuto stared at Asuka in a tired manner. Yuuto had that glance but Asuka's exhausted voice erased it.

「"Again"?, You… I'm doing training everyday」

「Uee That's troublesome. Isn't that okay even if you don't train yourself」

That's Yuuto's true feelings. Yuuto's best masterpiece, the Scarlet Sky means that Asuka originally don't need to train. Even her physical strength is reinforced by the armor.

「Well…yeah. It's not that I trust your treasure tool」

Yuuto nodded in Asuka's argument. Asuka knows the most that her own efforts don't have meaning.

「But, there's nothing better than doing it. No matter how splendid your equipment is, if the user is a trash then that's that」

「Haa. That's right but」

Even Yuuto knows what Asuka is trying to say.

In truth, Asuka is growing. Even though it's said that Risty's sword skill is superior, Risty's warfare is progressing.

Even without the Scarlet Sky, Asuka right now won't be that far away from Risty.

He wants to tell her that but Yuuto hesitates.

「…Are you taking a breather?」

Asuka also tries to say something but she stopped. Looking at it, Yuuto suggested something to Asuka.

「Eh?」

Asuka's eyes widened and Yuuto had his first smile in the day.

◆ ◆ ◆

While Asuka has her eyes wide open, A boastful voice inside the Trishulia's castle lounge has echoed.

「Well, that being the case. He came to court me」

Among them is one with a long blonde hair and a ribbon that looks like rabbit ears jumping around.

While hiding the loose expression of her eyes under the mask, Thunderbolt entrusted her weight on the back of the chair.

「Ee, you were confessed to by a man. That's amazing. That's the first time I hear such story from you」

「Fufufu, Well, for a Hero like me? It's quite hard for men to be suited to me」

Even though Thunderbolt is acting arrogant, Ruby opened her mouth.

「But, I'm glad. Who's that guy? Is he a hero?」

Considering Thunderbolt's tone, It's quite a high hurdle. Furthermore, it's true that she hates heroes. Unexpectedly, Ruby was curious if he might be in the same business.

「Kufufu, well yeah」 But he's a lower rank. Can you believe it? 800th rank, 800th rank. Isn't that great that he's an overachiever?」

Thunderbolt's cheeks loosened suddenly as she saying that. 'This is finally a major event', Ruby leaned her big body over Thunderbolt's.

「Eh. Isn't that amazing? Who's that guy? Tell me」

「Nn—. Fufufu, I wonder. He's quite shy」

Thunderbolt crosses her air arrogantly, Ruby thought that this has become interesting. He doesn't know how praiseworthy he is but to make Thunderbolt fall in love. Or was he just misunderstanding because of the appearance, whether it's one of her guess or not, Ruby waited for Thunderbolt's answer impatiently.

「It can't be helped. I'll tell only Ruby. Make it a secret by all means okay?」1

「I know, I know. Then, who's that guy?」

Ruby felt her heart throbbing a little. Somehow, she also has no experience with men. Ruby swallowed her saliva as she didn't expect Thunderbolt to be ahead.

Thunderbolt accepted Ruby's glance and she twisted her body bashfully.

「Err, you see. H-He's Yuuto-kun」

「Hoo. What a good name. …Wait, Yuuto?」

Ruby inclined her head to the name Thunderbolt spoke up while matching her fingers. It's an unusual name but she heard it somewhere.

「Hey. Wait a moment. Could it be that Yuuto is the Yuuto that's Asuka's henchman?」

「Eh? Nfufufu—. It's exposed? That's right. That Yuuto-kun」

Ruby had sweat dripping as Thunderbolt looks so happy. What is this fellow saying, Ruby sent a look of disdain on her best friend.

「Hey, hey, no matter how you dislike Asuka, You're stealing someone else's man. I misdudged you 」

「Hey, don't say something disrespectful. I didn't do anything. He's the one who courted me」

Thunderbolt objected immediately, Ruby had suspicious eyes. But, Thunderbolt's tone seems to be true.

Ruby remembered the face of Yuuto that she only caught in a glimpse. He has a lot of courage to be two timing on high ranking heroes, Ruby looked at Thunderbolt like it's a misunderstanding.

「Actually…he saw me nude」

「Eh!?」

Ruby opened her wide eyes on the blushing Thunderbolt. Isn't the development too fast? She anxiously looked at Thunderbolt.

「H-He was passionate. H-He said that I'm even more amazing than Asuka-san. Because I was surprised with the suddenness, I told him that if he wins the match, he can do me as he like」

Thunderbolt had not said a lie, Ruby listened with her heartbeat getting faster. The situation has progressed more than she thought, Ruby with no experience with men blushed unintentionally.

「What about the match? D-Did you lose…?」

Gulp, Thunderbolt looked down bashfully.

「H-He was wonderful. I came again and again. H-He even used a tool…」

「Tool!?」

「Also, the maid」

「Maid!?」

It's a world Ruby can no longer imagine. Thunderbolt has climbed the stairs of adulthood in a dash, Ruby stared at her while saying "Hau, hyaa"

「B-But. That doesn't change that he's Asuka's man? I'm worried about you as a woman close to you. Isn't he two timing?」

「H-He's not!2 Yuuto-kun isn't that kind of person. He said that he'll tell Asuka-san properly」

Thunderbolt frowned from the way Ruby is speaking. Recalling Thunderbolt's words, Thunderbolt had her cheeks grin.

『I-Isn't that amazing!? Why are you the 10th!? You should've been on a higher place』

Certainly, Yuuto said those things to Thunderbolt. And, Asuka is the 9th place that's above Thunderbolt.

In short, He said that she should be above Asuka3

「He praised Thunderbolt-san that has even superior range for being more useful than Asuka that only wields her sword」

「O, ou. How about the manner of speaking」

Ruby is a long time friend. If this place is corrected into Thunderbolt's brain..A dry throat swallowed.

「He said that my ability is amazing. He said that I'm not unfair. He gripped my shoulder. …Kufu, kufufu」

Thunderbolt looks so happy, Ruby scratched her head as she doesn't know what to do. Though it seems that it's two timing but Thunderbolt doesn't mind it.

「Well, He's two timing on Asuka-san I guess. Being separated suddenly is impossible after all. We even reconciled. …But, I feel anxious. He probably has his thoughts filled with me right now. I wonder how won't it be terrible for him to separate from Asuka as he's drowned in my charm」

「N? Ah, yeah Right」

'What should I do', Thunderbolt was seriously worried, Ruby had distorted her face making a complex look. 'As usual, where does she get this kind of confidence', Ruby stared at Thunderbolt intently.

「Oh, the dilemma. I want to get along with Asuka-san but Yuuto-kun is crazy for me 『From your ability as a hero to your charm as a woman, Thunderbolt won't lose』He said, Asuka-san might not be able to recover.

Thunderbolt spits a sigh, Ruby folds her arms. For Ruby, she wants to help Thunderbolt.

After all, if she let this chance pass, it would be impossible for the rest of her life.

「Hey? Does Yuuto really love you?」

「Isn't that obvious? He's all over me」

「Well, is that so?>」

Saying that, Ruby nodded. With the absence of a reply, Thunderbolt raised an uneasy voice.

「Oh, Yuuto-kun. Those serious eyes. 『Among the men I've met until now, You're the most charming and you're wonderful』he said. There's no doubt」

Thunderbolt's worried maidenly face, Ruby was somehow pleased. Though it seems to be a complicated love, this kind of things must be adult love. Ruby used herself as reference and gave Thunderbolt a blessing.

「Oh. It seems that you're talking about something fun, Thunderbolt」

Then, a cold voice echoes in the lounge.

Thunderbolt turned towards the face of the unusual voice.

「Oh, Risty-san. No, that. It's not a big deal」

「No, it's very interesting. Let me in too」

Risty grins and Thunderbolt was「Ee~— What should I do4, smiled happily and pulled the seat next to her.

Chapter 15: Female Hero Triangle (3)

Asuka swallowed her saliva while looking at the lively plaza.

「Iyaa. The imperial capital has a lot of people as usual」

While listening to the refreshed laughe of Yuuto, Asuka put her hand on her throbbing chest.

Even over her armor, she can feel the fast heartbeat.

(A-are we really doing it…?)

Her heart throbs. Asuka swallowed her dry throat again.

Yuuto and Asuka came on the fountain at the center of the capital.

It's said that it's a place for recreation for citizens, men and women of all ages where each have different ideas and taste spend their cheerful time.

There's a mother that let's the children play. There's also an elderly couple sitting happily on the bench. Asuka looked at the people in the plaza with excited eyes.

「What's wrong? You look tense」

Hearing Yuuto's voice, Asuka squinted her eyes. Yuuto parried the glare aimlessly.

「Your armor suits you」

He complimented her with a refreshing smile but Asuka chewed her molar bitterly.

Asuka's body is wrapped in the Scarlet Sky armor. Right now, Asuka is standing on the ground of the plaza in full armor.

「T-They really don't see us right?」

But, no one on the plaza pays attention to the 9th hero rank Asuka. She'd be surrounded in an instant if it's the usual but that caused Yuuto ahead to smirk.

『Hidden clown』 This is no longer a representative for Yuuto , It's an article of God.1

A winged hat is put on her head, Asuka adjusted the angle to make sure it's comfortable. To make her wear this treasure tool, the Helmet and the Scarlet sword remained in her collar.

「Yes of course. The only one who can feel Asuka-sama and hear her voice is only me who wears the same treasure tool」

Yuuto smiled and Asuka's nose dyed red.2 It's a treasure tool that passed Risty too. Asuka doesn't doubt the effect now.

「…You're really a pervert. Making this kind of things」

Asuka cursed him and Yuuto smiled and replied with a Thank you. She started at him

with a scornful look but Asuka focuses on her body that became hot.

「Should we stop?」

Yuuto's voice. Looking at Asuka's expression, he got a bit anxious. As usual, the sweetness comes forth at the very end.

At times like this, she thought of taking an aggressive attitude, Asuka inhaled deeply.

「I didn't say that we should stop」

Saying that, Asuka took a step forward. Her armor made a clattering sound, Asuka stepped forward to the center of the plaza where the fountain is.

Asuka looked ahead without looking back.

「…Fu,n」

Densely populated. They enter her field of vision fast. Parting with Yuuto for a bit, Asuka pouted her lips.

Asuka clasped her fist.

After stopping brething for several seconds, Asuka's lip moved slowly

「K-Kudaura-re」3

The armor wrapping Asuka has finished it's role and returned to the collar.

◆ ◆ ◆

The wind in the plaza stimulated her skin.

It's not cold but it's to the extent that you can feel a chilly wind.

「Hi, Hihi」

Feeling the helplessness, I instinctively leaked out my voice.

I panicked and searched for Yuuto. He's a bit far away, staring at me.

It's his usual cheeky smile. But, confirming that Yuuto's crotch has certainly swelled, my face went hot in a flash.

「Fu, fuu—」

I tried to fix my breathing but it's not going well. My breathing don't go this disordered even in battle.

I looked down at the cause of the irregularity in my body.

The plump hard erect nipples. The tip went out ahead of the ring, it swells lewd red.

「Ha, Haa. …Hifu 」

In addition, the red hair on top of the hill that's hardly taken care of. Although I regret that I should've done it properly but it's already late4

I am standing in the plaza of the capital, nude.

「Ah, Hihi」

I'm not completely nude if you speak accurately. I have an armor that serves as shoes below my knee. Just a small part of the armor defends my sole from the hardness of the pavement.

But, how should I say it?

「Nude…I'm, N-nude…」

Unbelievable. What am I doing? I myself don't feel it real.

The surrounding people acts indifferently like I don't exist, it's as expected, the treasure toll on top of my head is Yuuto's highest grade sacred treasure.

Still, Still5, I'm standing in front of people, I certainly exist in reality, in such that I'm showing my naked self like that.

「Y-Yuuto. You're looking? I-I'm…naked…」

Haahaa, while breathing rough, Yuuto looked straight at me as his cheeks blush.

Haha, what is he looking at? Getting that excited. Thinking that, I felt sweat flowing from my back.

While my heartbeat goes on a rampage, I began to walk towards Yuuto.

「Hi, hihi. …S-Shit」

Of course, it's swaying. My prided ponytail. The chest which I'm confident in size trembles every time I walk.

I walked with correct posture just like the people in the plaza. Thinking that I'd knock against others, I feel that the people mysteriously avoid me.

「Asuka-sama…」

When I'm in front of Yuuto, he looks with a surprised face. What? You're the one who did this.

「Don't do that face. T-Take responsibility. …Geez, it can't be stopped」

Yuuto's cheeks blushed as the love nectar drips.

How hot could this body get? I felt like melting.

「You, order me」

「Eh?」

I stared at Yuuto while touching the tag attached to the collar. What are you panicking for? Aren't you the one who did this? As I stare, Yuuto's face got even redder.

「J-Just making you stand up is enough. T-there's no order, I can't do further than this」

Yuuto spoke honestly. He looked at my flushed body and face, Yuuto swallowed his saliva.

Thinking absentmindedly, I thought of what further could be done. No good. I'm so aroused that my feet trembles.

「Y-Yuuto. Say it. W-what should I do?」

I turned my arm to my back. I declared that I have no intention of hiding.

Even if it's not in the plaza, Being seen by Yuuto is too embarrassing that I could die.

「F-for your information, It's not that I'm doing it for you. I have accumulated stress. It's just, It's just a breather6」

Saying that, I showed it off. The truth that I'm not confident. Even my breast, Sasha has it larger.

Still, I thrust forward my breast. Even the erect nipples can be seen.

Yuuto's eyes noticed my breast. Tightened by the ring, my nipple had become long. Since Yuuto's a fool, he thinks that I won't know that he looks at it crazily.

「Ah…fuu」

I understand the roundness.7 Even if you avert your glance, I know that you were staring at my nipples just a while ago. Fluttering, you kept looking at my hair below and my chest.

I know all about you.8 Even though you like it you say nothing, only at this kind of time you watch me shrewdly.

I hate that in you. Because I don't know what you think about me.

But——

「I-I'm aroused. It's amazing. I might love doing this kind of things」

A lie. I already do. But, I won't say it. All, all of it is your fault.

The ring was removed by a finger. It's been a long time since I removed this apart from bath.

Yuuto's glance moved to my bare nipple. Hora, You'll understand it soon.

「Since it's no good to lose it, take it」

「Eh? Ah, Yes」

Yuuto accepted the ring with both of his hands. You're exaggerated when you're tense.

The one who should be embarrassed and tense is me.

Irritating. It’s irritating that it feels good. Yuuto’s glance feels good.

My nipples…is trobbing. It’s long erect, it looks so lewd. That’s why I played with it. I knead it with my fingertips. I stroke my erect nipple in the middle of the plaza.

「N, Ah. W-why don’t you give me? Since you didn’t say anything, it has become like this」

「S-Sorry」

Yuuto apologized in panic. Don’t say sorry9 This, even if you do that.

「O-Order me. It’s your fault. I-I’ll do anything right now」

I massaged and crush it. Breast. I showed it on purpose. While changing the shape of my chest, I massaged it using both of my hands.

Yuuto’s groin is swelling. Serves you right. It’s because you left me alone.

Gulp, Yuuto swallowed his saliva.

I know. It’s his face when he made a decision. Finally, Yuuto will speak up.

Really, I would do anything right now. If Yuuto tells me, I can do it no matter how embarrassing it is.

「T-then. Asuka-sama…」

I waited impatiently for Yuuto’s mouth to open as I tremble.

Chapter 16: Female Hero Triangle (4)

「Really, I think you have a great hobby」

Saying that, he stares in front of me

A gang of four men Are they having a bet? Somehow, the chat becomes heated.

I am showing off my armpit in front of those sitting in the bench.

「Asuka-sama, aren't you spacing out? That's lewd」

Yuuto whispered in my ear. He used his fingertips to trace my armpits and I bit my lips in embarrassment.

He seriously don't understand.

「…You…that's why」

「Eh?」

He asked back when I spoke in low voice. I feel irritated but that was my fault just now.

I worked hard putting power on my lip once again.

「S-Since you said you like it. …I didn't shave my side nor my bottom」

On my back, Yuuto held his breath. It's not that I want to please you or anything. I want to say 'Don't misunderstand'

「Because, didn't you ask me before if I shave it? You looked a bit disappointed」

「Eh, ah That time」

That's right, that time. The time when I put on the strange underwear. Something was strange that time.

「Even on our first time, you didn't look at my side. S-say it. I did it even though I'm embarrassed」

Saying that, I showed off the hair on my side. This is much more embarrassing than being seen naked.

But sure enough, Yuuto looked at my armpits with round eyes.

「Look, it's Asuka-sama's armpit. Since you're a pervert, don't just gaze」

Rustling, I touched his penis. Even under the clothes, I can understand that it's frozen solid. Yuuto is really a pervert. Getting this excited from the hair on my armpit.

「What's this? It's hard, pervert. Aren't you erect just from looking at your master's armpit」

I put my hand under the clothes. Yuuto panicked at the moment but I don't intend to wait.

Hey, it's hard as expected.

「You like me doing vulgar things like this don't you? I know. You look at me with lewd eyes. Just what are you thinking about your master?」

I grabbed Yuuto's right hand. Then, I pressed it against my breast.

「Can you feel it? M-My nipples are erect. It's your fault. It's hard for a very long time. Why won't you give it to me?」

Even I can understand that I'm dripping. It's mortifying but I'm also a pervert.

Yuuto's breathing turned rough and he slowly pinched my nipples.

「Ahn. Don't pinch it so good. We'd lose it if it lost it's hardness」

「Asuka-sama is too sexy」

Yuuto touched it with both his hands bashfully. His left hand is spreading my wet down.

「Aren't you drenched down below? …are you this perverted?」

「I-I don't know. You're the one who did this」

Yuuto brushed my bean after hearing me speak. An electric current pops in my head at once.

「N, Nn, Fuuun」

He stroked it. I pulled out the penis as I want to stroke it.

「The nipples and clitoris are as erect as a penis. Can you see it everyone?」

He attacks at the same time he speaks. Good. It feels too good that I'm going crazy.

「No, Ooou. I-I can't believe it. Even though everyone is watching at the plaza」

I stared at the four squad while panting hard. There seems to be no one noticing us. It's obvious. Yuuto's treasure tool is excellent.

「…Should we try it closer?」

Yuuto said. Finally, he said something great. I'll finally be able to feel more embarrassed with this.

Blushing, I anxiously waited while my heart throbs.

「C-Coming close. It's dangerous」

「Isn't that fine? Show it to them」

I was fidgeting but Yuuto raised his strain. At the same time, a wave of shame attacks

my body.

I've ignored it up until now, the wave of shame swallowed my mind.

「D-don't. …Ah, aa」

One step., Two step, I approached the men. I'll be seen. I'll be seen.

「Seem stretch your long nipples. Open your legs」

「N-No way. Yuuto will see it」

Another step. My chest is lined to the tip of the nose of the man. When he breathed to speak, it hit my nipples.

No good. This is obviously no good.

「Aah, I'm being seen. My long nipples. It's being seen」

Embarrassing. No good. This is no good. It's too embarrassing.

「Touch under too. You said you'll do anything right?」

「Uu, It's making wet sounds. It's leaking a sound」

Lies. I didn't do it on purpose. It's making wet sounds as it's being stirred by a finger.

「Who's the pervert here? It's already this wet. This is the plaza you know」

「W-wrong. N, Nn」

It's not wrong. It's me. It's frustrating but I can't do anything.

Yuuto's voice sounds on my brain. Irritating. It's irritating yet the wetness makes me melt.

No good. No. I can't endure it anymore.

「G-give it to me」

Yuuto stopped moving.

I began to cry. This guy knows it. Say it already. What do you think of me?

「P-Put it in. Put your dick already」

I spread my legs. Yuuto's favorite bowlegs. He's a pervert so he'll get big with this.

It should be in full view. But it's okay. I already had enough. I spread even my anus.

「Violate me in the plaza. Even I don't like this. It's obvious. Everyone is here」

But, I invited him. I spread my pussy and anus. I shook it.

Furi Furi Furi Furi. Look. It wants your penis.

「I don’t like you or anything but. It can’t be helped. It can be no one but you. Put it in. …Put Yuuto’s dick in please?」

What am I saying? I don’t even know what it means.

I spread it. He should be able to see the depths. My important insides.

I spread it indecently. I’m in disorder at the plaza just like what Yuuto wants.

「Put it inside Yuutooo. Nuuu, I can’t endure it」

Thinking that, Yuuto still drank his saliva and my back felt chill.

◆ ◆ ◆

My head is somehow…

「Ah, Afu, nuu」

My voice leaks out. It’s obvious. I didn’t endure it.

「Hii, Hiu. W-what’s this? Nn…」

Right now, I am takin in Yuuto’s dick in the open space at the plaza of the capital.

Copulating like an animal, Yuuto’s penis move inside my vagina.

「Ah, Ah…this is dangerous. Dangerous」

There are a lot of people around me. Yet, I kept shaking my waist.

「How’s it, Asuka-sama? Could you relax?」

「Naa, Ah. I-I’m doing it. I’m doing it」

I push my hands on the bench while bowlegged, I shook my waist back and forth. Of course, there are two men sitting down on the bench.

This is foul play.

「What should we do? Should we take off the hat?」

「D-Don’t! That’s the only thing I won’t let. N, hiin!?」

Yuuto said something ridiculous. I know. Yuuto doesn’t intend to do that.

But, the moment I heard it, my pussy pulsed helplessly.

「Ah, aaaah. It feels good. Yuuto feels good」

I can’t do this with anyone but Yuuto. Because he’s a pervert after all. It can’t be helped if I won’t connect.

「My nipples. Pull my nipples. Please」

That’s why I’m doing this.

「Like this?」

「Nguu, M-More」

Dangerous. It's extending. If it extends more than that, it would be too embarrassing.

Yuuto's finger pulls my nipples tightly, my consciousness was about to jump.

「Asuka-sama, you completely became a pervert. 」

「I-Isn't it your fault? Take responsibility」

I move my waist as it makes a wet sound. It's so hard. I can say the same thing to you.

「What should I do then?」

「M-Make me cum. Make me cum in front of everyone」

It's obvious. Doing this much. If he didn't make me cum, I'll kill him.

Even I can feel the surge. I swallowed Yuuto's dick deep by myself.

「J-Just for today. I'll let you go for today. I'll let your dick do me」

Squeeze. I squeezed it on my deepest part.

The vulgar sound echoes.

「Then…Hoi!」

「Nguuu!?」

Y-Yelp. I yelped. It made me tremble.

Yuuto looked at me with surprised eyes as I involuntarily raised my voice.

「A-are you okay?」

「I-I'm okay so Just continue and pierce me」

Then he stopped. Geez, what now? Why are you being gentle in that aspect? Because of that, I can't say anything else.

It can't be helped so, I told the foolish Yuuto the truth.

「I'm being drenched. I'm being made a mess by your dick」

But, I do love it. Maybe. Just a bit. Even if I like it, I won't say it.

「Wait, Asuka-sama!? Wait, amazing」

「Nooo, Ah, afu. Uu, it feels good」

No good. I'm moving my waist.

My ass moves on it’s own. Yuuto’s dick entered easily and my body had prepared itself.

「Yuutooo. N-No more. I can’t stop」

Embarrassing. Embarrassing. My waist doesn’t stop at all.

I’m on all fours in the plaza. Yet, I didn’t stop at all.

「Igu, Cumming. Cumming!」

At that time, Yuuto knocked on the deeper part.

My jaw drops instinctively.

「Nooo. Oh, Ah. I-Itsh too amazhing」

It’s grinding. I’m falling. No good. It’s hitting.

My cervix opens lewdly, my groin opens loosely.

「Igu. Make me cum~ Cum, I’m cumming. I’m cumming from Yuuto」

It’s knocking. It’s knocking.

I was able to somehow support my trembling body, I move my waist wholeheartedly.

「Ah, Asuka-sama」

「Naaa, Ah, aaa」

I can understand it swelling. My head is flying away.

「Hi, Igu. Iguuuu」

Yuuto impregnates me and my head is burning.

Thus I climaxed on the center of the plaza disgracefully.

「How was it, Asuka-sama? Did it feel good?」

Yuuto’s happy smile is about to reach his ear, I throw down my twitching body and I can’t do anything but be flooded in afterglow.

Chapter 17: Female Hero Triangle (5)

Asuka draws her eyebrows to the center while clenching the cup of tea. She finished up the morning training as soon as possible and she stared up front.

「…It's a grave situation」

Next to Asuka who murmured was Sasha who asked,

「Is there something wrong?」

It's only when Yuuto is involved Asuka makes that kind of face. Sure enough, Asuka continued to speak to Sasha while exhaling.

「You see. It's about him」

「Is there something with Yuuto-sama?」

Asuka replied 'Uun' while crossing her arms. Not noticing that the other had guessed it right, Asuka scratched her head.

「Recently, that…isn't he being abnormal1」

「Haa」

Sasha answered coldly the serious face of Asuka. Asuka looked back with a surprised expression and stared at Sasha.

Even Sasha serves Yuuto every night. To see such composure from Sasha, Asuka asked in confusion.

「E-even Sasha is being involved in Yuuto's perversion right? He's a pervert no matter what you think」

「Is that so?」2

Sasha inclined her neck and Asuka finally opened her mouth wide.

「Yuuto-sama may certainly do those kind of things but it's natural as he's a man in marriageable age. Also, I never disliked it」

「T-that's…true but」

Hearing Sasha's composed voice, Asuka bit her molar. She knows what's being said but she'd feel bad if she's called narrow minded at this rate.

Asuka looks down worried, Sasha let out a thin sigh. Apparently her master needs advice so Sasha moved her mouth. She intended to be silent but it can't be helped.

「In the end, Asuka-san dislikes Yuuto taking the initiative?」3

「Eh?」

Asuka raised a small voice. The talk jumped so fast that Asuka's chest jumped out

when she heard Sasha.

「Though it's usually men that leads, it's a time case. Especially, Asuka-sama is Yuuto-sama's master」

「I-I see…Initiative it is」

Asuka nodded as she digest Sasha's talk. Her chest feels like it's firing up.

「It's certainly as Sasha said. It's not about like or dislike. It's not about whether I like him. It irritates me that Yuuto does what he likes」

「I'm glad I was able to help」

Sasha smiled to Asuka's brightened face. Her master is the same as before, Sasha exhaled a breath while feeling amazed.

「Then, Asuka-san should attack him occasionally」

「M-Me!?」

Asuka opened her eyes wide, Sasha nodded slowly. Asuka gulped down her throat because of the serious eyes.

「As a matter of fact, I was the one who proposed to serve him」

「Fue!? I-Is that so!?」

Sasha affixed her hand in front of her chest and Asuka uttered a confused voice from the shock on the confession. She knows the relationship of Sasha and Yuuto but she didn't expect that Sasha was the one who approached. Asuka stared at Sasha with an anxious look.

「Err…Does Sasha likes Yuuto?」

「I have prepared to offer my body」

Making a clear declaration, Asuka's body shook. She didn't hide her loyalty to Yuuto, Asuka raised a confused voice.

「T-Then that means that you like him right?」

「Of course. I love him」

Asuka's cheeks dyed red from the dignified stare of Sasha. She can't retort anything after hearing that much.

But, Sasha gently smiled to Asuka that she looks up to.

「But, thinking about the difference in status, I'll never be connected with him」

「T-that's…」

That's not true. She tried to say so but Asuka stopped her mouth. Understanding the reason why Asuka stopped breathing, Sasha smiled unintentionally.

「I’m already glad that Yuuto-sama seeks me. What would you do? Would Asuka-san support my love?」

Asuka sounded her dry throat in response to Sasha who approached with a smile on her face.

Sasha squinted her eyes and smiled dauntlessly. Asuka clenched her fist.

「N-No way. Why do I have to give my maid to Yuuto?」

Squeezing out her answer, Sasha’s smile deepened. Sasha affixed her hand to Asuka’s cheeks gently. Slowly stroking the cheeks, Asuka’s heart bounced.

「That’s the spirit. Otherwise I’ll do absurd things with Yuuto-sama」

Faint wet lips. Sasha’s smile seems to have increased in luster, Asuka returned a strong glare. Warding of that glance cutely, Sasha quietly raised her face.

「I’d be glad if you’re honest sooner」

Hearing the looking down voice of Sasha, Asuka disarranged her hair. Sasha smiled respectfully and left the place.

「…I told you that’s not it」

Asuka continues to stare at Sasha’s back while being confused to her inexperienced heart.

◆ ◆ ◆

「How was it? The armor is a bit lighter though」

「U, Un. It’s not bad」

Seeing Yuuto being satisfied with the look of the armor, Asuka’s heartbeat turned fast.

Even though he’s just adjusting the equipment, Yuuto’s face is too close that her heartbeat goes stronger.

(It’s because Sasha said something weird…)

While praying that her heartbeat and reddened face won’t be found out, Asuka payed attention to Yuuto that put his hand on the collar.

Asuka pouted her lips as Yuuto keeps up his usual smile.

(Really, what does he think of me? …W-well. I think he’s seeing me as a woman but)

Remembering the liaison at the park, Asuka’s cheeks blushed. It’s a fact that Yuuto’s body is certainly aroused at her body so Asuka’s body heated up.

(Thinking about it, I did lewd things with this guy. Then what about it? …W-well but, it’s not like I’m going out with Yuuto. And I’m not the only one)

Yuuto previously said that he had sex only with Asuka but quite a time has passed

since then. Asuka doesn't know how is Yuuto's relationship with women.

Remembering the brown captain of the imperial guards, Asuka's cheeks twitched.

(Or rather, he. Even though I did lewd things with him, isn't it strange that he's doing other women too? I set it off before but it's definitely weird)

Asuka's glance followed Yuuto. Being watched, Yuuto tilted his head in confusion.

(A-always showing such a composed expression. and yet, making love with me when the time is good. I-Impossible. Somehow, just thinking about it makes me angry)

Yuuto opened his eyes wide in fright from Asuka's expression that turned ill humored very fast. Feeling the negative aura that drifts from Asuka unpleasantly, Yuuto wiped his sweat without knowing.

「Yuuto」

「Ah, yes? W-what is it?」

Receiving Asuka's narrowed gaze, Yuuto opened his mouth timidly. For Yuuto, Asuka's mood suddenly turned bad while he's maintaining the equipment. Did he do something bad? Yuuto tries to remember.

Feeling better as Yuuto's smile has collapsed, Asuka stared at Yuuto. Inside Asuka's mind were the words Sasha said before.

『Sometimes, Asuka-san should be the one approaching』

An advice from the maid older than herself. She can execute it now, Asuka nodded at herself.

(But, what should I do? With that said, what should I…)

While Yuuto gradually presses, Asuka draws her eyebrow and rotates her head. Yuuto stepped back as Asuka's atmosphere is unusual.

While Asuka is collecting her thoughts, she gradually cornered Yuuto against the wall.

「Ah」

Then, Yuuto's back was placed on the wall and a bright Idea has flashed in Asuka's head.

The grinning Asuka had placed both her hands on Yuuto's face. Yuuto's lip who lost its escape, Asuka stares as she slowly raise her cheek.

Then, Asuka's lips moved in front of Yuuto.

「Yuuto. Have you ever kissed someone?」

Asuka didn't miss listening the beating heart, she laughed at Yuuto happily.

Chapter 18: Reason to fight (1)

「You…have you ever kissed?」

Asuka's voice sank into Yuuto's ear. Yuuto faced sideways as Asuka grins.

「What's with this suddenly?」

With Asuka's arm in control, Yuuto has no way to escape the wall. The fragrant smell of Asuka made Yuuto's heart beat desperately.,

Seeing Yuuto lose his composure, Asuka's heart also speed up. While Asuka hides her body getting hot from arousal, she started to lick Yuuto's face1

「I was interested in it before. You don't kiss when we do lewd things. Not even with Captain Risty. …You never kissed didn't you?」

「……」

Yuuto's body trembled. Asuka's guess was correct. Yuuto had never kissed a girl up until now. Somehow he felt that it's no good.

「Fufu—. Bull's eye?」

「Then what about it?」

Asuka narrowed her eye boastfully, Yuuto spoke out angrily. 'Even if you say that, it can't be helped because I never had a lover'

After looking at Yuuto's displeasure seeming satisfied, Asuka lips approached Yuuto's ear. Yuuto's heard jumped from the sudden movement.

The distance is where you can feel the feverish breath. Then, Asuka's lips moved.

「…You want to kiss?」

「Eh?」

Hearing that voice, Yuuto's heart stopped. Hearing Yuuto's mutter, Asuka brought her body closer.

In order to adjust the equipment, Asuka is in only one piece of thin cloth. Yuuto's throat dried at once from the softness and heat he felt.

「Fufu, something is hitting my stomach」

「Eh? Ah, S-sorry」

Feeling the stomach of Asuka, Yuuto raised his voice in panic. He can't hide just that.

Seeing Yuuto blush his cheek shyly, something strange flowed into Asuka's back.

「What? Having your first kiss with the one you love?…Aren't you cute?」

「T-that's not」

Yuuto stammers and Asuka had her grin floating.

It's Yuuto so he probably hadn't done it with any other yet. While staring at the strangely honest Yuuto happily, Asuka whispered to Yuuto.

「But, you can't. I'm going to take your first time after all」

「Eh?」

The lips touched the moment Yuuto raised his voice.

◆ ◆ ◆

It was surprisingly soft, he thought.

「N…nu, nmu」

Yuuto's lips is being gently touched by the other. His heart is pounding but he has no room to worry about it now.

Putting the tongue in, it opened the lip and touched the front teeth. Though he's resisting impertinently, she's opening it forcibly and he gave up from the idea.

「N, chu. nbu, n」

He's not serious though he's resisting desperately. Even Yuuto is a Man. If he put all his strength, I won't be let off.

From the sigh leaking out from Yuuto, I felt wet under there.

「See, it got hard. It's probably no good to end it with just a kiss」

「A-Asuka-sama…stop」

I won't listen if you tell me to stop. The swelling of Yuuto can be seen from top of his trousers so I slowly stroke it with my palm.

「Was the kiss pleasurable, That's bad luck for you. It wasn't with someone you like」

「Uu…Ah」

He tries to say something but it seems he's doing his best to endure moaning.

What's this? Cute. If you can be this cute then you should have done this from the start.

「My kiss was too good that your penis got hard. See, it's throbbing」

「Wai, A-Asuka-sama…Hyuu」

I thrust inside his pants and touched it directly. It's hot and the tip is already soaked.

Seeing Yuuto this perplexed, my heartbeat got faster. Even I know that he's being

aroused.

「Stick out your tongue. We're going to do it again. …Rero」

「Nuu, ah」

I turned his chin towards my face and kissed him again. The tongue that was withdrawn is sucked by force.

Twining our tongues, Yuuto's lower half trembles. He's like a toy, interesting. The trembling tip of the penis is rubbed by my palm.

「Auu, S-stop」

「There's no way I'd stop. I'll punish the child who got erect from just a kiss」

It's really hard. It's only when we first had sex that it got this hard. Getting aroused from a kiss, he's unexpectedly delicate.

I'm the older one here. Turning back on how should it be, I laughed at Yuuto.

「It doesn't matter to me if you kissed other women you know?」

「Eh?」

I whispered by moving close to his ears. Yuuto uttered a foolish voice from my words. Anyway, he could just extort a kiss from women.

「But, bad luck. I stole your first kiss and getting erect from it shamelessly won't change」

The moment I said it, chilly pleasure goes up my spine.

I lowered Yuuto's pants.

「Wai」

「Just be still., Fufu, this one is quite an honest child—」

Releasing Yuuto's big thing that got erect, Yuuto looks at me with puppy dog eyes.

He probably wants to say 'Stop this already'. Seeing it get bigger, I can see the opposite effect.

「Nooope. What is this. Isn't it rock hard? Really, you like only my body」

「Ah, hii」

Yuuto leaks out a small voice as I stroke it. Really, it's getting cheeky. Even though you're not my lover, you're just using me for your convinience.

「HoraHora, You want to spurt it out right? I'll watch it so cum already」

「wa, Asuka-sama…Ah」

Yuuto's waist began to tremble. Not minding it, I made the movement of my finger even more intense.

I put my tongue on the hole of his ear.

「nchu, na. Fufu, See. Let it out」

「Uu, Uuu」

He's enduring it but his limit should be close. It's unbearable in the first place. While wrapping the bag with my other hand, Yuuto's waist moved.

「You're lacking awareness of me. I came here to say that」

That's right. He's the one bowing. Yet, he's playing with my body with a composed face everytime.

「Drink. Saliva…na」

「Hyun」

Dropping the saliva that's hanging like a thread, Yuuto's tongue got sticky. Hearing Yuuto's throat gulping, I noticed it while kissing.

「Habu, n. Nmu…chu」

「Nnnu…nbu」

Yuuto's penis ejaculated just a drop. It's swelling plump that I know that he's reaching his limit.

「Puha, Asuka-sama, Stop C-cumming」

I really think it's stupid. Even if you say that, I don't intend to stop.

I stroke as it turns sloppy, I watch Yuuto while sticking out my tongue.

「It's fine, let it go. Don't hold back anymore」2

The moment I whispered it, Yuuto lets out an amount of semen I've never seen before and, he ejaculated before me.

◆ ◆ ◆

「You seem to be in good mood, Asuka-san」

Next day, while Asuka is drinking her tea, Sasha asked curiously while putting the toast.

Asuka speaks up while hiding her grin.

「Fufu, you see. I taught him the master and servant relationship once more. After all, I'm more like the Onee-san」

「Haa. Well, I'm glad that it worked out for you.

Sasha returned words without any intention to the Asuka with a triumphant look. Seeing Asuka's state, it seems that her own advice was useful, Sasha nodded.

「By the way, it's about Yuuto. Is he still sleeping?」

Looking around her surroundings, Asuka pouted her lips. Though Yuuto usually goes up late, Asuka wants to see Yuuto's face early today.

「If it's about Yuuto-sama, he shut himself in the workshop early this morning」

「Eh? Workshop?」

But after hearing Sasha's answer, Asuka decided to ask what it means.

'It means what it is', Sasha smoothly continues her words.

「I'm told that『It can't remain like this』」

「Eh, eeh. Is that so?」

Sasha nods and turned her eyes to Asuka had sweat floating in her forehead.

「He also said『I'll teach her a lesson』」

「Fu, Fuuun. I see. I get it」

Drinking her tea, Asuka stood up slowly. Sasha stared at Asuka who stand up unnaturally with composed eyes.

「I'm going out for a moment. Hey, isn't the weather great?」

「Have a great day」

While seeing off Asuka who jumped out of the front door hastily, Sasha looked up the sky.

「I'll do the laundry today again」

After letting out a sigh on the cloudy sky, Sasha had returned to the mansion where the Master has disappeared.

Chapter 19: Reason to fight (2)

A tremendous storm rages in the training ground and the blade of the wind tears the ground.

It's like a typhoon. Yuuto stared in dumb surprise at the roaring mighty wind that goes everywhere.

「Haaaaaaa!!」

The blue mantle was shaken with the wind, a man with silver hair fires himself up.

Grasping a long sword from his right hand, the swirling tornado attacked a girl that's in front of him.

「…Fufu」

But, the girl didn't flinch. While having a enjoying smile, she walked like she's inside the soft breeze.

The blades of wind tears even the ground. The sword that's supposed to reach the point of invisible, the girl played with it like dancing.

「What's wrong? Is that all you can do? Marx」

Grinning, her eyes are appraising. The girl shakes her blonde hair on purpose and the young man called Marx turned over his sword.

Changing his stance, flash.

The torrent of air changed moving, it changed it's consciousness to a monster and attacked the girl.

The tornado and typhoon compressed mayhem in one place. The stream of wind makes you feel horror, but the ground where no one is was shaved off.

「——Game over, it seems」

Instead, a blade was affixed at Marx' nape. The tip is touching, there's a slight amount of fresh blood flowing through the blade.

Marx who realized his defeat raised his hands giving the idea of giving up.

「I give up. Thank you for your instructions」

His tone seems to be vexed, Risty had a smile of satisfaction.

◆ ◆ ◆

「Iyaaa, It's that. Vice captain was strong」

Hearing Yuuto's mutter, the silver haired young man scratched his cheek shyly.

「No, someone like me. I still have lots to go compared to captain」

Marx humbles himself while Yuuto walks by his side. A clean profile. He's an ikemen but Marx has a gentle personality that Yuuto likes.

「By the way, Vice captain is called『Tyrant』Marx aren't you? I didn't know that you're above Asuka-sama」

During the match, he asked the members of the troops. Saying that the violent alias doesn't suit him, Yuuto curiously opened his mouth.

Though he doesn't know the rank, he's above the ninth. Seeing that he's actually an amazing person, Yuuto looked at the good natured face of the vice captain./

「…N? No, that's not. Ah, Yeah. I'm not well informed about Yuuto-dono's rank」

Seeing Yuuto's face of admiration, Marx raised his finger to explain. Yuuto having such a vacant look, Max spoke what he's thinking.

「When you're given an alias, it will never be removed. It's because there are heroes who retire too. Even if a hero with 20th or more have it, it won't be strange. I, I have dropped to the 13th place now but my alias has been appointed when I reached the 10th place」

「Eh, it's that kind of system?」

Hearing Marx explanation, Yuuto have understood it. 'Now that you mention it, it can be said as natural' For instance, Thunderbolt won't lose her『Certain Hit』alias even if she was overtaken by another hero.

「It might've been serious when you lost」

Imagining Thunderbolt being stripped off her alias, Yuuto's face distorts happily. Perhaps, she refuses to feel down by using self determination. It seems interesting so I'll play with that.

「…But. Even so, Captain Risty is exceptional as expected. Captain Marx wasn't a match at all」

Recalling the mock battle in the training area, Yuuto turned around to Marx. Marx is also a hero with an Alias. A user of a long distance wind magic attack. In addition, you'd be minced meat if you approached the tornado sword. He's someone that Yuuto doubts if he can win against.

But, to be easily exceeded by Risty, a chill ran through Yuuto's back. Her strength is game breaking as usual./

「Fufu, it might be. Even in old times, I try doing my best but I can't keep up」

Marx speaks somewhat gladly, Yuuto recalls Risty and said 'Speaking of which'

Though Yuuto has a man and woman relationship with Risty, he doesn't know anything about Risty now that he thought of it.

Marx should be able to know Risty's past so Yuuto asked a question on the vice captain that has a friendly face.

「Does Vice Captain know Captain Risty for a long time?」

「Captain Risty? Let's see. We've already known each other for almost 10 years」

Hearing it come out from Marx' mouth, Yuuto's eyes opened wide. It's more than what he imagined. Come to think of it, Risty's age is 27 so it's not that strange. Marx' age is similar too.

「My encounter with Captain risty is a bit embarrassing」

Yuuto got interested about Marx's story as he squint his eyes feeling nostalgic. Yuuto is also curious about the Risty 10 years ago.

「Actually, I was a bit of a rascal a long time ago. The alias『Tyrant』is the remains of that time」

「Eh, was vice captain a former delinquent!?」

Marx start of the talk was out of his expectations that Yuuto raised his voice in surprise. He felt that the alias was incompatible but it doesn't suit the calm person in front of him.

「I was raised in the country. I made a name for myself and became a hero. I can say that now but before I demand money and goods from the village I helped」

「Uwaa. That's quite bad」

It's not a crime in particular if you're not a soldier under the direct control of kingdom, even though it's not a crime, Yuuto still frowned at Marx. Even Yuuto and Asuka never threatened to get rewards.

Marx scratched his cheek embarrassingly from that stare of Yuuto, yet he continued speaking.

「Such a brat only has his strength as his pride. Being undefeated, he already is the 10th place before he noticed. At that time」

He looked far away as if recalling, Marx expressed his smile

「The very day I received an official appointment, I fell in love at first sight」

「Eh?」

Yuuto was taken aback by Marx' words. He never expected that the vice captain would fall in love with Risty. 'What to do?', Yuuto had sweat in his back as he doesn't know.

「I-Is it Captain Risty?」

「No, it's not captain」

But, seeing Marx shook his head, Yuuto curiously tilted his head. If it's not Risty, then who would it be?

「At that time, I fell in love at first sight at the princess. Of all things I went to the princess' bedroom at the night of the appointment and said. 『Become my woman, if

you don’t want then let me fuck you once』」

「U-Uwaa」

Yuuto opened his mouth wide open. Yuuto really doubted his ears as the person in front of him is reminiscing.

「T-Then…w-what happened?」

「Fufu, I was half-killed. By Captain Risty. The captain was 6th at that time but I wasn’t able to do anything to her」

Saying that, Marx began to take off his jacket. Yuuto looked at the upper body of Marx with fright as there are countless cuts in there.

As expected of an experienced vice captain, Yuuto’s gaze didnt’ change in particular.

「Could it be that those wounds」

「Yes., All of them are from Captain Risty. Well, I was wrecked that time. I never thought that I’d be screwed by the grip of the sword on my anus. If the princess didn’t stop her, I’m sure that I’m not here to tell you the tale」

‘Ueeeee’, Yuuto covers his own ass. It’s Risty. She won’t forgive anyone who harms the princess.

「But, that was the first time I noticed how small I am. I never thought that it’s the difference between me and the 6th. Even my prided tornado sword was knocked down by captain without making a single scratch on her. After a few days, I begged at the captain to enlist me on the imperial guards」

「I see. It’s a case of love, former delinquent」

Risty is sports minded. Easily imagining the enlistment of Marx’ Yuuto laughed wryly. Perhaps, she has a state of mind like an adviser of a baseball club in a senior high school.

「Well, I admire captain」

「Admiring Captain Risty?」

Imagining Risty that’s writhing on her anus, Yuuto walked to the hall of the castle while saying「Well, humans are different」

◆ ◆ ◆

「Ah, afu. Yuutoo. You’re late, you made me wait」

That captain Risty is now leaking a hot sigh while clinging on her subordinate inside her room in the castle.

「Captain, you’re in heat again?」

「B-because. Because of Marx. Being that violent…」

Risty rubs against his groin so Yuuto spit out a thin sigh.

Risty was also like this after the incident with Nekyuara. Even if it was a mock battle, she's already in heat after she threw herself in a fight.

When she had a mock battle with Yuuto, she was absorbed in masturbation at the back of the barracks.

She herself can't do anything about it so Yuuto accompany Risty by「playing」

「Even though you're in heat because of other men, you're using me?」

「Hi, nn. B-Because…Hin~!」

Thrusting his hand into Risty's underwear, he fiddled the wet insides. Risty raised a lovely voice as she's unable to bear it, she began to tremble.

「Yuuto, if it's not Yuuto, I don't want it」

Risty hugs him while saying that, Yuuto had his heart beat hard instinctively. Risty rubs her body into Yuuto's without noticing the pulse.

「Uu, Yuuto. Sorry. It's no good if it's not you. Nuuu」

The right hand he inserted has been wet by the overflowing love nectar. Risty is flooding wet even though she's a virgin, Yuuto gulped down his throat.

「Afu, haaan. Yuuto's finger, I love Yuuto's finger. My head is going dizzy」

Moving her own waist, Risty presses the finger against her clitoris. While leaking a sweet pained breath from the stimulation, Risty stretched her own hand to her chest.

「Hiu. My nipples, my nipples feel amazing. I'm already like this just by thinking about Yuuto」

She's already in tears, Risty shows off her own silliness to Yuuto. Seeing that strong hero in teary eyes, Yuuto's groin enlarged.

「Captain, you're even cuter today

「Fue!?

Hearing Yuuto's words, Risty's eyes opened wide. Risty's face reddened with her ass, Yuuto touched it with his right hand while his heart is pounding.

「Fufu, you're using the anal plug as usual. What a lewd anus captain」

「Ah, Aaah. Don't say that. …Nhiii」

Touching the hard feel over her panties, Yuuto expressed a smile. Pushing it just for a bit and Risty's body shook greatly.

「Wow, just pushing it in and your front is already flooding. You're feeling too much from your ass」

「Fu, fuu. N-No good. Don’t say something that embarrassing」

She desperately suppressed her voice while feeling chills on her body. Seeing Risty that’s breathing rough, Yuuto patted her head.

「Really, you were amazing today. Something happened?」

「Ha, ah. Because, Yuuto」

Risty gradually had tears on the corner of her eyes. Yuuto had a curious look and Risty spoke out as she can’t endure it.

「I-I’m glad. I thought that Yuuto had gotten tired of me already. I thought you wouldn’t come」

He’s hugged strongly by Risty. Yuuto spoke out in a hurry to the crying Risty.

「Eh? W-why would I get tired of you?」

Soothing by stroking her back, Yuuto stared at Risty curiously. He certainly didn’t meet Risty recently but he’s confused that Risty is being upset.

「R-really?」

「Really. I’m glad that I met captain Risty」

Hearing Yuuto’s words, Risty’s face warped. But, Risty looked down without her uneasy expression disappearing.

「But, Yuuto is going out with Thunderbolt don’t you? Your favorite is Asuka so my turn would be…」

「W-w-w-w-wait a moment. Who’s going out with who!? Or rather, why?」

Hearing those words come out of Risty’s mouth, Yuuto opened his eyes wide. Risty is the one who tilted her head this time.

「Is it wrong? Thunderbolt is saying that she’s going out with Yuuto though」

「How the hell did that happen?!」

The characters WHY1 appear on Yuuto’s head. Certainly, Thunderbolt’s actions recently feels strange but Yuuto has no memory about going out with her.

「Yuuto confessed passionately, though he refused to make love with her all night long, she said that you’re already going out with her」

「Howaii!?」

He doesn’t get it at all. Yuuto opened his mouth wide. Seeing Yuuto’s confused state, Risty somehow guessed the circumstances.

「W-was it wrong?」

「It’s wrong!? I certainly did things to Thunderbolt-san several times but. I haven’t

grasped her weakness just like Captain Risty」

It’s ridiculous but it’s true. Risty opened her mouth agape and the eyes that stopped the tears began flowing again.

「T-Then. You’re tired of me and going out with Thunderbolt…」

「Not! There’s no way I’d get tired of Captain Risty!?」2

Yuuto shouted and his voice sank into Risty’s body.

The moment she understood it, Risty had relief surge in her whole body.

「I-I’m glad. If I was disliked by Yuuto…」

Yuuto draws his eyebrows feeling troubled as he support Risty. He’s happy that he’s loved but he feels tight when she cries. Yuuto gently embraced Risty as he doesn’t know what to do.

「Aaah, Yuuto. I love you. I’m going to do my best. I’ll do anything. I don’t mind doing anything. Please use me more」

Embracing Risty closely, Yuuto confirms the warmth and put force in his arm.

「Don’t throw me away. If it’s for Yuuto, I’ll do any shameful things. Please love me」

Yuuto held his fist as Risty snuggle him. Seeing Risty’s sorrowful expression, Yuuto’s chest heated up.

「Captain…」

Risty waited impatiently for Yuuto to continue his words as her interior become hotter.

Chapter 20: Reason to fight (3)

「S-Say something…」

Muttering, Risty exposed her body and turned her arm behind. A pink lump on her brown skin is hard and shown towards Yuuto.

「I love you. I love you Yuuto」

Her shoulders are trembling. Risty turned her crying face to Yuuto.

The strongest female hero in the kingdom. The girl that you expect her to be now shows a frail expression, hot blood flowed in Yuuto's chest.

Yuuto hugged Risty while asking whether he is qualified.

Risty opened her eyes wide from the unforeseen gentle magnanimity. Feeling the strong power from his arm late, Risty listened to Yuuto's heartbeat in confusion.

「Y-Yuuto…?」

She doesn't even know if it's okay to hug back. Yuuto whispered to the shaken Risty.

「Captain, let's do it gently today」

「Fuee!?」

Hearing Yuuto's whisper, Risty's heart jumped. It's outside her expectations. Thinking that he's plotting something, Risty stared at Yuuto's face that's in front of her.

「What's wrong? You don't want it?」

「I don't hate it! I don't hate it…but」

Why so sudden? Risty didn't speak those out. If she asked, she feels that he'll never say it again.

That's why she muttered. Without knowing what to say, she said her honest feelings while being aware that what she's going to say is strange.

「I do love Yuuto」

With her voice that won't go back, Risty's brown skin dyed red. Yuuto gasped.

Her thoughts are different from feelings. She doesn't have time to think whether she shouldn't have it, Risty's body jumped to Yuuto's chest.

Her breath was in disorder. While listening to the rough breathing of Risty that's impossible to conceal, Yuuto reached out to Risty's head.

「N, Yuutoo」

While patting her silky blonde hair, the spoiled voice of Risty reached his eardrum. Yuuto spoke to Risty while suppressing his pulse.

「I'll do anything for today. What do you want?」

He wants to make her happy. Yuuto's feelings reached Risty, her heartbeat grows faster too.

「Y-You'll do anything?」

「Yes., anything. As long as I can do it」

Yuuto genly replied to Risty's confirmation.

Surprisingly, Risty immediately caught Yuuto's chest.

The lips that's thought to be hesitating, it moved clearly.

「Kiss me. Like we're lovers」

Though she's blushing bashfully, she looked straight. Yuuto laughed and was surprised at the same time.

Risty saw that and her face looked uneasy.

「N-No good?」

She strongly gripped the jacket with her finger. She muttered sorry in her mind. Yuuto slowly piled up the lips of Risty that's been worried with his own.

Then, he had his second kiss. Yuuto's not confident whether he did it well.

Yuuto certainly felt the softness of the lips but tears ran down on Risty's cheeks. He has no way of knowing it but Yuuto continues to kiss her strongly as Risty's body harden.

「Captain…n」

「Nmu!?」

Forcibly opening the lips, the tongue went in. Risty opened her eyes wide from the sudden shock.

She unintentionally lowered her face and stared at Yuuto with a surprised look.

「S-sorry. I suddenly」

「T-t-t-t-t-t-tongue!?」

Was he too impatient? Yuuto had his heart sound surprised. Yuuto had no experience except his first time with Asuka.

But, Yuuto curiously frowned to the appearance of panicking Risty.

「S-sorry. Maybe I was overdoing it. I-It's not Yuuto's fault for the tongue to hit」

Even though Risty's face is already this red, Yuuto somehow feels uneasy. She's perplexed instead of hating the tongue.

Indeed he thought, Yuuto asked Risty.

「Captain knows how to French kiss?」

「Fua!? French!? Ah, Yeah. I know. Isn't that, uhm, a deep one?」

Risty's eyes can't settle down, Yuuto instinctively opened his mouth wide. Then, the ticklish feeling boiled in his chest.

「A French Kiss is when you kiss and put in your tongue」

「T-Tongue!?」

As expected, Seeing Risty shake her shoulder, Yuuto brought his face close.

The lip take a long breath and Risty's heart is throbbing fast.

「My and Captain's tongue would twine」

「T-twine?…That's」

Embarrassing. Her voice vanished and she averted her gaze from Yuuto.

Ignoring the shortcoming up until now, but Risty's breath grew rougher as she's feeling embarrassed from her ignorance.

(Twining tongues, eh? Yuuto, me? Why?)

But, not knowing how to intersect tongue, Risty body reacted. The hole where the plug is tightened and nectar overflowed on the hole in front.

(What should I do? I-I want to do it. I want to do lewd kiss with Yuuto)

Was that too lewd? Risty somehow understood.

Returning her glance to Yuuto slowly, Risty opened her mouth slightly.

「What should I do?」

Glancing at Risty's tongue, Yuuto looked down shockingly.

While feeling his heart beating faster, Yuuto kissed Risty.

「…N!? N, Nmuu! Nn」

Risty shuts her eyes closely as the tongue was put in. The tip of Risty's tongue has become hard and Yuuto poked it.

「N, Ah. Fua」

Risty felt relaxed as the tongues flicker. Yuuto pulled out his tongue to let the voice leak.

「Puha How was it? You don't like it?」

「Ah, I'm okay. It feels strange but I might like this」

Risty fidgets and rubs her crotch. Seeing Risty's wanting expression, Yuuto felt relied and overlapped the lips again.

「N, Chu. Ah…afu. It feels good, amu, nn」

This time, Risty was the one who entwined the tongues. It's timid but it moves to seek pleasure.

(What's this? I'm feeling light. Yuuto's too close. Kiss feels great)

When she noticed, Risty is already lusting over Yuuto's tongue.

Twining with the tongue, she's pulling the lip like sucking.

「Nbu, N. Ah, ah」

Risty knows that it's shameless. Still, her body feels a burning sensation that Risty's head feels helpless when they stir up.

「Kissh, kissh feels good. Afu, Yuuto」

「N…It's fine, you're cute」

Yuuto traced Risty's back as she's looking at him with worried eyes. The embraced Risty curved and the finger lowered.

「It seems that you're feeling it in your ass too」

「Ah, fuaa. Ah, because. Kiss, we're kissing」

The plug was tapped by the finger. Risty's consciousness is about to fly easily while being stimulated lightly by Yuuto.

「Na, ooo, Noooo~」

Risty herself wasn't able to understand the pleasure that runs through her back. Risty scattered a splash and stared at Yuuto with a surprised face.

「Hyaa, ah, why? I-I became sensitive…」

While her feet was trembling, Risty was agitated from the thing that happened to her body. She knows that she's sensitive but earlier was abnormal for her.

「Captain seems to like kissing. See」

「Nnn!? Nn, Nnnu!」

Putting the tongue in, Risty's waist went up. While gently licking the tongue, Yuuto picked Risty's clitoris.

「Nnnnnn!? Nnn!? Puha, Ah, afu!」

Risty lost power while jumping up trembling. Yuuto squeezed Risty's clitoris while

supporting her with both of his arms.

「Ah, ahii, nguuu!」

When he twist the other nipple, something went out from Risty's crotch.

Seeing that, Yuuto increased the speed of stroking./

「Ah, ya, no good. Cumming, Nhii…aaaaaaaaa!」

A splash flew matching the rhythm of the stroke. Risty shook her head from feeling too much shame.

「Auuu, cumming, it's coming out」

「Go on. I'll be watching as Captain do it」

Saying that, Yuuto embraced Risty. Her legs was spread and her calf was lifted.

It's not much of a posture but Risty's body run up.

「Ah, afu, aaaa」

For one last push, Yuuto's voice shake her eardrum.

「It's cute, Risty」

That moment, Risty's whole body reached climax

「Aguu, iguu…ah, aaaah, aguuuuu」

She went convulsing on Yuuto's hand. Then, her incontincnce has flowed out and Risty embraced her heart helplessly.

「Au, aaaa Ohiko1, Ooooo」

Trembling to pleasure, Risty who had vacant eyes put power on her anus.

「Nfuu, oh, no…ohooooooo」

Hearing the sound of the anal plug that dropped on the floor, Yuuto gently embraced Risty.

* * *

1. Pee.

Chapter 21: Reason to fight (4)

「N, Chu…Na」

Feeling the wet hot tongue of Risty, Yuuto scratched his cheek as he's troubled.

Risty continues to kiss Yuuto for an hour already.

While pulling the plug by her own, Risty kept stabbing her tongue inside Yuuto's mouth while having an ecstatic expression.

「Puha. Love, I love it. Naaa」

The nude Risty stares at the blushing Yuuto. The girl in his arms has been spoiled too much that she's like another person.

「Really, you seem to like kisses now」

「Afu. B-because. I never had thought that a kiss with a man is like this」

Feeling Yuuto's lips, Risty's body and leg kept trembling.

Though she's embarrassed that her secret place is drenched, Risty put efforts to tighten the plug.

「O, Oooooo. N-No good. I'm cumming from my anus while kissing」

Watching Risty had her whole body twitch anxiously, Yuuto rubbed her back and told her 'there, there'

Though she's a handful captain, he decided to accept her. Risty shut her eyes happily as Yuuto's palm gently stroke her.

◆ ◆ ◆

「By the way, why did Captain become a hero?」

Looking down on the lying Risty that came too much, Yuuto asked his thoughts.

Risty fixed her breathing and she slowly turned her face to the questioning Yuuto.

「Why did I become a hero?」

Getting up, Risty looked at Yuuto curiously. Her face is asking 'What would you do after hearing it?'

「It's for reference or, I just want to learn more about captain」

But Risty's face turned red after hearing Yuuto's honest words. Risty scratched her head while facing the smiling Yuuto.

After stopping her words for a bit, Risty plopped on the bed. Seeing Risty being unusually evasive, Yuuto tilted his head.

「Let's see. …I maybe can talk to Yuuto about it」

Yuuto listened to Risty's murmur.

「I actually am a woman that shouldn't have been a hero」

Hearing that indifferent voice, Yuuto opened his eyes wide.

'What do you mean?', Yuuto silently looked at Risty's eyes.

Then, she's a bit uneasy. It's like her eyes are saying that he'll hate her after she speak about it so Yuuto shut his mouth.

Confirming that there's nothing coming back from Yuuto, Risty leaned on the wall.

She looked far away. Feeling nostalgic, Risty spoke up.

「The place I was born is the dessert Area called Owen district」

It's the first time he heard about Risty's past. Yuuto heard some familiar words as he watch Risty's hand.

Owen. It's Risty's last name.

「That's a nowhere. No, it's a town that's crowded. The place I was born is a town outside the wall」

Risty's expression of remembering is empty. Unable to read Risty's emotion, Yuuto silently stared at her.

「It's a cruel place unlike the rich inside. You have to rummage through garbage for food and water, that's the place I was born」

Yuuto saw Risty smile at that time.

Then Risty's facial expression slowly turned cold, Yuuto felt chill on his back.

Risty reports without looking at Yuuto.

「I was desperate to live. I did everything. To steal, to snatch, I did all the bad things」

Yuuto's pulse jumped.

「Err, all?」

His sweat flowed. Yuuto's voice trembled but Risty stated the truth indifferently.

「I murdered. It's not even an excuse of protecting oneself. The 10 year old little girl is living in the trash. Of course, there would be such fellows」

Yuuto's throat went dry. Even Yuuto knows that Risty has a beautiful body. But, in short—.

「When I was 9, I was caught by a garbage band of thieves. There's nothing I can do. They found out that I'm the one scavenging on the garbage site. …It's laughable. In a

world filled with trash, I have to live by slurping the trash there」

He held his breath. Not knowing what to say, Yuuto listened to Risty's story with open eyes.

「I was stripped nude, was violated and hit. At that time, a fragment of glass was reflected in front of me who fell down」

It was beautiful, Risty's lip moved slightly.

「When I realized, I was standing in a pool of blood」

Something runs through Yuuto's back. Looking at Risty's expressionless eyes, he felt her as if she's laughing somewhere, Yuuto held his breath.

「It's laughable. For the first time in my life, I laughed from the bottom of my heart. … From there, it's just predictable. I was loathed called『Thief』when I was aware. It was an easy work of stealing money and goods from the rich in the town」

Risty grasped her fist. Those eyes aren't suited for him, Yuuto pressed his heart.

「W-were you a honor thief?」

Hearing those words, Risty's eye caught Yuuto. Then, she laughed.

「Hahaha, no way. I'm just aiming at the rich as they have a lot of money. …There was no need to kill. It wasn't able for anyone to catch me」

Risty spoke her time calmly.

One girl who doesn't have justice at all.

「One day, I heard about the princess coming into the town. I was foolish. I was having such thoughts of『She might have money』」

Princess. Perhaps, it's the princess she loves and respects. Hearing an unimaginable story, Yuuto's heartbeat goes faster.

「The princess taken along by the imperial guards was beautiful. She was sparkling unlike me who's dirty. …I thought it was unfair. Then, I attacked the princess」

Risty looks somewhere while telling an old tale. For her, it's an important memory but she doesn't want to remember it, Yuuto has no way to know.

「I can't forget it, I was 11 years old that time. I mowed down the imperial guards and run through the princess. It's not like I'm going to kill her. I just wanted to ask. What does it feel?」

Gulp, Yuuto swallowed his saliva. Though it's natural, the imperial guards are elite troops. For Risty to mow them down in that age, just what kind of girl is she?

「Then…what happened?」

He finally was able to squeeze his words. Risty smiled at Yuuto's interjection.

「I was held down. The captain of the imperial guards that time, lord Pergiman. I was surprised. After all, it was the first time there's someone stronger than me」

Risty gritted her teeth. Yuuto realized the change in Risty's face. What would be her memories from here?

「Then, I saw. The figure of the princess while I was pinned on the ground」

Saying that, Risty fell silent on a moment. Recalling this memory, she chose the words to tell Yuuto.

「She was beautiful. It was too beautiful and cute. …I understood it immediately. That I am living in a world different from her」

The world is different. Saying that, Yuuto listened carefully in silence. The world Risty felt is too distant, supposing that he himself came from a different world.

「That's why I cursed. Why, why is it so different. I threw the flame of my resentment in life to her who's age isn't different」

Risty's voice isn't steady. Yuuto thought it's unexpected.

「But she said. To the one who attacked her, to the eyes that's cursing her, she smiled」

That's the moment the world had changed.

『You, can you protect me?』

'I can't forget her voice'

「Can you believe it? Next day I was invited as a member of the imperial guards. It seems that I was seeing a nightmare. No one would say anything about me in that place」

Yuuto stared at Risty that instinctively laughed. Even she called it a nightmare, her expression is gentler.

「Then the princess gave me a warm bed, work and education. Me who's unable to read a character was read by the princess a picture book」

Risty's voice is thin and deep, it's cold like a knife. Noticing the difference in temperature, Risty looked at Yuuto.

Yuuto instinctively went back from the sharpness of the gaze.

「I know, Yuuto. …The princess changed me from trash to a person」

Then, she became a hero.

「Climbing to the 4th position in the hero ranking, the leader of that imperial guards and the people on that town don't think good of me. It's natural. The fact that I am a trash doesn't change. The madness I held that day still breathes in the rotten meat of me」

Risty told the man she fell in love with for the first time the reason for her to grip the

sword.

「But, the princess needed me. That's enough for me. Justice or wrong, human or demons are unrelated. …For me, the princess is the only absolute justice」

Risty's tone shook Yuuto's back.

Dangerous. Such words floated. But, that danger is the source of Risty's strength.

Risty glanced on Yuuto that holds his breath. Then, she sighed while closing her eyelids.

The smiling Risty is the girl Yuuto knows well.

「I became a bit tired. Sorry for accompanying me」

「N-No. I was the one who asked」

Yuuto spoke in a hurry to the standing Risty.

A slightly awkward air flows, Yuuto scratched his cheek instinctively.

Risty felt embarrassed from that Yuuto.

「I'm also grateful to Yuuto. …The princess made me a person but it's definitely you who made me a woman」

Stunned by the sigh, Yuuto stared at Risty's naked body.

「If you'd like, please teach me more. If it's in front of Yuuto, I can be a dirty woman」

She said so with a smile, Yuuto hugged her gently.

The night has just began.

Chapter 22: Reason to fight (5)

Thunderbolt had her pulse beating hard in happiness.

「kufu, fufu. Yuuto-kun, Yuuto-kun」

She's being a lookout in the Trishulia Castle. Even if she's looking over the town from the tower, Thunderbolt laughs as she feel the sound of her heartbeat.

Before he had entered the castle, she had been watching Yuuto entirely ever since he set foot on the capital.

He's somehow sticking with Asuka today and he apparently came for Imperial Guards work today. But, she had also understood that Asuka would come.

「Yuuto-kun, coming all the way to the capital. …Just to come and meet me」

Thunderbolt's cheeks loosened as she can't think of anything else.

It's the happiest time in her life.

「Yuuto-kun. I love you」

Thunderbolt rise to her feet slowly while whispering sweet words.

Her shift should be ending soon.

She has to dress and meet him by chance as he's a shy man.

◆ ◆ ◆

「Iyaa, the princes was beautiful today as well. After all, I have a feeling that it's a Hero thing to be in the meeting」

Asuka who finished the Imperial Troops regular meeting walked triumphantly on the hall of Trishulia castle.

Though it's said to be a meeting of the imperial troops, it's rare that princess Charlotte attended. Seeing the appearance of the princes up close, Asuka snuffled in excitement.

「I'll look after the princess! It's not captain Risty but it's a duty of a knight. I feel motivated!」

Her training is going well recently too. After her fight with Risty in particular, Asuka felt that she's actually growing somewhere.1

As a matter of fact the experience of near death fight to the limit with the captain of the imperial guards had made a huge development for Asuka as a Hero.

「I have to live up the name『Skarlet Sky』given to me by the princess, I have to…hey, what's going on?」

The enthusiastic Asuka looked at her side while frowning.

Yuuto is penetrating the silence with a serious look.

He's been like that since a few days ago. It's a calm face but it's strange.

Asuka finally called out to Yuuto who's clearly worried.

「What, something happened? Tell it to Asuka-sama」

It's unusual for Yuuto to make that face. Asuka listened for Yuuto's reply while making a slight joke.

Hearing Asuka's question, Yuuto raised his face while sighing. 「Something on my face?」 He said and Asuka laughed amazed.

Yuuto scratched his cheek.

「No, what to say. …I just wonder if it's okay for me to be a hero」

Asuka opened her eyes wide due to that statement.

「Don't everyone have various reasons to become a hero. Even Asuka-sama…but I have nothing. I'm just wondering if this is okay」

Yuuto thought about Risty's past.

Her thoughts and justice is distorted but she's still certainly a hero.

There's no need to be perfect. However, Yuuto who has nothing looked at his right palm.

Asuka is the same. She was a young girl when the demons burnt her hometown. Her journey was never a bright and filled with glory.

On the other hand, he has nothing. He was just bored in life and died. Even the use of his godly ability is left to Asuka.

However at that time, Asuka opened her mouth and made a sound that echoes in the area.

Asuka laughs while holding her belly in tears.

「Pu, Hahaha! W-what the hell? It doesn't suit you at all!」

Seeing Asuka laugh, Yuuto pouted. Being glared at, Asuka wiped her tears.

「Because, o-of all things, 『I wonder if it's okay』Hihi! Shit, I'm dying!」

Asuka desperately tries to fix her breathing. Yuuto sent a frowning gaze.

But, after Asuka finished laughing, she slowly turned to Yuuto.

Yuuto held his breath when he saw the smile of Asuka.

「Idiot. Aren't you my treasure tool? Don't worry, I'll be using you and be a proper hero. That's why, don't worry and be a lazy man」

Asuka told him to not force himself. Yuuto looked at Asuka surprised, he scratched his cheek as if giving up.

「I'm being no good」

「That's right, no good. Fufufu, be thankful that I'm making use of you」

Stiking out her chest proudly, Yuuto expressed a smile to Asuka who returned unnaturally.

Giving thanks as he was told, Yuuto pat his chest that felt warm.

He still don't know what he can do until now. 'But, as long as I'm with this girl', Yuuto had vowed once again in his heart.

「Oh, isn't that Yuuto-kun and Asuka-san?」

When Yuuto placed his hand on his chest, a voice from ahead was heart.

Looking at it, It's Thunderbolt wearing the eyemask waving towards here.

「Ah, It's been a while」

「Fufu. It's fine, you don't have to be shy when visiting me since I'm okay anytime」

Thunderbolt smiled happily on Yuuto who bowed his head.

Of course, Thunderbolt has sensed that Yuuto had come to the castle. She waited for the regular meeting to be over and timed the walk on the hall.

(You, since when did you become friends with Thunderbolt-san?)

(ahahaha. That's, things happened)

Asuka speaks to Yuuto secretly but such secret talk won't get through Thunderbolt./ Aceepting the bloodshed, she turned to Asuka.

「Asuka-san, I have something to talk about」

「Eh? M-Me?」

Thunderbolt's tone changed the atmosphere. Hearing that, Yuuto had a bad feeling.

Recalling what Risty had said, Yuuto tries to speak. But before Yuuto was able to speak a word of restrained, Thunderbolt had said it.

「Yuuto-kun and I are going out」2

Asuka opened her eyes wide and Yuuto's mouth suddenly distorted.

Thunderbolt's remark had spread throughout the entire place.

「…Going out?」

Asuka can't understand the meaning of it. 'What are you talking about?', she inclined

her head curiously.

Seeing that pitiful look of Asuka, Thunderbolt continued to speak.

「It's also reasonable for you not to believe it. But, that's true. Yuuto and I love each other」

Yuuto can no longer assemble himself. 'What on hell is going go happen' he thought. Not knowing why, Yuuto slowly looked up to Asuka's face.

「…Yuuto, what does this mean?」

There's a Hanya3 It's a Hanya with a smile attached on it's face.

「N-No. Even I, what is…」

He has something in mind. He did such a thing to Thunderbolt. However, how did they become lovers after doing that? Yuuto doesn't get it at all.

Yuuto's sweat flowed as Asuka looks at him smiling.

「Oh, what, it's you guys. That's quite unusual」

There's a single hero who torn the bloodbath atmosphere drifting.

「Yuuto and Asuka, cheers for the meeting. The next would be next month, don't forget it」

Yuuto turned his eyes for escape to Risty that finished cleaning up the meeting. Risty seems to know the circumstances.

Seeing the desperate face of Yuuto, Risty turned around and spoke up.

Looking at it, Asuka and Thunderbolt's condition aren't the usual. Seeing Asuka shoot out blood thirst, Risty clapped her hand.

「Oh right, Thunderbolt. You see, it seems that you're misunderstanding that you're going out with Yuuto」

Risty declared it with a blank smile and Yuuto's eyes opened wide.

Having no way to stop it, Risty continued to talk to Thunderbolt like it's a gossip.

「Well, I was done by him too. Yuuto seems to have approached you to take advantage of your weakness. Ahahaha, well it's fine. Yuuto is friendly so he'll be gentle even if you're not lovers」

'What a thing to say', Yuuto felt chills on his spine. Then Asuka who guessed most of the circumstances, sent a glance to Thunderbolt.

「…No way」

「Ahaha, I know that feel. But it's still too early to give up. Even if you're not lovers—」

Saying up to that, Thunderbolt had noticed blood boiling in her body. Her aura is

abnormal.

Starting at Thunderbolt who's having a black flicker, Risty slowly turned back to Yuuto.

「Did I say something bad?」

「What do you think?」

Looking at Yuuto and Asuka with eager expression, Risty's sweat began to flow.

On the side, Thunderbolt began to tremble.

「U-Uhm. Thunderbolt-sa…」

He tried to call her timidly but Yuuto's voice was interrupted by Thunderbolt.

「Is Risty's words true?」

Hearing Thunderbolt's voice, Yuuto's body trembled. Asuka and Risty had foreseen danger in between the body of Yuuto and Thunderbolt.

「Err…Yes, it's true」

He can't afford to tell a lie. Yuuto confessed honestly. She spoke「Is that so?」nodding small, Thunderbolt clenched her fist.

「…Was it a lie?」

「Eh?」

Hearing Thunderbolt's trembling voice, Yuuto returned a short reply.

He certainly did something terrible but he doesn't remember lying. To begin with, Yuuto didn't even say「Let's go out」

Without knowing what Thunderbolt refers to a lie, Yuuto put on a perplexed expression.

「Was it a lie to fool me when you said that I'm amazing?」

Yuuto understood why Thunderbolt was trembling.

Thunderbolt feels sad. It's not from her misunderstanding. It's not about Yuuto not loving her.

It's just that she's sad that those words were a lie.

「N-No! That wasn't a lie!」

Yuuto shouted instinctively. He has to tell her this, Yuuto spoke out to the wounded girl.

「It's true! I really think that Thunderbolt-san is amazing! I didn't speak any lie that time!」

That's right. He didn't lie there.

Yuuto believes in his heart that he didn't lie, Thunderbolt asked about the demon eyes within.

「Then, I…」

Saying up to that, Thunderbolt hesitated. That's when she noticed the distance from the boy for the first time.

There's a girl standing beside him. The place of his feelings is obvious.

Yuuto clenched his teeth as Thunderbolt stares at Asuka. But, there are things he must say.

「Thunderbolt-san. You are amazing. I really think you're amazing」

Hearing Yuuto's words, Thunderbolt loosened her fist. Smiling, Thunderbolt said「Then」, but Yuuto continued.

Yuuto clearly stated while being stared by Asuka and Risty.

「But, I believe that Asuka-sama is the strongest in the world. Above you, above anyone else, I believe that she's the『world's strongest』」

Saying that, all of them were solidified.

Not just Thunderbolt, Asuka also opened her eyes speechless.

「W-w-w-w-w-what are you saying!!」

Asuka raised her voice in panic while having her face dyed red. Mixed emotions of embarrassment and joy well up inside Asuka.

Thunderbolt clenched her fist again as Yuuto continues to stare straight at her.

She somehow understood. Who he really looks at.

Different from her, a crimson swordsman who's being spectacular.

Who he's yearning for, is the bearer of the shining scarlet treasure tool.

A genuine hero that fights fair and square.

Still…

「Yuuto-kun, I love you」

Before Yuuto was able to react, Thunderbolt removed the ribbon on her hair.4

She threw it to Asuka.

「——!?」

It's just a cloth without any power. But Asuka knows what the red cloth handed down to her means.

It’s something that’s also performed in earth.

Betting the pride and dignity, it’s a battle that determines the superiority of the soul.

「Asuka-san, I challenge you to a duel」

『Certain Hit』 Thunderbolt had decided to confront Asuka of the『Scarlet Sky』for her own cherished feelings.

Chapter 23: Duel (1)

「D-Do you really intend to fight Thunderbolt-san!?」

Yuuto raised his voice to Asuka inside the training room in the mansion.

Asuka who silently swung the weight sword, wiped off her sweat and answered.

「Isn't that obvious? It's a duel. I must accept it」

Seeing Asuka's expression, Yuuto made a sorrowful face. It's not an atmosphere where she would listen.

「It's my fault. Asuka-sama has nothing to do with this so I'll apologize to Thunderbolt-san…」

「It's different, Yuuto」

Asuka interrupted Yuuto midway. Yuuto became silent from Asuka's serious tone and stared at her.

「It's not about the love affair. …I'm sure that Thunderbolt-san bet everything and challenged me to the duel. Can you believe it? Against me? The ordinary apprentice swordsman Asuka Retroliva is being challenged by『Certain Hit』Thunderbolt to a duel」

Asuka held the sword in front of Yuuto.

Yuuto drank his saliva due to the fighting spirit.

It's the girl from that time. Right now she's not wearing any treasure tool he made.

「I know. Even I think that it's no good. On the high ranks of the heroes, I'm surely the ordinary woman. That's why I can't just run away」

The grip she's holding made a creaking noise.

She must've thought of this all the time.

It's scary that she always turned her eyes away.

For him, she's much more deserving to be a hero—.

But, she won't run anymore. She can't run away.

Because, it's been said. That girl clearly said.

It would be no good if it's not her.

「I really prove what you said. I'll never allow anyone to call you a liar」

Asuka looked straight to Yuuto.

The best in the world. This guy knows what Asuka meant by that.

Even though she's wearing the strongest armor, holding the strongest sword, there's still a place she can't reach.

Then, she'll believe in him. 'To support him, I'll be the strongest in the world'

「I'll win against Thunderbolt-san」

◆ ◆ ◆

Yuuto wasn't able to say anything more in front of Asuka's determined expression.

He can't say anything. He was the one who made her a hero.

「Dammit!」

But he ran. He can't let them fight.

The 10th and the 9th in the hero rankings. The fight they will take will never end safely.

(I don't care if I get hated. I'll take responsibility and stop this)

Even if it ended with him being bound by the infatuation, it's still fine. Not caring what would happen to him, Yuuto ran through the road of the capital.

He heard Thunderbolt's house from Risty so he ran full speed there. Coming up to here, he has no choice but to make withdraw from the start.

「Okay, a bit more. …Hey!?」

Yuuto suddenly stopped. However, upon seeing the unexpected person that appeared in front of him, Yuuto thought that it's perfect and he spoke up.

「Ruby-san? I-I'm glad. Sorry, Thunderbolt-san's house…」

「Yo, I was waiting for you」

However, Yuuto's eyes opened wide from Ruby's misdirected answer.

While looking down on Yuuto, Ruby told him that it's no coincidence.

「I thought you'd come. So I waited」

Ruby approached him slowly and Yuuto retreats vigilantly.

Her tall figure always has an overpowering impression. Yuuto is being careful from Ruby's big breast but Ruby still stared at him directly.

「Good eyes. You have the determination. …You want Thunderbolt to withdraw in the duel right?」

Hearing Ruby's words, Yuuto's face brightened. Ruby also came to stop the duel. He thought so Yuuto tried to ask Ruby's cooperation.

「—Eh!?」

However Yuuto saw an unbelievable spectacle the next moment.

「Please. Please accept the duel」

Ruby lowered her head while saying so. The head of Ruby that's higher than 2m is rubbing deeply on the ground where Yuuto's feet is in.

「Wai!? R-Ruby-san!? Please raise your hand!」

Yuuto was in panic. The 6th in the Hero ranking, 『Safety Zone』 Ruby Sapphire Diamond1. It's a person who'd never lower her head.

「Sorry but I won't. Not until you consent. I'm her buddy after all」

Ruby mutters as she dogeza, Yuuto is at loss. It's her best friend Thunderbolt's duel. Isn't it normal to stop it? Yuuto stares at Ruby's lowered head.

「I think I don't know why. If she's my friend I should stop her I thought. It's reasonable. The duel isn't a question of power after all」

「Then――!」

Yuuto stopped speaking.

The determination was seen from Ruby's body. A yell that is stronger and gentler than the thirst of blood was issued from the lowered head.

「…I get it. Raise your head」

He mustn't let the hero of a gentle heart be covered with mud. Yuuto spoke as he had given up.

◆　◆　◆

「She, Thunderbolt is a child abandoned by the village and her parents」

The words that came out from Ruby's mouth made Yuuto's eyes open wide.

Leaning on the wall at the back alley, Ruby folds her arms and looks in front of her.

「W-why?」

Yuuto wasn't convinced by the sudden confession and asked Ruby.

The 10th in the hero Ranking, 『Certain Hit』Thunderbolt. Why did such a thing happen to a girl with a brilliant military service.

「You know about Thunderbolt's demon eyes right?」

「Of course. She has such an amazing eyes, yet why?」

Ruby smiles from Yuuto's words. Looking on the boy who knows nothing2, she slowly clenched her fist.

「Demon eyes are originally an ability of a demon just like it's name. She was born with

that sort of eyes」

Yuuto also noticed it from Ruby's explanation. Certainly, Thuderbolt's eyemask is originally used to seal a demon.

「She was born from a noble family. She was born from that house. …It seems that it was cruel. It's a prof that they had associated with the demons」

Yuuto was surprised hearing that. He never thought the past of Thunderbolt's eyes.

Just how much hardship she had before she became a hero? Yuuto imagined a lonely hero.

「She thinks that her own eyes are cursed power. Still, she can do nothing but rely on it. She has nothing after all」

Ruby clenched her fist. Her figure is rich. Unlike her who's expressing gratitude from the bottom of the heart, Thunderbolt's curse only torments herself.

「That's why she put on effort. Her archery and flight magic wasn't an inborn talent. The effort and blood that flows she obtained is the proof of her identity」

Ruby tells proudly. Yuuto understands. Ruby admits. Thunderbolt lived through the way of respect.

However, Ruby's face sank coldly after taking pride in her best friend.

「But, her efforts weren't recognized」

He can recognized the anger in Ruby's eyes. Firing a light of, Yuuto's back shook.

Why, Yuuto asks, Ruby put strength on her fist.

「Do you know how she's evaluated? Coward, cheater, dishonest, nothing」

Those are the words Yuuto asked. However, Ruby's expression was more than what Yuuto imagined—.

「I was jealous. They way Thunderbolt fight is just perfect hit.3 …Then, the surrounding fellows throws at her are the worst」4

It's said that she's a coward that doesn't show up.

It's said that she's a coward that aims at the back.

It's said that she's a fellow that can be defeated.

「That's…T-The role is different」

For instance an arena, a battle where she'd go upfront would make her certainly weak.

But, assuming that she won, or even if she's defeated, her results would still be clouded.

However, more than that. The thing that's deep inside Ruby's discernment made Yuuto

held his breath.

「It’s said that the demon blood that’s flowing on the demon eyes of her made it inevitable for her to be dishonest」

The moment he heard that, Yuuto’s temple bursted.5

「Don’t fuck with me. Is that what a hero do?」

Yuuto even forgets his tone as he think of a single girl.

Just what does she feel as she continue to draw her bow.

Seeing Yuuto’s expression, Ruby looked at him with gentle eyes.

Finding out that her best friend wasn’t wrong, she clenched her fist.6

「Even if it’s called a Hero, they’re decided by physical strength and power. There are a lot of people that are like a scoundrel. …Even I am not living in a road of just praise」

Ruby stared at her fist.

「She’s different. But, piling up her achievements, she was appointed with『Certain Hit』as an alias but she has no allies」

It wasn’t recent until I met her, Ruby bit her lip in vexation. If she had met her earlier then she might’ve saved her.

Ruby looked back. To the companion of the Swordsman Scarlet Sky. Brilliant, a fragment of the hero that’s the center of the spotlight.

「She intends to prove it to you. Her own brave figure. That she’s not a coward」

That’s why, watch with your own eyes. Ruby says so, Yuuto can’t say anything back.

Yuuto could do nothing but nod, Ruby muttered ‘Thank you’.

Chapter 24: Duel (2)

『Mother, there's a gentleman other than father last night, what were you doing?』

That word didn't change my life.

『Though you're shut in the storehouse, why do you know the village?』

『It must be because of that creepy eyes and the blood of a demon』

『Even the child that died in the mountain was pinpointed precisely』

What to do, it became like that soon.

『Why, a child like you—!!』

I'm sorry

I'm sorry for being born

I'm sorry for being born with such eyes.

『Demon child』

I don't know. I don't understand that sort of thing.

But, it's not mother's fault. That person didn't tell a lie.

If there's truth—

I'm a person that's been born in a bamboo basket.

Abandoned by the village, I was chosen to live alone in the road.

The eyes that's been tried to be crushed a lot of times is my only power.

『I'll become strong. I'll become strong so Mother can call out for me』

I pulled the bow. If I use this eye, I can hit better than anyone.

I learned magic. Is it a proof that I'm a child of demon as I have the aptitude.

I killed. Demons, scoundrels. Perhaps those people had murdered people to keep living.

When I noticed, I became a Hero.

『Hero, Thunderbolt. Your achievements are praised and you'll be given a title of 『Certain Hit』』

I was glad. I thought I was recognized.

『Coward』

Wrong.

『Help? I can’t say that when she’s just snatching the achievements from behind』

Wrong.

『She’s a coward that can’t even cross swords fairly』

…Wrong

『A disgrace for the Aliases』

…Wrong, I think.

『Isn’t that amazing!?』

Is that so? I? Really?—

『Thunderbolt-san is amazing』

I opened my eyes. I stared at my cursed eyes.

『The Marvelous Rookie! A crimson swordsman beauty, 『Scarlet Sky』Asuka Retroliva!』

I envied her.

I envied everything about her.

「What a fool I am」

It’s obvious. The opponent is the most famous swordsman. Her sword cuts everything, and her armor prevents everything.

There’s no way I can win.

「Please watch, Yuuto-kun」

I gripped my bow. I won’t make excuses. I have begun my own duel.

「Still, I…」

◆ ◆ ◆

The cheer echoed.

Coliseum. The stone arena that’s filled by tens of thousands of spectators had been overflowing with heat.

『Everyone! Thanks for the long wait!

This is Trishulia’s arena special match! The duel of combatant Asuka of the『Scarlet Sky』and combatant Thunderbolt of『Certain Hit』is going to happen!!』

Shouts of joy. Yuuto’s perplexed gaze in the arena ring is buried in the voice.

「To have a duel in this large place…」

「It’s natural. It’s a duel between the high rank heroes. The country has the right to see

through this」

Sitting near the top price, Risty answered Yuuto. Yuuto sent an anxious expression to Risty on his side.

「It’s fine isn’t it? Both of them will be safe right?」

「…I wonder. This is an official duel. If you follow the conventional form—」

Risty starts to speak and the commentator told the audience about the real situation.

『Everyone! Today isn’t just your usual fight! It’s a genuine duel that’s recognized by the Trishulia royalty!

Put all of your bets, your pride! It’s a match that would only end if they’re determined impossible to continue or given up, It’s a life-risking match!

Actually, I’m 138th rank in the heroes! Idol Hero Mihorin!』

Hearing the situation, Yuuto put his hands together and prayed. Please keep the two of them safe. Yuuto prayed that to the god he doesn’t know where.

『Give it a round of applause! Asuka Retroliva of the『Scarlet Sky』is entering the east wing!!』

Along with her shout, an unexpected amount of shout of joy went up.

Yuuto looked around surprised because of the violent sound.

『I ask for a loud cheer! She’s an exceptional swordsman who topped in just a year!

Her achievements are admired by all of the soldiers! Wearing the world’s most famous treasure tool named Scarlet Sky in her body, She’s a super rookie that keep piling up achievements!

Completing a number of A-class quest with a marvelous number of 17 this year! The pride of our country, the 9th in the hero ranking!

Combatant Asuka of the『Scarlet Sky』, All of the spectators who expect from her please rise from your seats!!』

The commentator shouts.

With the overwhelming atmosphere that’s beyond heat, Yuuto looked at Asuka with wide eyes.

Yuuto stares at Asuka like he’s unable to believe it, Risty spoke.

「You’re too close yet you don’t notice? This is the current Asuka. She’s not a hero. She’s a superstar that’s been sent admiration by the people of Trishulia. That’s her」

Asuka waves at the spectators bashfully, Yuuto was in utter amazement.

Then, Yuuto noticed how foolish he is.

『Why do you train that much? You don’t need to anyway』

Expectation. That word attacked Yuuto’s back.

Tens of thousands of people. It’s ten times in actual. The glance of them, the voice, it attacked Yuuto’s chest.

(S-such a thing Asuka-sama—!?)

He’s attacked by nausea. Feeling the strong pressure that’s not turned over him, Yuuto held his mouth unconsciously.

This is the hero made by my treasure tool?

Unexpected. Yuuto burned had the image of the girl he loves standing in the arena in his memory.

「A-Asuka-sama…」

Asuka is dressed in her white everyday clothes, she hadn’t loaded her armament yet.

She’s standing without wearing both of her Scarlet Sword and Scarlet Armor.

Her right hand has the weight sword that she swings during training. It’s a sword for training, it has no sharpness.

(Still, it won’t do well if it hits)

It’s a mass lump of iron. While Yuuto was watching her, Asuka stared at the opponent shed strike with all of her power.

(I don’t think of going easy. I’ll swing this best sword with all of my strength)

The footsteps sound towards the ring.

Erasing the cheers, she showed her figure to the arena by making one step at a time.

There’s a great booing wrapped around the hall.

Asuka looked at the seats of the audience surprised, however she set foot on the ring without changing her expression.

「You coward—!」

There’s something thrown out. Thoughtless malice came from all directions, it bursts in the air before it reached her.

『E-Everyone! Give it a round of applause! Also, the surroundings of the ring is defended by a barrier magic by a hundred magicians! There won’t be any danger from anyone in the hall so please be at ease!』

The hall was wrapped with boos and grimace from the report. She knows it, the cruel voices of the spectators can be heard heating up.

「How dare you challenge Asuka-sama!!」

「Die—!!」

「What kind of scheme is this you coward!?!」

「Finish her off, Asuka-sama—!」

There’s no words of praise for her.

The commentator prepared herself from the disastrous scene.

『T-There’s a great booing from the hall! Combatant『Certain Hit』Thunderbolt is coming in from the west wing!!』

The booing almost cracked. Angry voice, slander. The mass of malice is poured on the girl in the ring.

『Everyone, please listen! This booing!

Not much in this kingdom knows her! The strongest bow user from the successive generations of Hero aliases! And a demon eyes carrier that we don’t know whether she inherited it from a demon!

A hater of the first hero, but pay close attention to her achievements! She had subjugated a marvelous number of more than 5,800 demons so far!

The strongest bow use this country takes pride in!! The 10th rank in the heroes!! Combatant『Certain Hit』Thunderbolt! She’s now coming in the ring while taking the criticisms of the spectators』

She stood there.

Thunderbolt looking straight to Asuka is projected into Yuuto’s view.

(W-why are you…)

She should know that this would happen. Yet. why—

By hearing Yuuto’s voice of the mind, Thunderbolt felt the air in the hall.

Slander, Booing, expectation, everyone is wishing for her to be defeated. She can feel and tell each.

(Thank you, Yuuto-kun)

Among them, Thunderbolt smiled while hearing Yuuto’s worried pulse.

(It’s being transmitted. Your gentleness, your feelings. But—)

She noticed it at the same time. She understands. Where Yuuto’s feelings head the most.

That opponent, Thunderbolt looked through the inside of her eye mask.

(She won’t use the scarlet sword? …I’m thankful. Asuka-san is serious. Otherwise, it won’t mean anything)

The symbol of Asuka, the Scarlet Sword Brynhildr. She'd die if she was cut by that.

In short, her swordsmanship would become duller. There's no meaning even if she win against that.

「Asuka-san, thanks. You played along with my selfishness」

She thanked her. Thunderbolt expressed her sincere gratitude to Asuka. A person like herself won't profit anything from the duel. Thunderbolt said her thanks for having it accepted.

「No, I should be the one thanking you. I was waiting for this day anxiously too」

Asuka's answer made Thunderbolt stare at her in surprise. Asuka smiled to the wondering Thunderbolt.

「Thunderbolt-san isn't the hero I though of. Normally, I'm not an existence to accept this kind of cheer」

That's why. Asuka turned her sword to the hero in front of her. She had a dream to exceed such existence. The brave hero I've yearned for when I was young is now standing in front to fight me

Is there such happiness?

Asuka vowed with all of her body and soul.

「Scarlet Sky release, Aperiteeeeeeee!」

She shouted and wore it. She belives in the strongest power.

Thunderbolt held her breath because of the『Scarlet Sky』that appeared in front of her.

(T-this is…Asuka-san's—!?)

The Scarlet Sky Armor shines colored crimson. Asuka's prided godly armament that Yuuto created.

The whole hall boils up from the sudden appearance of the scarlet swordsman.

『I-it's heeeerreee!! Can you see it!? It's my first time to see it up close as well!! So that's the famous symbol of combatant Asuka's Scarlet Sky armament!! Combatant Asuka is going full force from the staaaart!!』

The hall made a stir. It's natural, there's no one but her who can do such a flashy appearance.

(I'll exceed her! I'll surpass Thunderbolt-san and stand next to him with pride!!)

Asuka shoot out fighting spirit. Thunderbolt knew its strength. Even she had bet something to confront her.

「…Thanks」

Thunderbolt felt relief. She's glad that it's this girl he fell in love with.

Perhaps, him and Ruby included, there's no human who would think she would win.

She even thought of relaxing her attention. There's no way to win. What can she do against the opponent like her when she who just shoots using bow and arrow?

But, she still doesn't have the intention to lose.

(I'll win! I won't think of losing! Against Asuka-san who accepted the duel, this is the courtesy that I must do!!)

She thought of him. She thought of him who recognize her.

She grasped her eyemask. She won't run away anymore. She'll strike the strongest swordsman in front of her with her whole power.

「Aaaaaaaaaaaaaaaaaaaaaaaaaaa!!!」

Seeing the real face hidden under her mask, Yuuto held his breath and opened his eyes wide.

Golden eyes and cross pupils. Her pupils are as if it's purpose is to establish aim.

『W-w-w-w-w-w-what!!! Combatant Thunderbolt had thrown away her eyemask and released her demon eyes!! I-It's seen for the first time! B-Both of the combatants are going full force from the start!!』

However, the scar around her eyes are more than that, Yuuto thought of her past.

「D-Do your best!」

His muter reached the depths of her eyes.

It's enough. That alone was enough. Thunderbolt poured everything on the demon eyes she believe in.

That's not a power to torment her.

The power created that time made her the happiest in her life.

The wave motion of perception is shot. Hall, Ground, Atmosphere, Molecule, Atom, she opens herself to something that exceeds the science.

She's truly the strongest bow user in the world. Asuka spilled tears of delight and changed her fighting spirit.

(I'll exceed her!! I'll beat this strongest hero and I'll be the one standing next to him!!)

She's the same.

(This isn't a cursed power! He recognized my ability! I'll exceed the woman he loves!!)

The atmosphere trembled.

Asuka lowered her waist and Thunderbolt sets up her bow.

『M-Match Staaaaaaaaaaaartt!!』

Then, the duel had began.

Chapter 25: Duel (3)

The moment the signal of the start of the match sounded, Asuka lowered her waist greatly.

She's making a stance of charging. In order to cut down with one stroke, Asuka poured all of her nerves to the point of the sword.

(I'll finish this in one blow! I'll be at disadvantage if she takes distance! I'm going to leap to her chest and end the match with one blow!!)

She stepped on the soil firmly. The ring of the arena breaks and the repulsive force changed Asuka into one arrow.

Asuka can't think of losing. What she's wearing the strongest armor in the world, the Scarlet Sky.

But, she can't win with just that. She wants to show it to Yuuto. To make Thunderbolt understand.

(I will surpass that『Scarlet Sky』in this battle!!!)

That is her mission to meet a miracle—!

『M-Match Staaaaaart!!』

Before the voice had echoed, Asuka fired herself.

The ring hollowed. With the speed of Asuka that accelerates forward, Risty that's on the audience opened her eyes wide.

She's far stronger than that time—

「——!?」

However, the eyes of the accelerating Asuka sees an unimaginable spectacle.

Thunderbolt. She's jumping towards her.

Pulling the bowstring, Thunderbolt had kicked the ground and rushed similarly as she open her golden cross-pupil eye wide.

She's surprised for a moment. She's already prepared for something unexpected. The difference arises as a result inside the ring.

「Guuuuu!?」

The impact of the arrowhead strike the middle of her forehead. Asuka can tell the strength by the ring on her chest.

Her neck was flicked off even if there's no damage. She kept on piercing her with the arrow to prompt her away, Asuka's body was always swept backwards.

(Having such power from only bow and arrow!)

As her right chest pains, Asuka approached Thunderbolt while scowling.

Brushing aside the glint in eye, she stepped further.

Three arrows had been shot simultaneously and pierced Asuka's armor from the gap.

『I-Infight!? What! Combatant Thunderbolt volontarily jumped into combatant Asuka's bosom!!』

The hall makes a stir. It's natural. The cowardly bow user that attacks from long distance is "Fighting" Asuka of the Scarlet Sky.

The scene is unbelievable.

However, she's not looking at the hall. Thunderbolt stared at the head she's throwing her arrow off.

「Da, aaaaaaaaaaaaaaa!!!」

However, even both of the arm and legs were surely pierced, it still doesn't reach Asuka.

Sacred Tool Orth Linde Matching up with the Scarlet Sky armor, it's the best masterpiece of Yuuto.

Leaving her body to the ring that makes all attacks null, Asuka swings down her weight sword.

「—!?」

Flash. She made a single stroke ignoring her defense and concentrating the consciousness to attack.

That moment, Thunderbolt poured all her perception to evasion.

Thunderbolt's hair was cut off and the weight sword was stuck in the ring without hesitation.

(As expected, it's not just a treasure tool!!)

The ring was just smashed. Not just on her feet, the impact of the sword crushed the ground from center ahead.

One layer of the hair. An attack that won't make it strange for the match to end right now. However, she avoided it.

(A defensive treasure tool inside the Scarlet Armor!? Is this invincible defense the reason for Asuka-san being the ninth!?)

She can dedicate everything to attack as her defense is perfect.

(Strong—! No, I know that from the start!!!)

She has no time to hesitate. She already came over those things alone.

To defeat the strongest swordsman in front of her, Thunderbolt strained all of her power.

(I'll concentrate all of my perception ability to Asuka-san—!!)

She sharpened it. Yuuto's beating heart from the seat also disappeared from her.

Right now, the only presence in the world that's necessary is—!!

Time stops. Inside the slowed down world, Thunderbolt watched all of Asuka.

(…I'm jealous)

Seeing that Asuka had already moved to her next attack, Thunderbolt smiled.

Scarlet Sky armor, the ring in the chest. The mystery of Yuuto is handed down to Thunderbolt.

She acquired knowledge of it. The hidden heroic tale in the Scarlet Sky that Asuka has.

(I can't lose here!!)

A flash closes up and the edge of Thunderbolt's cheek was shaved off.

She sharpened her concentration further. She's tearing blood from her demon eyes.

(I'll show I can pierce it—!! I am『Certain Hit』Thunderbolt!!)

There's something that exceeds perceptoin. Scarlet Armor, Ring. Thunderbolt had seen through all of it suing her golden cross eyes without Yuuto noticing it.

Thunderbolt understood the feelings he put there.

(Asuka-san, do you know his reason? How much you're cherished by him, how much he loves you?)

Godly. The highest reason in the world. Thoughts that will reach.

(Still—!!)

That's the defect of the world. The gap in magic. Ripping the law of Gods.

Ultimately perfect and complete, meanwhile—

「Haaaaaaaaaaaaaaaa!!」

The strongest bow user in the world shoots through the gap.

「Ga—!?」

The impact runs through. Before the pain was transmitted to her brain, Asuka had understood what happened.

Breaking through the Scarlet armor and the ring on the tip, she pierced with her strongest.

She had already taken aim for the next. That, towards the golden cross pupil——

「And what about iiiiiiiiiit!!!!」

Asuka swung down the sword without change.

Thunderbolt was surprised and the sword grazed her left arm.

The soil breaks. However, the sword still doesn't stop.

In the face of the bow and arrow that pierce her, Asuka raised her sword once again.

She knows. She knows that this armor isn't invincible.

She'll exceed it. She'll exceed even this armor.

That's the person she yearned. The back she should surpass.

Still, she believes. She believes that the he's the world's strongest treasure tool.

But—

「If my treasure tool is broken and I just『okay, I lost』then I won't be able to meet his face agaaaaaain!」

This time Asuka's sword caught the demon eyes.

A single blow touches a shoulder. A dull pain reaches Thunderbolt's brain.

However, she's the same for not repelling it.

Thunderbolt kept looking at Asuka of the Scarlet Sky.

This is the image he longed for.

(Asuka-san. You won't understand. Why I'm like this when I just met him the other day)

Thought. That smile, that time.

「I was glad!! There was nothing but happiness!」

She shoot out four arrows. All of them hit between the gap in an instant.

Thunderbolt sets up her bow in front of the one that has her sword able to contact her.

(I was despised as a coward, I who had been abused as a coward was accepted by him as a hero!!)

It's not the process of effort. There's no past to sympathize either. He accepted her without knowing those kind of things.

Those thoughts became four arrows and pierced the strongest swordsman.

「Ga! A, aaaaaaaaaaaaaaa!」

She swings it up. Still, she swing her sword up.

(I'll demonstrate it, I'll show that I'm the suitable hero to carry him!!)

She can't retreat. Pain won't become a reason.

Asuka shouted. Her thoughts.

Love or hate? She doesn't understand those things well.

But, she must continue to stand next to that cheeky smile.

「If I run away here, I can't be his supporter anymore!」

Fired off. She put all of her strength in one stroke.

Thunderbolt understood that shout. The reason for the strength in her sword.

Her demon eyes opened wider than ever before.

「Daaaaaaaaaaaaaaaaa!!!」

「Haaaaaaaaaaaaaaaaaaaaaaa!!」

The time advanced, the world is only the opponent in front of them.

She knows the reason—

(I know!! You're stronger than me!! Even if I beat you, he won't look back to me!! All of it, I understand all of the reason!!)

She took a stance. She loaded one. The strongest reason will pierce.

She knows the reason—

(I know!! I know that it's insufficient!! That I'm not suitable for him!! That there's someone much more suitable for him!! All of it, I understand all of the reason!!)

She raised it. She charged her blow. She'll cut down the strongest in front of her.

Still—

(Still, I'll win!! I'll defeat you and I'll prove that this power of mine that he had recognized will be able to reach you—!!)

To go through the strongest armor in the world. She set up the ultimate arrow of the『Certain Hit』repeatedly.

Still—

(Still I'll surpass you!! The one I admired before!! I'll boast that I surpassed the hero in front of me—!!)

She stepped forward. Another step. She approached the one she had admired before bit by bit.

The demon eyes was opened widely in surprise.

She’s taking a step voluntarily getting pierced, pierced by the strongest arrow.

(It’s a miracle for you to appear to me who’s an ordinary woman!! That meeting was right, there’s no one else!! I myself will prove that!!)1

She took a step. She moved forward. That’s to exceed the person she had yearned before.

Pain goes through her body yet she still take a step ahead. She’ll surpass everything.

Because—

「I am Asuka of the『Scarlet Sky』!! The bearer of the strongest treasure tool in the world!!」

She raised her blow and the world’s strongest smashed.

Chapter 26: Duel (4)

「Gu…au…」

Thunderbolt glared at the presence in front of her while putting power on her hanging left arm.

Beating the collarbone, she can’t now raise her left arm.

Thunderbolt laughed as she’s unable to pull her bow now.

「Haa, haa」

Thunderbolt that’s covered with wounds looks at Asuka with her blurring consciousness.

Her arrow had pierced the left chest deeply. Barely missing the vital spot, it’s not strange for her to fall down anytime.

Asuka smiled for some reason and stabbed the weight sword on the ring.

The two people laughed at each other and the dumbfounded watchers had time move again.

『W-what offense and defeeeeense!!!! Who would’ve imagined this kind of development!? It’s a battle where you can’t even breathe! Both of the combatants are wounded!! But is the fight decided!?』

The commentator raised her voice as she had recalled.

It’s natural, because she was also fascinated from the fight of the two Heroes.

And just like as she had said, the fight had already concluded.

Although both are standing, the bow user can’t use her bow anymore.

Her loss is clearly seen by anyone.

But, only the girls on the ring had noticed.

This can’t be the end.

「…Asuka-san. I’m glad, it’s you」

Thunderbolt smiled at Asuka.

That’s gratitude. Then, the game should be decided with one hit.

It’s likely that they have stopped if only it’s the limit.

(Aiming at the middle of the forehead? That’s funny)

Still, she knew. She’s impossible to be killed with those kind of things.

If not then she’s not the Scarlet Sky swordsman he believes in.

「I will put my all in this attack and exceed your『Scarlet Sky』」

She pulled the huge bow. Thunderbolt aligned the string and tore it off, her treasure tool made an appearance.

Asuka's eyes that reflects the godly magic spear made her burst in tears from happiness.

Gungnir. The proof of『Certain Hit』that was given to her by the Osudia royal family.

She doesn't know that this treasure spear is actually handed over to the prestigious family from a remote region.

「It's needless to say the meaning of this spear right?」

Asuka stood firmly on the ground after hearing those words.

She's going to take the blow upfront. She'll believe in the strongest pride.

「Scarlet Sword, release」

She gripped it. The shining crimson is the proof of her『Scarlet Sky』

Everyone on that location had their breath taken away by the red sword appearing after a bright red flash.

Even Yuuto was captivated by the brilliance.

「I'll surpass you. I'll beat your『Certain hit』using his strongest scarlet sword」

She raised her stance. It's a downward swing she repeated again and again. The foolishly honest her can only do this.

Thunderbolt smiled at the beauty of that scarlet swordsman.

This is the genuine Asuka of the Scarlet Sky.

(It's a very magnificent masterpiece…but)

She posed. All what remains in her. She'll muster beyond that.

That moment, her demon eyes had sensed the wish of the other side of the magic spear.

Smile.

Thunderbolt offered all of herself to that throw.

「If you can stop iiiiitt!」

That's literally her full power.

All magic, all of the strength, she loaded all of her power, her last attack.

She removed the homing function, the fastest flight magic in the world.

She loaded. Pierce. She is『Certain Hit』Thunderbolt

Her demon eyes can pierce the gap of the world.

Air, molecule, more than that, the resistance of the world. A single blow of the demon eye that pass through all friction.

「Gungniiiiiiiiirr!!」

It accelerates. The flight magic's original purpose.

Acceleration limit. Exceeding the reason of the world even the speed of sound, her spear is beyond speed of light.

Her aim is the heart.

Asuka cuts the blow that can pierce the world.

「Daaaaaaaaaaaaaaaaaaa!!」

Coincidence? Inevitable? The tip of the scarlet sword captures the light.

(aaaaaaaaaaaaaaaaaaaaa!!)

The clash impacts. In the short time where you can say it's a blink, Asuka swung down her scarlet sword.

Off point. The flash of light the scarlet sword flicked cut down the orbit of Gungnir.

Then—

◆ ◆ ◆

A roaring sound echoed.

A blow that would penetrate god. The impact of the magic spear crushes all the soil

『N-No way!? The barrier!?』

The barrier cracks. Mihorin Shaunad bent her body forward from the impossible scene.

The prided magic barrier of the kingdom made by a hundred elites. The mystery that shouldn't be able to be surpassed by an individual power is pounded by a blow.

Just now, it was the burst of magical convection. She looked in utter amazement as the dust soar up in the arena.

『T-This…I don't get it! That was combatant Thunderbolt's full power! Is combatant Asuka safe!?』

Risty also bent her body towards the ring to look.

However, Risty stopped her rushing feet because of the expression of the boy on her side.

The meaning of his expression shouts the real situation.

『OH goooooood! S-She's standing!! Combatant Asuka is stannddiiiiiing!』

The audience looked at the live scene.

Inside the cloud of dust is Asuka standing while gripping her scarlet sword.

There's an arrow sticking on her prided Scarlet Armor. Still, Asuka of the Scarlet Sky is standing.

However, it's not just her.

Asuka stares at the hero in front of her.

『B-Both are alive and well. What a fight, what a match. For me, it's no longer about who wins…』

Inside the area where everyone is holding their breath, Asuka stepped forward.

Ahead, step by step, ahead.

Then, she looked ahead.

The proud hero is standing in front of her.

「Thank you very muuuuuuuch!」

She bowed. With all her power, to the woman who clashed with her until the last.

The situation was understood from that voice.

That's right, she mustered it. A single throw using all of the strength.

To the『Certain Hit』hero who lost her consciousness, the commentated inhaled.

『I-It's oveeeeer!! Combatant Thunderbolt can't fight anymore!! The winner of the duel is Asuka Retroliva of the Scarlet Skyyyyyyyyy!!!』

Asuka's body collapsed as the shout of joy welled up.

It's not surprising as she also—

◆ ◆ ◆

Waking up.

The consciousness that was broken off was gradually waking up.

Because of the large voice echoing, the surrounding sound is confusing. For the first time in her life, she laughed.

The ground was making her back feel cold. Based from the hardness, it seems to be the entrance.

「Yo, you're awake」

The usual tall figure is peeping to the lying down her.

Her best friend looks down on her cross legged.

Ruby Diamond Carbuncle1, Thunderbolt understood the state.

「…I lost」

「Yeah. It was an excellent defeat」

Hearing that voice, Ruby smiled. She's a woman who can't lie as usual, Thunderbolt smiled wryly.

Thought. His, hers.

(I lost?)

In the end she wasn't able to reach her.

The scarlet hero that every one yearns for.

It's not a lie to say that she's not jealous.

「The match ended well for a disliked person」

The coward challenged the hero of this country. It might be very funny.

Turning the bow made her lose more and more allies. Even he never asked using his mouth.

Thunderbolt narrowed her demon eyes and declared.

「Still, it's fine」

But, she smiled. She felt fresh somewhere. She lost yet, Thunderbolt smiled from the bottom of her heart.

「Hey hey, Don't change your words, it's still too early」

Ruby smiled to that Thunderbolt.

What does it mean? Thunderbolt stared at Ruby.

「What? You didn't hear it? It's a shame to your demon eyes」

She listened carefully for the content of that smile.

From the other side of the resounding head was something that's heard certainly

『Please listen, the cheers doesn't stop!!』

「…Eh?」

She muttered it unintentionally, her wounds surely hurt.

But, it’s not strange. After all, she had won. The shouts are natural.

But, what?

「It’s a nice game!! Both of you are the best!!」

「Thunderbolt—! I misunderstood you! I’m sorry!」

「Did you see that infight? Who was it? Who called that she’s a coward?」

「It’s you. No, me too」

「That was the best duel. I’m glad I came to see it!」

What’s this?

『What a duel! What a match! Who would expect such a match!?

However, please listen! Praise both of them! Blessings to this match!

The colliding pride! This is our countries prided aliased heroes! Asuka of the『Scarlet Sky』and 『Certain Hit』Thunderbolt』

Strange. Why is her name lined next to her.

「Did you see that Gungnir?」

「I can’t believe it. Is that the tenth place?」

「Asuka-sama was amazing」

「The two of them were serious…」

That’s right. I used my all against the strongest swordsman.

『There’s no one who would despise her in this hall anymore! After all, we saw it! The scarlet swordsman fights bravely! The strongest Bow User!

The fight was fair and square! The bow user was magnificent! Did you see that Dammit! This is the tenth in the hero rankings 『Certain Hit』Thunderbolt!!!!』

The encouragement doesn’t stop ringing even if it was settled. That’s not all. The casual conversation in the seats.

She had sensed all of it.

After all she’s the world’s strongest—

「Didn’t you say you’re going to return the favor?」2

The gentle voice of Ruby was sent to her best friend.

Since she’s obstinate, she would say it first.

Thunderbolt shakes her neck to the question of her smiling best friend.

Tears that’s not known who to turn into had overflowed from Thunderbolt’s demon eye.

「W-why!?」

She can’t phrase it. Since when? From when does she kept having such a dream?

「There’s, there’s…!」

It’s strange. I, all this time.

But, that doesn’t matter.

Because, this is such.

「Uwaaaaaaaaaaaaaaaaaaaa!!」

She sobs. Tears flowed to her cheeks from the demon eyes.

Thinking about it, since that day—.

That day, 『Certain Hit』 Thunderbolt cried until she can’t anymore.

Chapter 27: The Scarlet Girl (1)

Asuka opens her eyes slowly even though the pain in her chest still remains.

「Ah, you're awake?」

She looked towards the side where she heard the voice.

Yuuto's worried face is seen and Asuka recalled what happened to her.

「Yuuto, this place is?…」

「Ah, geez, don't move. The wounds was just blocked」

Asuka tried to get up but Yuuto opened his mouth to rebuke her. Confirming that she's laying down in bed, Asuka held the right part of her chest.

「This, arena」

「This is the first aid room. Since you were sleeping, it was lent for overnight」

Yuuto's fatigued face can be seen. She doesn't know how much time had passed since the fight but since the candle lights are lit, it's probably night already. Looking at the window, she saw a beautiful starry sky.

Did he wait for her all this time? Seeing Yuuto felt relieved, Asuka's cheeks blushed instinctively.

「T-that's right. …the wounds It's closed?」

Asuka noticed the abnormality on her body for the first time. There's still some pain but her chest had already returned to her everyday clothes and there's no scar of the hole anywhere.

The arrow Thunderbolt shoot out certainly should've gone through her chest.

Asuka stares at her own chest in wonder and Yuuto kept talking while having an expression of relief.

「I think the recovery mage cured it. Though I didn't met her, what was her name again? The Eight in the hero ranking…」

「S-Strawberry-san!?」

Yuuto nodded at Asuka's shout. Yuuto was also surprised as Asuka's wounds were completely recovered when he saw her in the first aid room. The high ranks in the heroes are really beyond imagination.

「It seems that she came to sightseeing for an emergency. …Well that's how many the people who saw over it」

Then, a lot of people had a change of heart.

He is one of them but Yuuto didn't say it of course.

「That was cool」

Instead, he made a brief comment.

Asuka turned around and Yuuto laughed.

While looking at Asuka with his mouth wide open, Yuuto scratched his cheek.

「Somehow, I was surprised. Asuka-sama became a real hero」

‘What are you saying?’, Yuuto thought

He’s the one who made her a hero. But, Yuuto thought that it’s beyond an encounter.

「Thunderbolt-san is definitely one of the『World’s strongest』She might be hated but she’s never a coward or a cheater, she’s a genuine hero」

And, Asuka surpassed her.

Her scarlet sword cut the Gungnir and it didn’t reach her. The full power attack she gave certainly exeeded Yuuto’s『Scarlet Sky』that time.

The scarlet armor, the scarlet sword, even the ring on her chest, it didn’t reach the strongest bow user in the world.

「Honestly, it’s mortifying」

Yuuto muttered. But, Yuuto closed his eyes feeling calm.

Then why did she lose?

That’s obvious.

She, that proud bow user won’t be defeated by Yuuto.

She——

「But, I’m proud. I’m glad that my beared is Asuka-sama」

『Asuka of the Scarlet Sky』lost.

Asuka’s eyes opened wide from Yuuto’s words. Asuka stared at the smiling Yuuto with wide eyes.

「You did your best, Asuka-sama. You’re a true hero」

It’s a common story.

A story of the hero who pulled the sacred sword.

But they, she asked herself. Is she a suitable person for this?

Is the hero first or the sacred sword? Those kind of things won’t be understood by anyone.

However they'll surely find answers someday.,

After all, they're—

「Uu, fugu. …Uu, Uwaaaaaaaaaaa!!」

Asuka can't hide her tears. She looked up the sky and cried without worrying about the surroundings.

「I-I all this time…you, ugu, youuuuu!」

Asuka firmly gripped Yuuto's body. Though her head's wet with tears, Yuuto's not unsophisticated to tell her that.

「Uuuu, egu. To be a suitable hero for you…」

「It's okay. Asuka-sama is my only bearer」

Yuuto embraced her.

'For someone like me', Yuuto thought. But, there's no doubt.

That itself is heavy. The thing he let this child shoulder.

Godly. Miraculous ability. Yuuto promised to offer the best for this girl of the Scarlet Sky.

「For me, Asuka-sama is the best hero in the world」

Hearing those words, Asuka asked while sobbing.

She's been waiting all this time.

「…Me too, I'm glad it's you」

That moment, even before Yuuto receives the meaning of her words, Asuka's lip closed Yuuto's.

Falling down, Asuka entrusts her body to Yuuto on the bed.

Yuuto looks surprised from the sudden kiss but Asuka looks down on Yuuto with love.

「I'm glad that you're my treasure tool」

Asuka's teary face said that as she smile, Yuuto from down looked up absentmindedly.

The scarlet girl can be compared with the fire on the candlestick.

Slowly, Asuka's finger was hung on the hem of the jacket.

Looking at the surprised Yuuto, Asuka slipped her glance bashfully.

But, she can no longer stop.

Leaving her body to the heat in her chest, Asuka advanced.

The jacket dropping made a sound.

「Yuuto…let’s do it?」

Yuuto did nothing but look up to the scarlet girl that shines like a fire on the candlestick.

Chapter 28: The Scarlet Girl (2)

Asuka drops the jacket lightly on the side of the bed.

「Don't…stare so much」

Asuka had said that while looking down on him, Yuuto instinctively muttered:

「Beautiful」

Hearing those words, Asuka's face dyed red.「What are you saying so suddenly1」she said while averting her glance, Still, Asuka put her hand on Yuuto's chest to pin him down.

While feeling the pulse of Yuuto with blushing cheeks, Asuka stared at the fire of the candlestick on the side of the bed.

The glitter of the fire shakes as if it provokes Asuka's body to move.

She stood up from the bed and put her fingers on the hem of the pants.

In front of the surprised Yuuto, Asuka slowly removed the cloth.

「N…」

In the end, she put her fingers on the white cloth that's sticking to her waist and Asuka exposed her birthday suit to Yuuto.

Smooth white limbs It shines with the flickering light, Yuuto's breath was taken away.

「Err, Asuka-sama」

He tried to call her name. Staring at Asuka's chest for a long time, Yuuto's cheeks dyed red.

Longer than average, the tip of her chest can be seen erect. Guessing that Yuuto's eyes are staring at her own nipples, Asuka feels embarrassed yet she smiled happily.

「Hey, Yuuto. Let's do it?」

She asked again. 'Do what?' He can't ask it. Yuuto can only gently hold Asuka's body that's over him.

「N…chu, nuu」

Asuka's tongue went in. Recalling the day when they kissed for the first time, Asuka covets Yuuto's mouth lustfully.

「Ah, nmu. Chu…n」

Not just the of the tongue. Holding the feverish body of Asuka, Yuuto's pulse gets faster.

She's a bigger girl than him in age and height. The girl he's yearning for covets his

mouth with her flushed body.

Yuuto's lower part reacted to that fact.

「N, Yuuto, it's hitting me」

「Err, you see」

Asuka's finger traced his pants. Slowly tracing a line, Yuuto averted his face instinctively.

Asuka's finger goes inside Yuuto's pants to chase him. A bit chilly feeling touched Yuuto's skin.

「A-Asuka-sama」

「For your information, it's impossible already」

Asuka said, then she drag that out from Yuuto. Lowering his pants, Yuuto's penis is exposed, Asuka wrapped it up with her fingers lovely.

「It got hard. …It's okay isn't it?」

「That's, I don't mind. That's」

Every time Asuka's white finger touches Yuuto's penis, it trembles. Although Asuka had changed into aggressive, Yuuto helplessly felt aroused.

「You're so mysterious. You just thought of something perverted and it'll grow big without being touched. I can't understand」

Asuka pulled the penis with her fingers and looked down on Yuuto spitefully. Then, she raised her waist on top of Yuuto.

「But, I'm glad…I'm glad it's you」

She's applying it by herself without any foreplay, Yuuto stared at Asuka in panic. Then, ignoring his glance, Asuka pressed her own genital against Yuuto's penis.

「Ah, Fuu」

It's contacting the mucous membrane even though it's not inserted yet. Still, Yuuto endured his voice from the attack of pleasure.

「N, Aah…Yuuto」

Asuka moves her waist back and forth while making a wet sound. Yuuto's heart roars as Asuka's body is completely wet.

「Let's do lewd things. It's fine today. Let's do lewd things」

Red hair, fair skin. Yuuto stared at the girl in front of him.

He just recalled it. The duel just a while ago. And, Asuka this time.

(Ah, shit…)

The encouragement in the hall welled up in Yuuto's mind.

The beautiful crimson swordsman that's receiving cheers from tens of thousands of people. That Asuka of the『Scarlet Sky』2 is now in front of him on her birthday suit.

(Wait, calm down. Asuka-sama, It's Asuka-sama)

However, he can't help but be conscious. She's not just the girl he's admiring.

She's the scarlet hero that everyone yearns for.

The moment he became aware of this, Yuuto's lower half swelled.

「Ha, That surprised me! W-what's wrong?」

Feeling the excessive vigor, Asuka looked at Yuuto in surprise. Yuuto looked the other way as he can't say it.

Seeing that action, Asuka puffed her cheeks.

「Naninani?3 What's wrong? Hey, Yuutoo?」

While poking Yuuto's body, Asuka brought her face closer. Yuuto got even bigger from the lip and nose approaching.

Yuuto spoke up with a flushed face as he had given up.

「…Today's Asuka was so cool that I feel nervous」

Yuuto frowns as he said that, Asuka looks down with her mouth wide open.

Then, Asuka smiled.

「I seee. You saw me in a new light and got aroused. …Fufufu, even I am quite popular you know?」

Saying that, Asuka got a bit more conscious. Today's cheer was also a pleasure for Asuka. She can't worry about it during the duel, even now, Asuka is being attacked by the fact that she's being admired.

Asuka lifted her chest from the heat that's burning inside her body.

「H-How's it? How's Asuka-sama's nude body?」

Asuka's breathing turned rough, Yuuto looked up while swallowing his saliva.

Isn't this a bad thing? Those thoughts are flowing on the two of them

「…I-It's Asuka of the『Scarlet Sky』nude body you know?」

Asuka had cut off her thoughts.「She said it」as Yuuto look up, Asuka evaded her glance to deceive him.

「I-Isn't that fine? It's fine if it's you. Y-You can monopolize me」

Moving her waist, Asuka put her arm behind her head. Showing her armpits, Asuka provokes Yuuto who's playing dumb.

「Hora…Look at this armpit hair. E-even this is for your sake. That's why」

Asuka speaks out as she breath roughly. Fuufuu, while her breathing is in disorder, she steels herself and speaks.

Pressing the groin, Asuka looked at Yuuto with teary eyes.

「Let's do lewd things? Please? Let's do lewd things」

Asuka's secret part invites Yuuto.

「Asuka-sama!」

Reaching his limit, Yuuto pulled down Asuka's body.

◆ ◆ ◆

An obscene sound echoes.

「Ah, nuu. Haa, auuu」

As Yuuto swings his waist up and down, Asuka exposed her sloppy face.

Pouting her lips, she's taking Yuuto's penis wholeheartedly. While repeatedly taking it in, Asuka appeals as she's feeling Yuuto.

「Uuu, It feels good. Yuuto, it feels good」

Yuuto doesn't understand the feeling. However, he can feel his body getting helplessly aroused in reality, Asuka raised her voice.

「Your penis feels good. What the hell is this? Idioot!」

「E-even if you say that」

Yuuto frowns troubled, Asuka stared at him with a sullen look.

Even though he's so worried, why is this fellow so chill? Asuka felt a bit irritated with that thought.

'You, what do you think of me?'

Those words can't come out of Asuka's mouth.

Instead, there's so much more to say so Asuka opened her hardened lips.

「Thank you」

That small voice reached Yuuto's ears.

Before Yuuto could say anything, Asuka continued to speak.

「Thank you for making me a hero」

Asuka’s face dyed red in shame. It’s much more embarrassing than being seen naked.

「Asuka-sama…」

Yuuto gently smiled to the embarrassed Asuka. Today, Yuuto marked in his chest what she had said.

「I’m also glad that I’m with Asuka-sama」

Asuka’s tip of the nose turned red from the gaze. Asuka resumed moving her waist to dodge it.

「Then, it’s fine」

She said bluntly, Unable to hide the happiness spreading over her cheeks, Asuka smiled at Yuuto.

The night has just began.

Chapter 29: The Scarlet Girl (3)

「Oh, you really didn't shave it」

To Asuka who's thrusting out her white ass, Yuuto stares at it with great interest.

Poking it, Asuka's back trembled.

「Hii. B-Because. I don't get your hobby」

Saying that, Asuka nearly dies from the shame.

Sticking out her ass, she's literally showing off her white ass and hole. However, the current state is special.

Yuuto seriously observes the red bush growing between Asuka's groin.

「There's really also hair around the anus of a woman isn't it? Somehow, it looks lewd. … Or rather, isn't Asuka-sama quite thick?」

「D-Don't say it. Like hell I know, idiot」

Asuka's breathing is rough but she's still desperately trying to endure her consciousness from flying away.

(It's seen, It's being seen. Yuuto, the hair near my anus…his breath is reaching. It's being seen…nuu)

The moment she thought of Yuuto seeing her sloppy body, Asuka's insides shakes. While rubbing her erect nipples on the bed, Asuka slowly spread her legs.

As if hearing a sound, Asuka slowly opens her legs. Hearing the sound of Yuuto's breathing, Asuka swallowed her saliva.

「More, look at me more. This time, just for today…I'll show it」

The excitement of the duel still remains1 Saying that it's only possible for this day, Asuka surrenders herself bit by bit.

Thrusting out her ass meat, Asuka readied herself and grasped it.

「L-Look. Please. Just you, It's fine because it's you」

She showed it. Her anus that's not been used yet, Asuka spreads it in front of Yuuto.

「Hiu, Hyu. Ah, Aaah. Yuutoo, can you see it? can you see it?」

「Y-Yes, I can see it, I can see it」

Being called by Asuka, Yuuto had come to his senses. Though he's being dragged by Asuka's foolishness, Yuuto fires up himself in front of the beautiful woman.

「Really, what a shameless hero. Ass hair and armpit hair, aren't they fresh? Don't you think that it's inexcusable for the person aiding you?」

「Uu. D-Don’t say it」

Asuka looks like she’s about to cry, her body had changed shame to excitement. Seeing her dripping with with love nectar, Asuka’s cheeks get even redder.

(Even though we shouldn’t do this. Even though it too much effort to look like a cool hero…Uu, buut)

Feeling that her body had come to love it completely, Asuka felt confused. But, just for Yuuto today, she recites in her heart, Asuka displayed her densely haired groin.

Not caring whatever happens, She spread open her ass flesh.

「I-I’m sorry. I, Asuka of the『Scarlet Sky』has a hero with a bushy anus. I’m sorry for being lewwwwd!」

「Oooh, she said it. Asuka-sama is really a pervert」

When Yuuto stroked her wet genital, Asuka raised a small scream.

「Hiin. I-I’m not. I-I’m not a pervert. It’s you, it’s youuu」

「Yes, yes. Well, I’m fine being a pervert. Look, show me your armpit」

Asuka’s voice raises humidity, Yuuto instructed her to face him.

She feels embarrassed to face Yuuto but Asuka followed it. Going as far as possible, Yuuto firmly put on his mask of smile.

Even though she said she’s embarrassed, Asuka slowly turned around.

Seeing Yuuto’s smiling face, Asuka’s reason came off.

「Ah, Uu. L-Like this?」

Holding her arms behind her back, she displayed her hair in the armpit. Asuka breaths roughly as she got aroused from the side, Yuuto’s groin rise up.

「Very nice. It’s so lewd. …Asuka-sama, could you introduce yourself?」

White limbs. Yuuto’s cheeks loosens maliciously as he saw her completely erect long nipples.

Hearing Yuuto’s suggestion, Asuka felt her chest jumping out.

「Err, taht. …I-I can but」

As her heartbeat grows faster, Asuka thought about the meaning of his suggestion.

It’s like this in short. She considered Yuuto’s intention, Asuka was「No, but,」she hesitated

Even though she can call herself with the title confidently. She’ll going to make it dirty herself.

However, feeling helpless from the temptation, Asuka's insides beat harder.

(I-If it's him. It's fine if it's Yuuto, right?)

The tens of thousands of cheers. The expectations sent to her. The admiration from the past. All of those pressure pushes Asuka's back.

Yuuto's smile says「I'll take responsibility」

「Please try it」

One last push. Yuuto's plead made Asuka say「It can't be helped」as she lick her lip.

It can't be helped. If she's told by her own treasure tool, she can't help it.

Asuka showed off her armpit and groin.

「A-Asuka of the『Scarlet Sky』, 9th in the hero ranking …」

The moment he heard it, Yuuto felt chill from his back.

Asuka of the『Scarlet Sky』2 That Scarlet Hero is right here.

(Shiit!?)

He almost came instinctively just by looking. Seeing Yuuto pulls his waist in panic, Asuka gulped down her saliva.

(Yuuto is aroused. T-that much)

Though she's feeling shame that she might die, by the fact that Yuuto is also excited, Asuka's chest became hot.

This is the favor she admitted.

「N, Au. My nipples, Nuuu」

Asuka can no longer stop.

She wants him to embrace her. She's not just 'Asuka' Asuka of the『Scarlet Sky』wants to be embraced by Yuuto.

「Yuutooo. Lewd, let's do lewd things. Please…」

Asuka pleads with watery eyes and both her nipples extend, Yuuto can do nothing but nod.

Chapter 30: The Scarlet Girl (4)

The armor made a clanking noise.

「Nn, Auu.」 Auuuuu」

Scarlet Wing, Helmveed What made Asuka the hero, the cut of the Scarlet Sky above the rest.

The scarlet armor wraps up her arm and legs, she can move beyond limit, it's a godly miracle that would even protect her from the recoil.

Not changing the situation of the duel at all, the Scarlet Sky armor.

If there's something strange, it's Asuka not wearing the Scarlet Armor.

「Nguu, Auu. Ah, nuu」

Concealing it, her arms and legs are the only ones defended by the armament. Asuka exposes her chest and under, her interior helplessly shake.

「Does it feel good? Asuka-sama?」

「Uuuu, It feels good. It feeels goooood」

Asuka who spread her legs in missionary position becomes desperate and raise a lovely voice. However, Asuka's reason is almost flying away as she can't help but leak out her voice and love nectar.

Her nipples stretch out, she trembles in pleasure. The sensation of the glove crosses over, it has grown even harder.

「It feeeels gooood. Yuuto's penis feeeelss gooood!!」

Love nectar overflows every time she's being pierced.

Yuuto raised his waist to changed the posture and the depth of attack changed slightly.

That moment, a shock runs through Asuka's body.

「Nuuuuu!?」

Her body pops like a frog.

Yuuto tilted his head curiously from the sensation different from usual.

「Huh? What? You're getting stiff」

「Noo!? Wait! That, that plaaaaacceeee!?」

Yuuto thrust inside for the time being, Asuka raised a lovely voice as she can't endure it.

Her womb has lowered. Not understanding it, Yuuto attacked there.

The tip has pressed against something hard. Asuka pouted every time that happens.

「How's it? Does it feel good?」

「O, Nuuu. I, ihii, listen to meee. Nhiiii」

Asuka shows a vulgar panting face, Yuuto is completely pleased. Feeling pleasure from something unknown, Yuuto kept pinching Asuka's clitoris.

Asuka's jaw jumped out and her lewd panting voice echoes in the room.

「Hyuuuuuuu! T-That's no goood! Nguuuuu!?」

「Asuka-sama, something's here! Here?」

He kept smashing her clitoris with his finger while he pierce her. Finding out Asuka's weakness, he held to it with all his might.

She clenched her teeth, she failed to control her own voice.

「Fuguuuuu, noo!? Pwease dwont crush my beaan-saaaan」

Asuka's eyes went white as her body twitch.

However, now's the time to attack, Yuuto moved his waist even faster.

Asuka might just cum. Having the arousal and expectations, Yuuto's penis grew even bigger.

Piercing the deepest part, Asuka's reason finally flew away and she made a lovely cry.

「Oo, Ogu. Nooooo, oguuuu」

Her lips pouts, Asuka occasionally closes her teeth to taste the pleasure.

Asuka called out the name of her treasure tool even though her reason is blown away already.

「Cumming, I'm cumming! Yuutoo! Yuutooooooo!!」

Having his name called out, Yuuto became conscious that he's about to cum and he somehow made a reply.

「What is it? Asuka-sama?」

「Auuuu, cumming. I'm going to cuuuuuum」

Asuka looks at Yuuto and pulled him using her armored limbs.

Turning her arm to his back, Asuka held Yuuto's waist using both her legs.

「Let it ouuut! I want it Yuutooooo!」

Hearing that voice, something runs up to Yuuto's glans.

With the pulsating beats inviting him, Asuka desperately opened her depths.

It wants all of Yuuto. Asuka entrusts herself to all of her desire.

「Asuka-sama, cumming!」

「Cum, cummingcumming…Iii!?」

Yuuto's tip was finally let loose.

That moment, Asuka's body rose up.

「Cumiiiiiiing!」

While feeling the embraced body, Yuuto fell down to Asuka.

The hot body and the cold armor, feeling strangely good, it's the girl Yuuto loves.

He closed his eyes while he's on top of her chest.

◆ ◆ ◆

「D-Don't misunderstand. It's not like I want to do lewd things with you, it doesn't mean like that」

She's blushing as her body feels the lingering aftertaste, Asuka looked away.

Feeling the feverish state of her cheeks, Asuka reflects to what she was a while ago.

(Somehow, I got excited and said something weird. Or rather, doing it while wearing armor…I'm a pervert)

Swallowing the embarrassment from the rage she made a while ago, Asuka stared at Yuuto next to him trying to calm down.

Asuka pouted because of his smile.

「W-what are you grinning for? Really, I'll be troubled if you misunderstand. That was the heat left from the duel. You, there's no way you're thinking that I'm dying to do lewd things with you? That's not it okay?!」

「You're dying to do lewd things?」

Yuuto returned blankly, Asuka looked down with a flushed face. She lifted her eyebrows and looked back to Yuuto while naked.

「Ha, haaaaaaa!? There's no way I am right!? D-don't get cocky just because you got a bit skillful with sex!」

Asuka shouted, Yuuto opened his eyes wide in surprise.

Then, Yuuto's lips loosened for a moment. Asuka was「Did I say something to please him?」and looked at him curiously.

Yuuto decided to make a victory pose in front of Asuka.

「I-I’m skilled in sex, am I not?」

「Eh?」

Seeing Yuuto’s eyes that’s filled with expectations, Asuka understood her slip her tongue.

Her head heats up instantly, then Asuka shouted instinctively.

「T-There’s no way you are! Y-You’re very unskilled! That was clumsy! Really, you immediately get cocky from the situation…」

She shouted, then Asuka was「Oh?」and looked at Yuuto.

In front of her, Yuuto’s appearance looks like the smile a while ago was a lie.

Seeing Yuuto drop his shoulders in depression, Asuka opened her eyes wide in fright.

「N-No, well? Doing up that till now? C-Certainly? I felt pleasant today so I can praise you for that or rather?」

Sending glances at Yuuto to confirm, Asuka desperately made a follow-up.「Is that true?」Yuuto glanced to ask, and Asuka nodded.

(W-why do I have to be conscious of iiiiit!)

While knocking down Yuuto inside her mind, Yuuto’s mood had returned to its usual so Asuka felt relieved.

Seeing Yuuto grin, Asuka leered at him as she can’t get convinced.

(G-geez! What the hell is with him. Even though you’re doing lewd things with other girls than me. T-There’s no way I’d know if you’re skilled at lewd things! I never did it with other men after all!)

She felt irritated when she thought about it. Remembering that the man sitting has a lot of female relations, Asuka turned the other way.

(Really, I don’t get him. Just what does he think of me? …How I’m seen as a woman?)

She wore the jacket somewhere else while throwing a look at Yuuto. Her nipples are still erect until now, Asuka’s cheeks became hot.

She’s not hated, she also know that she’s being seen as a woman. But, as a matter of fact, Asuka is completely ignorant of what Yuuto is thinking.

(In the first place, Why does he call me out?)

A simple question. Though Asuka has the confidence in the battle, her question itself wasn’t solved.

Did they just meet by chance? But, Asuka thought that there are more swordsman to her degree.

However, he said it. Though she accepted it gladly and obediently that time, her

question is still big.

「You…」

The lips who tried to ask, stopped.

Yuuto turned around, Asuka however, swallowed her voice.

「No, nothing」

Hearing Asuka’s mutter, Yuuto tilted his head.

Asuka had smiled wryly as if giving up.

They’re sharing the same fate anyway. If it’s like this then she has no choice but to be with him till the end.

She stood up naked and stretched herself towards the ceiling.

Yuuto’s cheeks dyed red from Asuka’s completely exposed armpit, Asuka wriggled her waist to show it off.

「Hey, another round?」

She’ll be able to hear the answer eventually. Asuka thought so as she smile. Yuuto silently nodded.

Chapter 31: The Scarlet Girl (5)

Recalling the love affair yesterday, Yuuto cleared his throat.

「Err, that. Nice weather」

「R-Right. Nice weather」

Asuka who walks next to him also answered awkwardly.

They had done it five times after that. It's the best record of Yuuto that day.

(Awkward—. What the hell? It's so awkward. What's going on?)

Having the last night her cross in her mind, Asuka shook her face.

Did she get on the her feelings and was washed away by the mood? Anyway, she fawned over him to her heart's content yesterday.

She shook her waist on top of Yuuto, kissed, did in front and back, again and again.

Furthermore she kept calling Yuuto's name in the midst of it, Asuka's face warped.

(Isn't that? What to call it, aren't we like lovers? No good. That's no good. It's too embarrassing)

The master and treasure tool. She has to make that clear, Asuka tightened her spirit.

「It's not like I like your or anything like that」

「Eh? Ah, Yes」

Asuka said then Yuuto replied short. Yuuto before would be depressed but she's wondering if it's okay now.

The girl he gives his heart to, piled up the body. Hoping more than that is already a luxury.

With his face completely loose, Yuuto looked at the hallway of the castle absent-mindedly.

「It's only Asuka-sama today right?」

「Right. You can kill time somewhere. Let's buy snacks when we return」

Asuka is the one called for business today. There's no need for Yuuto to come but Yuuto isn't as troublesome as before.

「Right. Should we go to Asuka-sama's favorite store?」

Imagining the shopping at return, Yuuto smiled. Asuka's breathing was clogged because of that expression.

Scratching her cheeks, Asuka pouted and replied.

「T-Today, you see. …Don’t go to Captain okay?」

Hearing the slender voice, Yuuto’s heart jumped out. That’s his intention even if he’s not told but It’s the first time Asuka is finding fault at Yuuto’s female relationships.

Feeling that she’s finding fault at him, Yuuto shook his arm in panic.

「N-No I won’t! There’s no way I can go!」

Catching the glimpse of the panicking Yuuto, Asuka looked away bashfully.

「It’s not like I mind who you meet or go out with. Just for today, I want you to remember me」

Saying that, Asuka waved her right hand and said「Later」Yuuto absent-mindedly sent off Asuka’s back that’s advancing bashfully.

「…Yes」

His delayed answer didn’t reach Asuka who disappeared at the corridor of the castle.

「Oh, Yuuto-kun. What a coincidence1」

When Asuka’s back disappeared at the corner, a voice called out Yuuto from the back.

Turning back, Thunderbolt is walking towards Yuuto.

「Ah, Thunderbolt-san. It’s been a while」

Of course it’s not a coincidence but she timed when to call out Yuuto but Yuuto has no way of knowing so he bowed.

Looking at Thunderbolt’s left arm, Yuuto spoke in a worried tone.

「Uhm…How’s your wound?」

「Fufu, it’s fine. It still hurts but it’ll heal completely after a few days」

Thunderbolt raised her left arm while smiling at Yuuto. Showing her palm to tell that there’s no problem, Yuuto felt relieved.

「I’m glad. I was worried」

Those words made Thunderbolt’s cheek blush. Applying her hand to her waist bashfully, Thunderbolt turned her eyes over the eyemask.

「Can you come with me for a bit?」

Thunderbolt’s glance can be seen through but Yuuto nodded with a smile.

◆ ◆ ◆

「It’s my treat today. Drink as much as you like」

「Ah, Yes. Itadakimasu」

It’s a luxury restaurant in the capital. Thunderbolt sits on the table facing him, Yuuto paid his attention to the fleeting glance.

He thought that they’ll surely just talk in the lounge of the castle but he’s already in such a place when he noticed. Worrying about the time meeting with Asuka, Yuuto sits down on the chair in front of Thunderbolt and put the glass on his mouth.

「Uuun, it’s a good grape. This is quite good. The scent and the taste is also good」

「Does Thunderbolt come to this shop often?」

Yuuto called out Thunderbolt as she enjoy the taste and the color of the wine.

This store is a high-class store where most noble go to. Risty once said that she want to go here, Yuuto recalled.

Even with the wage of a single digit hero, it’s a store where you can come at moment’s notice. Thunderbolt puffed her chest as she answer Yuuto’s question.

「Oh well. I come here often. After all it’s a restaurant that a hero like me can come. It has to be a first class」

「Hee, isn’t that amazing. I’m weak to liquor so I respect you in that」

Being praised by Yuuto, Thunderbolt clenched her fist under the table.2 Of course, it’s a secret that she used all of her savings.

「I-Is that so? Yuuto-kun is weak to alcohol. I see. Fuun」

Suppressing down the dark feelings boiling in her chest, Thunderbolt continued to drink the wine. Honestly, she doesn’t get the taste well.

Though Thunderbolt’s five senses is far from an ordinary person because of her perception ability, it’s a different talk when it comes to a gourmet.

The price of the wine is close to her monthly salary, the structural component isn’t even slightly different from the 「Wine」from the wine on the public bar.

It’s similar. For the woman who lives in perception that goes far more than a person’s limit, All in this world looks similar because she’s living in both micro and macro.

「…Thanks」

But today’s wine certainly feels different from the usual, Thunderbolt narrowed her eyes. She「had a hunch」for the first time, she looked at the color of the shine in the glass.

Expressing the words of thanks for Thunderbolt, Yuuto pressed the silence without understanding what is being pointed out.

The smiling Thunderbolt felt a little embarrassed but she felt happy when she remembered that moment.

「Thank you for telling me good luck」

Those were just a remark of support. Yuuto's voice is the only one who turned towards her during that fierce fight.

「You see, after the duel, my evaluation didn't change basically. A coward and cheater. For someone who didn't come to personally see the battle, I was just stupid for challenging Asuka-san rashly and suffered a crushing defeat」

Yuuto heard the words coming out from Thunderbolt.

It is so. Certainly that battle won't make the people who didn't come to see Thunderbolt the correct way. However that's a temporary and limited thing.

She threatened Asuka, or she played a trick. Those completely untrue rumors would be flowing among the people who didn't see the duel.

「But you see, It's fine. I can still hear it. I can feel all of it using my demon eyes. The handful of encouragements. Like you that time」

Thunderbolt clenched her fist. Since when was it? Hearing the voice of the world is nothing but frightening. Since when was it? A smile that's reaching out for her name.

Thunderbolt looked ahead. She can understand it over the eye mask. The most important person in her world.

「Yuuto-kun, I love you. I'm helplessly in love with all of you」

Thunderbolt's eyes looks at him firmly, Yuuto's eyes opened wide and his breath was taken away.

Before Yuuto could move his mouth to reply, Thunderbolt continued.

「I know that you won't turn back. I also know who you're thinking with. …Still, I just want to say, I love you」

Thunderbolt's head slowly lowered, Yuuto somehow was able to squeeze his voice, he inhaled.

However, Thunderbolt smiled at Yuuto who can't let it out at the very end.

「I can work hard right? I want to be your first」

Just how much is the order and point minded? Though he says that she's not interested, she kept staring at the newspaper every week.

It's because she isn't. Just that. It's to praise herself.

But, it's different now. She doesn't want to lose the next ranking from the bottom of her heart.

「I won't lose this time」

To whom? Yuuto instinctively scratched his cheek as the declaration isn't something he can ask from.

「She's strong you know?」

Yuuto only told that much to Thunderbolt.

Thunderbolt nodded, and said「I know」with a smile

He scolded his heart for beating faster from that brilliance, Yuuto put the glass to his mouth.

「…Bitter」

Those are the honest feelings that came out. ,

「Asuka-san is being delayed. Should we order a meal? What does Yuuto-kun like?」

「N-No. I'm fine with what Thunderbolt-san likes」

Thunderbolt proposes while looking at the menu, Yuuto swing both his hands to decline. As he's being given a treat, he shouldn't be choosy.

「Is that so? You don't have to hold back. Right, Yuuto-kun had fish yesterday so meat would be nice3」

「Ah, yes. Meat is fine」

Yuuto nodded but he tilted his head as he feels something out-of-place.

「Speaking of which, Yuuto-kun, you were up late yesterday. Aren't you sleepy」

「Eh? I-I'm fine though」

At that time, Yuuto finally noticed what is out-of-place. Sweat flowed though his back, Yuuto timidly asked Thunderbolt.

「Eerr, that. …You're peeping at me?」

At that moment, Thunderbolt's face was「Shit」and time stopped. Awawa, Thunderbolt shook both her hands.

「T-That's not it! I'm not peeping! Yuuto-kun, what are you saying? Also. I-It's wrong!」

Seeing Thunderbolt getting obviously flustered, Yuuto smiled unconsciously.

Seeing Yuuto's smile, Thunderbolt made an excuse in panic.

「But it's fine! That, I-I didn't look at you doing it with Asuka-san… I only watched you sleeping and taking bath!」

Seeing Thunderbolt's blushing face, Yuuto scratched his cheek. He's thankful that she didn't watch him do it with Asuka. Yuuto smiled at Thunderbolt and told her that it's fine.

「If it's just me then it's fine. I'm a bit embarrassed though. I don't particularly mind if it's Thunderbolt-san」

「R-Really!?」

Yuuto laughed and Thunderbolt's mouth opened wide.

It's not a good-natured ability. Yuuto who accepted it, Thunderbolt stared at him with hot eyes.

「Y-You don't hate it?」

「I don't」

Thunderbolt's insides became hot. Thunderbolt's heartbeat had a banging sound, from Yuuto's smile.

Though she's usually peeping, Yuuto's daily life came into Thunderbolt's mind. Thinking that she's been refraining up until now, the embankment bursts and overflowed.

「As expected, I-I really love Yuuto-kun…Mukyuu4」

「Wait!? Thunderbolt-san!?」

Having too much happiness and excitement, Thunderbolt bleed from her nose and collapsed on her chair.

「I was surprised. When I thought that you were late for the meet up, you showed up shouldering Thunderbolt-san」

「Ahahaha, Sorry. I can't just leave her like that」

What happened afterwards was trouble. He took out and nursed Thunderbolt that's after having a bloody face, and Yuuto took charge of the fee for the time being.

(My money this month just flew away5 But, it's too uncool for me to charge Thunderbolt-san)

It can't be helped, Yuuto sighed. Then, he looked at Thunderbolt that's sleeping happily on the bench.

「Or rather, what were you doing?…Could it be?」

「I-It's not! She just invited me for a meal!」

Seeing Yuuto in panic, Asuka narrowed her eyebrows.

She thought that he's not telling a lie but, there's obviously something after she saw Thunderbolt's expression.

「By the way, Thunderbolt-san said it. That she was glad to fight Asuka-san」

「N? I-Is that so? Right, I'm the same…I am glad」

She's embarrassed, however Asuka gladly returned to Yuuto.

Though she wondered what would happen at the duel at first, when it ended, she was glad.

「After becoming a hero, I fought hard and felt glad that this happened」

Her thoughts finally reached the one who she admired before. However, the road is still continues from there.

Both parties don’t know what the impertinent one is thinking, Asuka quietly looked at the view.

The last night’s fever still remains inside her body.

「Please take care of me from now on」

The girl presented her right hand and the boy who came from the otherworld grasped it.

Seeing his face looks a bit embarrassed, the girl looked at him happily.

「B-Best regards」

The journey of the two people hadn’t ended yet.
